Abbitibbi Fish and Game Club, Inc. We received the following letter from Clark, Robertson, Macdonald & Connolly, barristers, located at 65 Sparks St., Ottawa, Canada, dated Oct. 19, 1939 and signed by Mr. J. A. Robertson. "Your letter of the 16th, instant addressed to Mr. C. H. Labarge has been handed to me for reply. The Abbitibbi Fish and Game Club as its name indicated is a sporting organization. Members are required to hold stock in the Club. The stock is not transferable except with the consent of the Board of Directors of the Club. The only possibility of you creating a value for the stock would be to find a new member for the Club who would be willing to purchase the stock from you. Such new member would, of course, have to be approved by the Board of Directors. Any person applying to the Club for membership is required to have a share of stock and of late the Club has been insisting that new members purchase the stock direct from the Club. In your case, however, if you could find an acceptable member for the Club who would be willing to purchase your stock at any price named by you, I have no doubt that his membership would be aproved."

Adjustment Assn., Inc., The. Md. 1939.

Adjustment Co. Fla. 1937.

Adjustrite Company, Inc. Incorporated in New York in 1915 and lost its charter in 1929. Mr. Paul Cooksey, an attorney, located at 17 State Street, N. Y. C. and former Secretary and Treasurer of the company informed us on Dec. 23, 1938 that the company started in business just before the war making a patented window shade and was going quite well. When the war commenced the Government took control of a lot of materials which they used in making the shades and consequently halted their business and they could not make their product without them. After a couple of years the company went out of business and the stock became worthless. The company had offices at 516 W 25th St., N. Y. C., 71 Grand Street in 1919 and at 29 Broadway in 1922.

stock for cancelation. Advance-Rumely Corp. and predecessors manufactured farm machinery since civil war days in La Porte, Ind. After a period of lean years its fate really was determined in 1931 when the Allis-Chalmers Manufacturing Co. bought nearly all the assets except certain real estate, stock and the plant at Battle Creek, Mich. The final liquidating payment was forecast in the 1937 annual report and is made possible by the conversion of remaining Advance-Rumely Corp. assets into cash. At the end of 1935 a liquidating dividend of $1. in cash and one half share of Allis-Chalmers stock was paid.

Almours Securities, Inc. Edward Ball, vice-president of Almours Securities, Inc., said today stockholders had voted dissolution of the corporation. The estate of the late Alfred I. duPont is one of the corporation's principal common stock owners. Among subsidiaries of the corporation are the Florida National Building Corporation, Gulf Coast Properties, Inc., and the Panama Beach Development Co. Ball said these subsidiaries as well as the Florida national group of banks, would continue as at present under the same personnel and management. (Dec. 20, 1938.)
Alox Corporation. Value of 8% Preferred and Common Stock. Incorporated in New York and is located at 70 Pine Street, New York City. The company informed us on Dec. 13, 1938, that there have been no sales of their stock for a long time, although the company is in perfectly good shape and expects to see better days ahead. The Balance Sheet as of Nov. 30, 1938, disclosed the following:

Name State Date Charter Forfeited

ASSETS

Cash		$ 4,273.34
Accounts Receivable		12,047.37
Inventory		11,719.83
Buildings, less depreciation		35,972.17
Machinery, less depreciation		19,745.27

Patents		15,520.50
Research and Development		97,761.66
Miscellaneous Receivables		154.68
		$199,026.01

LIABILITIES

Accounts Payable		$ 2,188.39
Loan Payable, Est. of E. Schaefer		4,000.00
Preferred stock		150,000.00
Common stock		85,000.00
Less:		
Deficit—Jan. 1, 1938	$42,315.75	
Profit Eleven Months	153.37	42,162.38(d)
		$199,026.01

(d)—Deficit.

The preferred stock has a book value of about $50. per share after eliminating Patents and Research Development. The earnings however amounted to 10 cents per share on the preferred stock for the 11 months ending Nov. 30, 1938. Under the circumstances I do not believe the preferred stock should be valued at more than its quick asset value of about $7.00 per share and the common at a nominal figure of 10c per share.

Amalgamated Appliance Corp. Incorporated in The State of Washington on Sept. 16, 1919, with principal place of business at Seattle, Wash. The papers were filed at the request of S. A. Keenan, Empire Bldg., Seattle, Wash. The corproation was striken from the records on July 1, 1931, and automatically dissolved July 1, 1934 for non-payment of its annual license fees. It has no legal corporate existence in the State of Washington. The county auditor of King County at Seattle, Wash., may have a list of the last officers elected. Mr. Keenan has been dead for a number of years and his widow knows nothing of the company. We found no value to the stock.

American Austin Car Co., Inc. Incorporated in Delaware on February 25, 1929, and was located at Butler, Pennsylvania. The Balance Sheet of the company for the Year Ending December 31, 1933, showed Total Assets of $1,298,208. against which there were bonds outstanding in the amount of $904,500. and a mortgage of $150,000. The company had a deficit of $3,153,222. and Capital Stock of $2,738,425. Therefore, the stock had no book equity as of December 31, 1933. In August, 1934, it was reported that the company was in process of reorganization. In July, 1935, a Trustee in liquidation was appointed by the Federal Court at Pittsburgh, Pennsylvania. The property was sold in August, 1935, for $219,099. In view of the fact that the company was attempting to reorganize in 1934 at a time when the stock had no book equity, it is our opinion that the stock certainly became worthless that year. The loss could not be brought back to 1933 because the stock was still quoted in 1934. It is also our opinion that no loss would be allowed in 1935.

American Department Stores Corporation. Incorporated in Delaware on November 5, 1926, to own and operate a chain of department stores. The company owned the entire capital stock of American Department Stores Corporation of Pennsylvania and 95% of the capital stock of Brager-Eisenberg, Inc. The company acquired the entire capital stock of the American Dry Goods Company of New York; Jenny Company; Cincinnati, Ohio; Harrison & Dalley, Nyack, New York; Cronin Company, Alpena, Michigan. In 1927 acquired Harnsberegr Company, Inc., of Danville, Virginia; McGibbons-Deming Company, Charleston, West Cirginia; and Brager Company, Baltimore, Maryland. In 1928 the company acquired H. G. Munger & Company, Inc., Herkimer, New York and J. D. Purcel Company, Lexington, Kentucky, and many others. Most of the above assets were sold. On July 17, 1935, the company filed a petition in the United States District Court at Wilmington, Delaware, seeking permission to reorganize under Section 77-B of the Corporate Bankruptcy Act, and as a result Mr. J. Sellers Bancroft of the Wilmington Trust Company was appointed trustee in the proceedings in July, 1935. A plan of reorganization, dated December 12, 1935, was filed in the proceedings by the company which was opposed by the creditors and noteholders' committees and various individual noteholders. It was reported on May 30, 1936, that hearings on the plan were held before William Prickett, as special master appointed by the Court, and briefs submitted, but no opinion was handed down to said date. The Plan dated December 12, 1935, gave the common shareholders rights to purchase one new common share at $2.50 per share for each 10 shares held. These rights were to expire three months after the plan was declared effective. The common stockholders rights remained unchanged in the amended plan filed in September, 1936. In October, 1936, the Court disapproved the amended plan, and in November, 1936, a new plan was filed. This latter plan made no provision for the common stockholders as it was believed that such securities represented no equity in the company's assets. On June 1, 1937, Judge Milds in the United States District Court at Wilmington, Delaware, finally confirmed company's reorganization plan, dated December 12, 1935, as changed and modified under dates of September 14, 1936, and November 10, 1936. In view of the above it is my opinion that the common stock first definitely became worthless in November, 1936, when the amended plan made no provision for the common stockholders.

However, with regard to American Seeding Machine Company preferred stock, it was all duly exchanged by consent of holders for an equivalent amount of the then Oliver convertible participating stock, except as to shares of certain dissenting stockholders, who litigated throughout all the Courts, including the Supreme Court of Ohio, to get part cash and accruals for their shares; and they won. The result of this litigation is that the Ohio Supreme Court made an order upon our Company to sell all the remaining Oliver shares in our treasury, and theretofore held as allocable to exchange with American Seeding Machine Company common shares, for the purpose of paying off the dissenting preferred shareholders under this order. The result of this is that because of such court order there will be no transfer or distribution on account of the outstanding common shares of our Company."

This title was changed on February 24, 1899, to the American Trust Company, which latter company was dissolved by a decree of the Dauphin County Court on December 1, 1909. We received the following letter from the Twelfth Judicial District, Harrisburg, Penna., dated Aug. 19, 1939, and signed by William M. Hargest: "Your letter addressed to the Dauphin County Court is at hand. The records of the Court show that the settlement of the American Trust Company extended from 1909 to 1921. There were three auditor's reports recommending distributions, but it is quite apparent no funds were available to stockholders. The last auditor's report, filed in 1919 shows the total claims in checking accounts of $266,207.99, and the distribution to those accounts of 11.605 per cent., amounting to $30,893.55. A number of those claimants to whom dividends on the checking accounts were awarded could not be located, and on April 14, 1921, the Court directed the receiver to pay into the State Treasury the sum of $3,200.98, representing the unclaimed dividends, with the interest accruing thereon to the date of decree. This finally closed the matter."

Angus Park Woolen Co., Inc. (Conn.) We received the following letter from the company located at Hanover, Conn., dated June 20, 1939, and signed by L. J. Schweizer, Treasurer: **"We have your letter of June 19, referring to the fact that a client of yours holds stock in our company. In view of the fact that we dislike to give out any information other than to stockholders, we would be pleased if you would give us the name of the stockholder whom you represent. For your information we desire to say that no annual statement for the past year's operations has as yet**

been issued, due primarily to the fact that we were awaiting an agreement with the Reconstruction Finance Corporation, changing the amortization schedule on a loan that we are presently indebted to them for. This agreement has now been received and we will in the near future, issue a regular stockholders' report for the year ended Dec. 31, 1938. We desire to say that we are always pleased to render any information that a stockholder may wish and shall be more than pleased to comply with your request if you will let us have the name of the party you represent."

Ashland Corporation. We received the following letter from John J. Shinners, Member of the Protective Committee for the above company, located at Room 1100, 231 S. La Salle St., Chicago, Ill., and dated Feb. 21, 1939. "I have

deferred replying to your inquiry apropos Ashland Corporation bonds hopeful that on or before this date I would have definite information with respect to the status of the corporation. As you know, about a year ago, the corporation filed a voluntary petition in bankruptcy. As yet, however, it has not been discharged as a bankrupt, and I am not in position, therefore, to state what, if any, distribution might be made to bondholders. I do know from the record and assets of the corporation that, if any distribution is made to the leasehold bondholders, it will be an infinitesimal amount. I wish to suggest that if establishing a loss will be of any value to your clients you advise them to take the loss in their 1938 tax returns, as I am sure the record will confirm that the bondholders will suffer substantially a complete loss."

Associated Industrials Corp. Incorporated in Delaware on Dec. 27, 1930, and is located at 19 Dover Green, Dover, Delaware. The President is Robert Edward Henry of Hague, N. Y. Mr. Henry informed us as follows on June 29, 1939: "Kindly pardon delay in replying to your letter of June fifteenth which was forwarded to me in the country. I am enclosing statement of this company as of the first of the year, and would say that the last sale of stock that I know of was made some months ago at $5. a share for the preferred and $1. a share for the common." (Statement of Assets and Liabilities on following page). We received the following letter from Mr. Henry dated July 15, 1939. "We do not understand the purport of your inquiry as to why we happen to have warrants of several companies and not their securities. This however is because in some cases the latter were not purchased and insofar as we are concerned there is not necessarily any relationship between the two. Other securities represent an investment comprising a more or less dominant holding in a mining company which has been held for a number of years and on which it has not been possible to place a definite value as it's sale would of necessity be by negotiation. In the past we have had very satisfactory offers, but results from operations during the past year, with upwards of 100 men working, have not been encouraging. At this time there are negotiations pending, which may prove very beneficial but it is too early to hazard a guess as to the outcome. As to your last inquiry this company enjoyed very satisfactory earnings over a long period of years, and for nearly 20 years paid without interruption 8% on it's preferred stock or approximately 160% on the capital subscribed. During the series of depressions since 1929 the story has, of course, been different. We have been governed by the same conditions that have been so disastrous to most companies in our category." After eliminating the item Good Will of $25,275.80 from the Balance Sheet, the only assets the company seems to have of any realizable value represents the above securities amounting to $15,301.38. The first preferred stock on this basis has a book value of $15.01 per share. There is no value to the common stock according to the above statement.

'Atlantic Public Service Associates, Inc. The stock of this company was exchangeable at one time for stock of Northeastern Utilities Co. Mr. James Woodward of Stone & Webster, Inc., 90 Broad St., N. Y. C., informed us that both companies are out of existence and their shares are worthless. Atlantic Public Service lost its Delaware charter on April 1, 1933. Northeastern Utilities lost its Delaware charter on April 1, 1934. We received the following letter from D. B. Beck & Company, 135 S. La Salle St., Chicago, Ill., signed by C. F. Boake and dated Aug. 9, 1939. "Your inquiry of July 18th addressed to Mr. Woodward has been referred to me for answer. In 1931 the Atlantic Public Utilities, Inc. and subsidiaries, including Atlantic Public Service Associates, Inc., was reorganized into the Northeastern Public Service Company and its parent, the Northeastern Utilities Company. At that time the Preferred Stock of Atlantic Public Service Associates Inc. was exchanged for Class A and Class B Preferred Stock of Northeastern Utilities Co. In 1934 these companies were again reorganized and the stocks of Northeastern Utilities Company became valueless through foreclosure under the Northeastern Public Service Company bonds and reorganization plan."

Auto Oil & Gas Syndicate, Pittsburgh, Penna. The Department of Revenue at Harrisburgh, Penna., has no record of the above company. We searched our oil and gas books from 1919 and found no record of the company. The following letter was received from the Better Business Bureau, Pittsburgh, Pa., dated Aug. 4, 1939: "Reference is made to your inquiry of July 27th on this subject. We have contacted the E. W. Thompson, 5704 Rural Avenue, Pittsburgh, mentioned in your letter, who denies that he is the E. W. Thompson referred to in your records. The party we contacted is listed in the current city directory as a machinist. He stated he received your letter, but because of the fact that he had no knowledge of the subject of your inquiry, he did not bother to reply. Our files contain no reference to the Auto Oil & Gas Syndicate, nor do local directories reveal any trace of this name. We regret our inability to be of more tangible assistance to you in this matter." It is our opinion that certificates issued by this company are without value.

Automatic Instrument Co. Incorporated under the laws of the State of Michigan and is located at 1500 Union Ave. S.E., Grand Rapids, Mich. The names and addresses of the officers as shown in the 1938 report are as follows: President, E. E. Rullman, 201 N. Wells St., Chicago, Ill.; Vice-President, S. S. Clark, 1500 Union Ave. S.E., Grand Rapids; Vice-President, L. J. Andres, 201 N. Wells St., Chicago, Ill.; Treasurer, M. B. Cavanagh, 1500 Union Ave. S.E., Grand Rapids. The directors shown in the 1938 report were as follows: The above and L. H. Martin, La Crosse, Wisconsin; A. R. Gillies, Grand Ledge, Mich.; E. C. Steffens, Chicago, Ill.; J. F. Fraser, Minneapolis, Minn.; H. W. Curtis, Grand Rapids, Mich.; R. W. Mills, Springfield, Ohio.

Automatic Machine Company (Conn.). We received the following letter from the Automatic Machinery Manufacturing Corporation, Bridgeport, Conn., dated June 20, 1939, and signed by George L. Sexton, President. "Replying to your letter of June 19th, with reference to preferred and common stock of the Automatic Machine Company, Bridgeport, Connecticut. Please be advised that The Automatic Machine Company filed a petition in the United States District Court under Section 77B of the Bankruptcy Act, in December 1937. In the course of the foregoing proceedings the preferred and common stock was found to have no value. The general creditors were paid ten cents on the dollar."

Automatic Musical Instrument Company. Incorporated under the laws of the State of Delaware on November 9, 1925 and is no longer in existence having become inoperative and void April 1, 1933, and proclaimed by the Governor January 1934 for non-payment of taxes. Certificate of Incorporation was filed by The Corporation Trust Company, 100 W. 10th St., Wilmington, Del. The last annual report filed for the year 1931 showed offices at 1500 Union Avenue S.E., Grand Rapids, Michigan, and the following named officers and directors: President, W. Ioor, Grand Rapids, Mich.; Vice-President, Jos. Renihan, Grand Rapids, Mich.; Vice-President, E. M. Treusch, Grand Rapids, Mich.; Secretary, S. D. Thompson, Grand Rapids, Mich.; Treasurer, S. D. Thompson, Grand Rapids, Mich.; Assistant Secretary, G. H. Knoll, Grand Rapids, Mich.; Assistant Treasurer, G. H. Knoll, Grand Rapids, Mich.; Assistant Treasurer, B. Cavanagh, Grand Rapids, Mich. Directors, same as above; and R. Durnbaugh, Grand Rapids, Mich.; S. L. Harding, Grand Rapids, Mich.; L. H. Martin, La Crosse, Wis.; W. W. Boa, Grand Rapids, Mich.; Edgar W. Moon, Los Angeles, Calif. According to the Order of Court dated Dec. 20, 1932, stockholders who contributed 60c, 40c and 20c per share to the Fund before the above date receiped Options to purchase new preferred stock up to March 1, 1936, and in addition received common stock of the new company according to their holdings. Stockholders who did not contribute to the Fund before Dec. 20, 1932, as stated above, were given options to purchase new preferred stock up to March 1, 1936, at various prices. These stockholders who exercised their options did not get common stock, as they failed to contribute before Dec. 20, 1932. Therefore, as the Options expired on March 1, 1936, the unexercised options first became worthless on that date. We received the following letter from the Automatic Instrument Company, 201 North Wells Bldg., Chicago, Ill., signed by T. C. Fredrich, Auditor, and dated April 26, 1939. "Replying to your letter of April 24, addressed to our Grand Rapids office, beg to advise that we have no extra copies of the Court Order of December 20, 1932, but we quote from the Order that was entered as of that date, which I believed covers the information which you desire, as follows: "(b) That Paragraph 2A of the Order of Oct. 1, 1932, Amended to read as follows: Each stockholder of Automatic Musical Instrument Company who has heretofore contributed or who shall contribute shall receive Preferred Stock on the following basis: 1. For each $10.00 that has been, or will be, contributed up to March 1, 1933, one share of $20.00 par value Preferred Stock. 2. For each $15.00 contributed after March 1, 1933, but before May 1, 1933, one share of $20.00 par value Preferred Stock. 3. For each $20.00 contributed after May 1, 1933, but before July 1, 1933, one share of $20.00 par value Preferred Stock. 4. For each $20.00 contributed plus 2 per cent of $20.00 each month after July 1, 1933, but before March 1, 1936, one share of $20.00 per value Preferred Stock. In addition to the Preferred Stock all stockholders who have heretofore contributed 60¢ per share on Preference Participating Stock, 40¢ per share on Class A stock, and 20¢ per share on Class B stock of the Automatic Musical Instrument Company shall also receive shares of common stock in the New Company in exchange for proof of ownership of stock in the Old Corporation on the following basis, subject to equitable adjustment of fractional shares: For each 10 shares P. P. Stock, one share common stock; for each 30 shares "A" Stock, one share common stock; for each 60 shares "B" Stock, one share common stock. Grand Rapids Trust Company, Receiver herein, is hereby directed to give notice in writing to each stockholder of the defendant, Automatic Musical Instrument Company, on or before December 31, 1932, by mailing notice to each of said stockholders at their last known addresses, of their respective rights to contribute to the New Corporation and come into and share with the other stockholders of the Automatic Musical Instrument Company in the property and assets purchased and in the shares of stock issued in respect thereto and to file proof of the giving of such notice in this Court and cause." From this you will note that all stockholders had an opportunity to participate in the reorganization up to March 1, 1936, and any stockholders that did not protect their holdings in the old company on the basis as set forth above lost all right and title to their interest on March 1, 1936, therefore, the amount of the investment became a loss as of March 1, 1936.

From time to time we receive inquiries concerning a "Baltimore Company" or "The Baltimore Company," which appear to be addressed to us as a result of a note in reference to a corporation with the first named designations, on page 214 of Volume IV of your Manual of Extinct or Obsolete Companies. The statement therein made that the address of the "Baltimore Company" in care of this Company is in error. We formerly had a wholly owned subsidiary designated "The Baltimore Company of Baltimore City" but this latter corporation was dissolved in 1928 (six years prior to the publication of your Volume IV) and further, none of the stock of The Baltimore Company of Baltimore City was ever outstanding in the hands of the public.

Bank of the United States. Value of £ 1,000 Bond Dated June 7, 1838, due June 7, 1848. We received the following letter from the Treasurer's Office, City of Philadelphia, Penna., signed by W. C. Harris, Assistant Treasurer, and dated August 4, 1938. "Your letter of August 2nd addressed to the Court of Common Pleas of Philadelphia County was referred to this office. The bond you refer to should have considerable value as a curiosity. According to my information the charter of the Second Bank of the United States terminated in 1836, two years before the date which you state appears on the bond. The bank was liquidated and certain remaining assets were acquired by a Pennsylvania State Bank. This bank, some time after 1864, became a National Bank and a few years ago was one of a number of banks which consolidated to form the present Philadelphia National Bank. The Philadelphia National Bank is, therefore a lineal descendant of the Second Bank of the United States. You might address an inquiry to them to see whether they can give you any further information concerning the bond you refer to." We received the following letter from the Philadelphia National Bank, Phila., Pa., signed by D. C. Vollrath, Investment Advisory Department and dated August 9th, 1938. "We are pleased to reply to your letter of August 5 concerning the possible value of a bond for £ 1,000 of The Bank of the United States, dated June 7, 1838 at Philadelphia and due June 7, 1848, signed by Nicholas Biddle as President. One of the institutions merged to from this bank did succeed, in an historical sense, to the First Bank of the United States, but there is no lineal connection between us and the Second Bank of the United States, from which the State Bank of the United States sprang in 1836, although a hundred years or so ago we were next door neighbors. Consequently, we can only tell you what we find in our history books. Your publication, the Marvyn Scudder Manual of Extinct or Obsolete Companies, gives a full description of the events leading up to the formation of the State Bank of the United States. During the Panic of 1837 the bank issued $5,000,000 of bonds payable in London, and we infer that the bond you mention was part of that issue. The bank paid semi-annual dividends at the rate of 8% per annum to July 1839, but, in common with the other banks of the country, had to suspend specie payments at different times, and in 1841 a committee of stockholders reported the capital impaired by $2,000,000 through depreciation in assets and the uncollectibility of amounts due from State banks and other causes. Foreign exchange had been steadily unfavorable, and for years foreign loans had been piled up by bank, chiefly due in England and France. When these fell due they could not be paid, and assets had to be hypothecated for them. The bank made an assignment on September 4, 1841, and at that time liabilities in Europe amounting to $15,800,000 were to be provided for by collateral of an estimated value of $24,700,000. The process of liquidation ran along for fifteen years. In 1849 the stockholders voted to apply to the State Legislature for an act to wind up the bank's affairs, and appointed five trustees in liquidation, to whom a general assignment was made. In 1843 there was a quotation of the stock @ 1⅞. In December 1851 sales occurred @ from 1 to 2. February 3, 1855 the Legislature passed an act to "close finally the trusts of the late Bank of the United States." In the Report of the Comptroller of the Currency for 1911, page 811, it is said that the affairs of the bank were finally liquidated in 1856 and resulted in the payment in full, interest and principal, of liabilities to depositors and noteholders; the shareholders, however, receiving nothing. The New York Journal of Commerce and Commercial Bulletin in 1896 published A History of Banking in All Nations, which in Vol. I, page 363, had the following to say of the State Bank of United States: 'The president and directors had been trying for years to get the foreign bondholders to accept the collateral and divide it among themselves in settlement. As the State bonds increased in value, they became more willing to do this, and a distribution was reached in 1853. The State bonds mentioned were probably $6,000,000 worth of 4% bonds due in 1868 which the bank had had to take from the State as one of the conditions of its charter. This history further says: 'It appears that the notes and deposits were all paid, whether with interest or not is uncertain. Private inquiries make it seem probably that the other domestic creditors got about eighty per cent. The stockholders got nothing.' We are sorry that we cannot answer you more definitely as to the present value of the bond, but from the information we have given it would seem doubtful that funds are held anywhere at this late day awaiting the presentation of this obligation. It looks as if it might as well be filed away merely as a historical relic. In the proceedings of the National Monetary Commission, published in many volumes about thirty years ago, we believe there was a section written by a Dr. Dewey on the History of the Second Bank of the United States. You may have access to this, and it might throw some further light on the subject if you want to pursue the matter. Trusting that the foregoing sketch may be of some assistance to you, we are." We received the following letter from the Department of Banking, Harrisburg, Penna., signed by Mr. Wm. R. Saussaman, Examiner, dated July 27, 1938. "We acknowledge receipt of your inquiry of July 20, concerning the Bank of United States. We wish to advise that a search of our records discloses that in the session of Legislature of 1841 Act No. 117 sets forth the manner in which the corporate powers of the above mentioned corporation shall cease and deter-

mine after the assignment referred to therein shall have been executed. This act further provides that the Courts shall have jurisdiction of the affairs thereof. In the Legislative Session of 1855 Act No. 11 titled "To Close Finally The Trusts of the Late Bank of the United States' provides for the Trustees to file their final account in the Court of Common Pleas and to be discharged from liability. For further information on this corporation we suggest that you contact the Escheat Bureau of this Commonwealth or have a search made of the records of the Philadelphia Court of Common Pleas." We received the following letter from the Board of Trade, Companies Department, 4, Central Buildings, Matthew Parker Street, London, S.W.L., England, No. 9208/38, dated September 2, 1938 and signed by W. S. Rainbow. "With reference to your letter of the 15th August, I am directed by the Comptroller of the Companies Department to say that so far as can be ascertained The Bank of the United States did not carry on business in this country, and the department have no information whether any value attaches to the bond held by your client. It is understood that the Bank carried on business in the United States and failed in or about the year 1840."

Assuming that the bonds in question are First Mortgage 8% Sinking Fund Gold Bonds of Bateman and Companies, Inc., issued under the above Mortgage, we advise that funds were deposited with The Equitable Trust Company of New York, Trustee under the said Mortgage, to make a first distribution at the rate of $.3029318 per dollar of principal amount of said bonds, which funds represented a pro rata distribution of the proceeds of mortgaged properties. All of the funds of this first distribution have been dispersed. We advise that we hold funds to make a payment on said bonds at the rate of $.247 per dollar of principal amount which payment is made upon presentation to us for appropriate endorsement of the bonds with the March 18, 1922 and subsequent coupons attached. This second and final distribution represents the pro rata distributive share due thereon out of moneys received by The Equitable Trust Company of New York, Trustee under the above Mortgage, as a final dividend paid by the Receivers of Bateman and Companies, Inc., in the receivership cause in the Court of Chancery of Delaware.

Bear River Valley Land Company. Value of Stock on which $28. per share was paid on Oct. 1, 1906, from sale of properties, and $2. per share on April 4, 1908. Incorporated in Maine and was located at Waterville, Me. The charter of the company was revoked on April 5, 1910, for failure to pay two years taxes. That would mean that the company ceased to exist in 1908 when the last payment of $2. per share was made. Any unclaimed funds would be placed in the Supreme Judicial and Superior Courts at Augusta, Me. This court holds no funds for this company. The shares in our opinion have no value.

Belmont Holding Company. Incorporated in Delaware and is located at 70 Pine St., New York City, in care of Robert T. Norment, President of the company. Mr. Norment informed us on Nov. 22, 1938, that the principal assets of the Belmont Holding Co. consist of stock of the Belmont Brewing Corp. which is under 77B. Mr. Norment stated that if anything is realized in the liquidation the preferred stockholders of the Belmont Holding Co. will not be paid in full, leaving no equity for the common stock, which he states is absolutely worthless. Delaware charter forfeited Jan. 1940.

We addressed a letter to the company at the last address and received the following letter from Herman Goldman, an attorney, located at 120 Broadway, New York City, dated Jan. 11, 1939. "Your letter of January 5th addressed to the above named company inquiring as to the status thereof and the value of its stock, has been referred to me. Due to a foreclosure several years ago, as a result of which the property owned and leased by the corporation was acquired by the mortgagees, I am of the opinion that the stock of the corporation has no value. Since the said foreclosure, the company has engaged in no activities whatsoever and is now dormant."

We received the following letter from Ray M. Stanley of Stanley & Gidley, Marine Trust Bldg., Buffalo, N. Y., dated Jan. 17, 1939: "I acknowledge receipt of your letter of January 16, making inquiry as to the value of stock in the above corporation. As I recall this corporation was organized something more than ten years ago. Upon its organization it acquired a large quantity of real estate, vacant and improved. The head of the corporation was a real estate dealer. It also acquired, as I recall, various second mortgages on properties. At the time the corporation was organized I did some legal work for the organization. Following the crash the properties, as far as I know, went one by one by foreclosures and by having the second mortgages cut off by foreclosures. I have had no definite knowledge of the corporation in recent years. I believe however, it is entirely accurate to say that the stock is valueless. I do not believe that the corporation has done any business for the last five or six years."

Black Magic Oil Company. Incorporated in Montana on March 20, 1922, and was located at Great Falls, Montana. The company incorporated for a period of 40 years and although the company may pass out of existence the charter will not be forfeited until 1962. The company has failed to file reports since its inception and would therefore believe that the company ceased to exist many years ago. We searched our oil books back to 1922 and found no record of this company. The shares in our opinion are worthless. Block Island Land & Development Co. (R. I.). We received the following letter from Henry S. Cowins, 72 Courtland St., N. Y. C., and dated Aug. 19, 1938. "I am in receipt of a letter from you, dated Aug. 17, addressed to the Port Morris Land & Imporvement Co. concerning stock of the Block Island Land & Improvement Co. The Port Morris Co. has no connection with Block Island Co., nor any of its affairs. That some persons had a few shares of both companies may have caused people to believe that the companies were connected in some way. I regret to say that the Block Island Co. is a dead duck, out of business for several years, and struck off the list of corporations for non-payment of State taxes. Most of the stockholders abandoned the company many years ago, and would not make further advances to carry it on. Attempts to sell the land were not successful, and it was finally lost by sale for local taxes. That meant the end, as the company had no other assets. The company went out of business,—stock worthless."

Bond & Mortgage Guarantee Co. Value of Capital Stock and Liquidation Receipt for Stock. Incorporated in New York on June 9, 1902. We received the following letter from the State of New York Insurance Department, Liquidation Bureau, 141 Broadway, New York City, dated June 23, 1939 and signed by Russell Marston, Special Deputy Supt. "Your letter of the 19th addressed to the State Superintendent of Banks, Albany, N. Y., has been referred to me for reply. The Bond and Mortgage Guarantee Company is in liquidation, Louis H. Pink, Superintendent of Insurance of the State of New York, being its Liquidator. Endeavor was made to rehabilitate the Company, but the Superintendent of Insurance feeling that the Company could not be rehabilitated applied to the Supreme Court of the State of New York for an order of Liquidation in June 1937. This order was granted as of December 31, 1937. It is believed that allowable claims will far exceed in amount the assets the Company has with which to pay them. The Internal Revenue Division of the Treasury Department permitted a write-off of the stock for income tax purposes during the year 1937. We know of no market for the stock at the present time." It is our opinion that the above certificates have no value.

Bonner-Charter Corporation. Incorporated in Delaware on May 19, 1926, and according to our records is located at 11 Park Place, New York City. We received the following letter from the company dated June 13, 1938 and signed by M. R. Geary. "Answering your letter of the 9th of June, we would advise that all work connected with the motor has been discontinued, and those previously financing the company have no intention of proceeding further. The common stock is considered worthless since the company's assets consist principally of its patents and there is a very large amount of preferred stock outstanding. The preferred stock also is considered to be of little or no value."

Bono Incorporated. Incorporated in Delaware on July 24, 1924, and filed its last report in 1925. The company lost its chapter in 1927. Mr. James Imbrie was President of the company. Mr. Harry P. Young, who took care of the personal affairs of Mr. William M. Greve, a former director of the company, informed us on March 26, 1940, that he cannot recall this company and is sure that Mr. Greve did not make any money out of the venture. We found no value to the stock and therefore believe the shares are worthless.

This was a venture in which my partner and I and a number of friends were interested and we carried it through to the point of drilling a well which turned out to have no oil. The Syndicate was disbanded immediately, leaving a few debts which my partner and I cleared up rather than ask the Syndicate holders to share. The units held by your client are of no value."

Brand's Restaurant Control Corporation. Incorporated in Delaware on October 18, 1919, and is located at 9 Colt Street, Paterson, New Jersey. A letter addressed to the company was answered by H. Russell Brand, Inc., 1860 Broadway, New York City, as follows: "In answer to your letter of December 29th, concerning Brand's Restaurant Control Corporation, we wish to advise you that this company applied for reorganization under Chapter X of the Chandler Act, and the matter is now pending before Judge Murray Hulbert. The affairs of the corporation are very complicated, and until the attorneys for the various creditors and security holders can agree on some plan nothing very definite can be said of the value of the shares of the corporation stock. Within the next two or three months, if the company is successfully reorganized there may be a market, but at the present time we do not know of any way of disposing of these shares." Upon receipt of the letter from H. Russell Brand, Inc., I called them on the telephone and was informed that 4 Brands Restaurant Control Corporation is the same as the above company. They further confirmed this when I mentioned the certificate No. 4283 for $25. par Class "A" stock dated May 17, 1928.

Brewster Color Pictures Corp. Incorporated in Delaware and is located at Dover, Del. According to our records Mr. P. D. Brewster tried to purchase all of the stock or controlling stock of the company in his offer of April 8, 1937, for $15. per share for the preferred and $1.00 per share for the common. This plan having been unsuccessful, the company on May 26, 1939, attempted to get the stockholders to agree to join with the Brewster Color Film Corp. and the Spectro-Photo, Inc., both New Jersey Corporations, on the following basis: a new company is to be formed and its capital stock would be distributed to the three companies on the following basis: Spectro-Photo, Inc., 75 credits; Brewster Color Film Corp., 17½ credits; Brewster Color Pictures Corp., 17½ credits; Expenses, 10 credits. The company does not tell the stockholders anything about the financial status of these companies but asks them to agree blindly to something they know nothing about. According to a letter we hold from the Brewster Color Film Corp., dated Sept. 8, 1930, signed by P. D. Brewster, the "Brewster Color Pictures Corp. is now a patent holding corporation and will this year receive royalties on film manufactured under their patents. In the writer's opinion, dividends will be paid on the preferred stock." We have written the company and called Mr. Arthur J. McBride on the telephone and cannot get any information regarding the company. Under the circumstances we suggest your ascertaining whether the other corporations have any assets at all and what royalties have been received to date. British American Drug Co., Ltd. Toronto, February 5, 1940. Re: British American Drug Company, Ltd. Your letter of the 1st instant addressed to Secretary of State has been forwarded to this Department for attention. In reply thereto, we beg to advise that a search of our records discloses the above company was incorporated under the provisions of The Ontario Companies Act by Letters Patent dated August 3rd, 1920. This company has not made formal surrender of its charter, neither has it filed any annual returns with this Department since the return as of Dec. 31, 1929, and we received notice that the company made an assignment under The Bankruptcy Act on July 29, 1938, and Mr. J. C. Sloat, Welland, Ont., was appointed Trustee. For your information I enclose copy of a letter which we received from Mr. Sloat, dated June 9, 1939. Yours truly, F. V. Johns, Assistant Provincial Secretary, per E. M. Rice. J. C. Sloat, Licensed Trustee, Welland Collection Agency, Welland, Ontario, June 9, 1939, Assistant Provincial Secretary's Office, Welland, Ontario, Canada. Dear Sirs: Re: British American Drug Company, Ltd. I wish to acknowledge receipt of your letter of June 8, and answering same would advise you that the above mentioned company made an assignment on July 29, 1933, notices and dividend sheets were sent to all creditors on Nov. 6, 1933, and I received my discharge on Feb. 13, 1934. There was no dividend declared as the assets were not enough to cover costs. Hoping this is the information you require, I remain, Yours truly, J. C. Sloat, Trustee of Bankruptcy.

Brooklyn Fox Corporation. Value of $1,000. 3% Income Bond due 1957 and V. T. C. for 20 Shares of Capital Stock, Par Value $1.00. In the reorganization one share of stock was

given with each $50. bond. Each $100. bond is therefore quoted with two shares of stock attached. These bonds with stock were quoted flat by brokers about the date of death at 7½ bid, 8½ asked. Therefore, I submit 8 flat, or $80. as a fair value for a $1,000. bond with 20 shares of stock attached, as of May 28, 1939, the date of death.

Brooklyn New York Consumers Gas Co. There is no record of a corporation by the above name incorporated in the State of New York. Will you kindly inform us the state of incorporation and date of certificate.

Brooklyn Oil Company. We received the following letter from R. Freeman Duggan, 601 S. Akard St., Dallas, Texas, dated Dec. 19, 1938: "Replying to your letter of the 10th. The Brooklyn Oil Compnay was dissolved in 1937. Proper notice was sent to all stockholders on March 8, 1937, as per enclosed. All stock was accounted for, and a small liquidating dividend paid, therefore your client must have overlooked the matter. If you will advise me the name of your client I may be able to give you further information. To all stockholders of the Brooklyn Oil Co.: You will find enclosed a notice of a Stockholder's Meeting, called for the purpose of authorizing the dissolution of the Brooklyn Oil Co. The last drilling operations of the company as you know were unsuccessful, and left the Company some $20,000 in debt. In order to complete the operations, it was necessary for Igoe Bros., our principal stockholders, and the writer, to personally loan funds to the company. Mr. Peter Igoe advanced approximately $5,000 in cash, and to secure him, there was transferred to him, the Garza Royalty, which had some value at that time. Later the Garza Royalty became more valuable and it was reconveyed to the company by Mr. Igoe and sold to pay the balance of the debts, which were liquidated in full. During the past two years, dry holes have been drilled in the vicinity of each lease and royalty owned by the company in Webb, Zapata, Duval and Jim Hogg Counties, as a result of which there is no reasonable basis for assuming that there will be any further development that might make these properties valuable at any time in the near future. It is, of course, impossible to operate any corporation without some expense and taxes do accrue very regularly. You will find attached a complete statement of the holdings of the company as they now stand on our books, together with my opinion of their value. There are a total of 1,384 shares of Preferred Stock of the company outstanding, of which Igoe Bros. and the writer owns 1,150 shares. As you know, the Common Stock carries the voting privilege. There are a total of 6,628 shares of common stock outstanding of which Igoe Bros. and the writer own 6,082 shares. After you have had time to go over all of the above information, and the enclosed statement, you will probably agree with me, that it will be wisest to dissolve the corporation and stop the expense. We have the choice of either of two routes: First, if all stockholders are agreed that the plan to dissolve is best, and will turn in their stock, the only remaining property of any value (The Ward County Royalty) can be sold, and after the expenses of dissolution are paid, the net returns can be distributed. I estimate that this will probably yield about 15¢ per share to the preferred stockholders. Should all of the stock be turned in, that will be by far the simpliest and least expensive method of dissolution. Second, the meeting referred to on the attached notice may be held, and agreement reached at that meeting as to just what is to be done. My preference, of course, as a matter of expediency and simplicity of handling, is that you may see fit to turn in your stock. In order to accomplish this in the shortest possible length of time, Mr. Igoe and I will agree to pay 25¢ per share for the preferred stock, when it is accompanied by the common stock providing all stock is sent in from all stockholders. I shall be glad to answer any questions you may care to ask, or to give any additional information you may want about the company or its holdings. I will appreciate your prompt action, since I should like to complete the dissolution prior to the time the franchise tax for 1927 must be paid, which is May 1st."

Browne-Morse Company. We received the following letter from the Hackley Union National Bank of Muskegon, Michigan, dated July 11, 1938, and signed by Mr. R. F. Lingelbach, Trust Officer. "As trustee for the Browne-Morse Company 7% first mortgage real estate gold bonds due October 15, 1936, may we advise you that this entire issue has been paid off under a refinancing by the Reconstruction Finance Corp. Bond No. C-30 representing $100.00 par value is the only remaining bond outstanding. The proceeds of the payment of this bond have been deposited with the United States District Court, Grand Rapids, Mich., in accordance with an order of said Court under 77b proceedings. Interest on this bond in the sum of $36.18 is also deposited with the Court. The last information we had regarding the holder of this bond is that the Bank of the Manhattan Company presented a coupon under their collection item No. 152946 in 1931. This was during the period of reorganization of the issue and the coupon was not paid but returned. We have written the Bank of the Manhattan Company several times to inquire as to the individual or corporation presenting the coupon to them for collection but failed to receive any information. It is very possible one of your representatives can personally get the information from the Bank of the Manhattan Company that we have failed to get by letter. At any rate we give you the above information for compilation of your list of unclaimed funds."

Brunswick & Albany Railroad. Value of 6% Bonds due 1909. The Atlantic Coast Line Railroad Company located at 71 Broadway, New York City, informed us as follows on Nov. 4, 1938: "Your letter of October 28th, 1938, addressed to Atlantic Coast Line Railroad, Richmond, Va., making inquiry as to value of 6% bonds due 1909 of the Brunswick & Albany Railroad has been referred to me. My records show that the Brunswick & Albany Railroad Co. defaulted on the payment of interest due April 1, 1872, on its bonds, and that all of the property of said Company was sold under foreslosure proceedings October 15, 1873. When the Atlantic Coast Line Railroad Co. acquired the property in 1902 it was free from any lien except that covered by the First Mortgage, dated December 12, 1887, of the Brunswick & Western Railroad Co. to the Metropolitan Trust Co. of New York, Trustee. I am advised that the bonds and coupons of the Brunswick & Albany Railroad Co. have no value."

Buffalo and Erie Railway Co., Inc. We received the following letter from the Public Service Commission, Albany, N. Y., dated Aug. 17, 1939, and signed by Francis E. Roberts, Secretary: "You are advised that by an order of the Supreme Court of the State of New York made June 8, 1928, George MacLeod was appointed receiver for the Buffalo & Erie Railway Company. A petition having been received by the Commission from George MacLeod, as Receiver of the property of Buffalo & Erie Railway Company and by the company for approval of a declaration of abandonment of practically its entire line, a public hearing, after due notice, having been held on June 23, 1933, the Commission by its order dated June 28, 1933, approved of the said declaration of abandonment. Service on the Buffalo and Erie trolley line, except for three miles between Dunkirk and Fredonia, was actually and completely discontinued in the early part of February, 1933, when the Buffalo and Erie Coach Corp. put its buses in operation over the entire trolley route. The Buffalo & Erie Railway Company ceased reporting to the Commission with its annual report for the year ended Dec. 31, 1934. That report showed as issued and outstanding Common capital stock in the amount of $750,000. Preferred Stock of $700,500 and a deficit of $911,605.44. First mortgage bonds in the amount of $911,300 were also outstanding at that date." The shares in our opinion have no value.

Building Materials Corporation. Incorporated in Delaware on May 15, 1924, and went into receiver's hands in October, 1927. The company lost its charter on April 1, 1928. President, W. H. Wyman, deceased, North Abington, Mass.; Treasurer, H. W. Pickham; Directors, Edward Barr, Rufus W. Pickham; Trustees of Bonds, Baltimore Trust Company, Baltimore, Md. Mrs. Wyman informed us that Mr. Wyman invested a lot of money in the company but lost everything through receivership. Mr. T. C. McAdams, formerly Vice-President of the above company, and who was located at 60 E. 42nd St., New York City, informed us that the entire property back of the bonds was sold under foreclosure two years ago subject to underlying liens, and was bid in at a price less than sufficient to settle legal fees and expenses. Under these circumstances there was nothing dsitributable to the holders of such bonds and they have no value.

Burgemeister Brewing Company. We received the following letter from Wm. R. Stuart & Company, 135 S. La Salle Street, Chicago, Ill., dated Feb. 9, 1939: "Your letter of February 3rd addressed to the Warsaw Brewing Corporation, Warsaw, Illinois, has been referred to us. At the time the Federal District Court authorized the sale of the unexchanged Burgemeister Brewing Company stock, the price named in such authorization was 50 cents per share, and the stock was sold at this price. The Court further authorized the following deductions: Tax, \$.04; expenses of depositary, \$.06; depositary fee, \$.20; total, \$.30. This leaves a balance of 20 cents per share available to stockholders who did not exchange their stock within the time limit which was sometime during March, 1936. Therefore, upon the surrender of the certificate for 200 shares of Brugemeister Brewing Company stock held by the Boswell Estate, together with the proper certificates showing authorization of the proper indorsement of the certificate, there will be available the sum of 20 cents per share. If you will forward the certificate with the proper papers attached to us, we will be glad to remit at the rate of 20 cents per share."

"Your letter of Nov. 3, addressed to The E. T. Burrowes Company is at hand. I do not believe there is any value to the stock of The E. T. Burrowes Company, which as far as the writer knows, passed out of existence about 1930. It was succeeded by The E. T. Burrowes Co., Inc., at which time a settlement of 52c on the dollar was given to the trade creditors and I believe the stockholders received nothing. If there is any further information which you may require we will be pleased to try to locate it for you, but to the best of the writer's knowledge and belief at this time, that concern was entirely liquidated and has passed out of existence."

Buzzard Springs Oil & Gas Company. Incorporated in Texas on Nov. 10, 1909, and forfeited its right to do business on July 2, 1911. Mr. A. C. McNabb, a former officer of the company, located at Dallas, Texas, in care of the Magnolia Petroleum Company, informed us on Sept. 13, 1938, that this company ceased business during its first year of operation. There was one well drilled to a depth of approximately 1800 feet, with no trace of oil showing. Therefore, the stock is without value.

California Natural Gas & Development Co. Incorporated in California on March 12, 1919, and was suspended on Dec. 2, 1935. Property: 6,588 acres, Tulare County, Calif. We received the following letter from Hadsell, Sweet, Ingalls & Lam, Financial Center Bldg., San Francisco, Cal., dated March 18, 1940: ". . . You inquire as to the value of the stock of California Natural Gas & Development Company. Your letter came to us as we were the former attorneys of that company. This company went out of business about 1932 or 1933. The property was foreclosed. Hence the stock ceased to have any value from and after that date. In fact, it did not have much value for some years prior thereto.

California Oil & Gas Co. Reported in Vol. IV as a California corporation. It is a Maine Corporation licensed to do business in California, and whose charter was forfeited in California on March 3, 1928.

California Petroleum Corp. Dissolved Sept. 9, 1938, and its assets were acquired by The Texas Corporation. A liquidating dividend was paid to the minority stockholders.

Caltex Oil Company. Incorporated in Nevada and lost its charter in 1933. President, Wm. A. Read, 8 Connaught Place, London, England; Secretary, James Dalglish, 875 W. 181st St., N. Y. C. According to the "Stock Exchange Official Intelligence" dated 1938, published in England, the company is located at Tulsa, Okla., and owns all the stock of the Anglo-Texas Oil Co. (Del.) now defunct, and controls the Cia de Petroleo Caltex, S. A., which owns some leases in Mexico. The company paid a dividend of 4½d in Dec. 1924—none since then. According to our records the Anglo-Texas Oil Co. is out of business and its stock is worthless. Mr. Dalglish informed us that the company has been out of business for 12 years. Letters addressed to the company at Tulsa, Okla., were returned marked "unclaimed." It is our opinion that the stock has no value.

Carthage Paper Makers, Inc. Incorporated in N. Y. on Oct. 24, 1932, located at West Carthage, N. Y. No record of dissolution June 1, 1939. We received the following letter from the Carthage Paper Makers, Inc., Carthage, N. Y., W. C. Hirschey, President, dated May 26, 1939. "Reference is made to your letter of the 23rd inquiring as to the status of the stock of the Carthage Pulp & Board Co., Inc. We beg to advise that this company has no connection with what was the Carthage Pulp & Board Co. About five years ago the property of the Carthage Pulp and Board was foreclosed to secure payment of the outstanding bonds and as a result any outstanding stock was of course worthless. Any information may be secured from Stroud & Co., Philadelphia, Pa., largest owners of the Bonds.
Carthage Pulp & Board Co., Inc. Incorporated in New York on July 12, 1926, and was located at Carthage, New York. The corporation was dissolved on December 15, 1938. We found no value to the stock and therefore believe the shares are worthless. See Carthage Paper Makers, Inc.

Charleston Traction Company. We received the following letter from Mr. Howard R. Klostermeyer of the firm of Price, Smith & Spilman, attorneys, Kanawha Bank & Trust Bldg., Charleston, W. Va., dated Nov. 29, 1938. "So far as I know, there are no funds or property available for payment of any bonds of the Charleston Traction Co., now outstanding. While I am not thoroughly familiar with the history of this company, I have made a preliminary investigation and I find no record in the Court House of any mortgage securing any Charleston Traction Company 5% bonds. It seems there was a Charleston Traction Company incorporated on Sept. 17, 1897, but the records in the Secretary of State's office show that this corporation expired, and on April 11, 1912, the name was given to another corporation. The later Charleston Traction Co. was dissolved March 21, 1915. In May and June, 1912, the Charleston Traction Co. issued some 6% bonds secured by mortgages upon the properties of that company, both of which mortgages have been released of record. As heretofore stated, I find no record of any mortgage given by the Charleston Traction Co. prior to May 25, 1912, securing any First Mortgage 5% bonds. In any event, in the recent reorganization and liquidation of the three companies operating the street car system in this city and valley, i.e., the Kanawha Valley Traction Co., the Charleston-Dunbar Traction Co, and the Charleston Interurban Railroad Company, no mention is made of any Charleston Traction Company bonds. On January 11, 1935, the properties of the three companies named above were sold to the present Charleston Transit Company, pursuant to the decree of the Circuit Court of Kanawha County, West Virginia. If there is any further information you desire, I wil be glad to supply it if possible."

Chicago-Dayton Land Company. Fla. 1937.

Chicago & Eastern Illinois Railway Company. Incorporated in Illinois on December 13, 1920. On April 18, 1933, the United States District Court at Chicago, approved the company's petition for right to effect a plan of reorganization pursuant to Section 77 of the Federal Bankruptcy Act. On September 14, 1935, the company filed a plan of reorganization. This plan provided for the issuance of $15,354,500. of 5% Income bonds to retire the $30,709,000. of General Mortgage 5% bonds due 1951. The interest on the General Mortgage bonds would be satisfied by issuance of new common stock on the basis of one share of common stock for each $25. of such interest. Finally, on February 13, 1937, a plan of reorganization was filed, which had the support of all interested parties. This plan provided for 50% of the par value of the General Mortgage bonds in new 5% Conv. Income bonds, 50% of the par value in $40. par 5% preferred stock, and 1¾ shares of no par common stock for each $1,000. bond. The I. C. C. examiner recommended the acceptance of the latter plan with the exception that the General Mortgage bondholders should receive 4 shares of common stock. Under this plan the Annual Fixed Charges would amount to $505,000. and the Annual Income $690,000. Rather than take the company's figure of $690,000. as the lowest annual income of the company, I have taken the average income available for fixed charges for the period 1933 through 1937 as follows:

	Income Available for Fixed Charges	Times Earned
1937	$1,557,890.	.69%
1936	1,913,408.	.85
1935	791,497.	.35
1934	784,221.	.34
1923	341,447.	.14
Average	$1,077,692.	.47%

I have taken the average balance available for fixed charges for the period 1933 through 1937 of $1,077,692. from which I have taken the proposed fixed charges of $505,000., leaving a balance of $572,692. available for interest on the $15,354,500. of 5% Income bonds whose annual interest charges would amount to $767,725. On this basis the interest charges of the Income bonds on the basis of a five year income record would be earned .74%. In 1937 when the General Mortgage 5% bonds due 1951 earned .69% of its fixed charges, the bonds sold as high as 46¾ and as low as 10 for the same year, or at an average price of 23⅝. Therefore, if the General Mortgage 5% bonds sold as high as 46¾ when it only earned .69% of its charges, the 5% Income bonds, which were to be exchanged for the General Mortgage bonds under the 1937 plan, would sell at an average price of 26⅞ or at a high of 50 for the year 1937, when its charges would be covered by .74%. On the basis of these prices and earnings each new $500. Income bond would have been worth up to $250. under the 1937 plan and the stock nominal. Therefore, on the basis of the 1937 plan, the General Mortgage bondholders were faced with the loss of at least 50% of their investment in 1937.

Chicago, Joliet & Iowa Railway Company. We received the following letter from the Illinois Commerce Commission, signed by Mr. Fred Kleinman, at Springfield, Ill., dated Oct. 25, 1939. "Answering your letter of Oct. 23rd, signed by Mr. John A. Pryor, with reference to the Chicago, Joliet and Iowa Railway Company, an Illinois corporation: The records of this Commission, which date back to January 1, 1914, do not show that the name of this company has ever been on the Commission's transportation list of public utilities either as a steam railroad, electric railroad or a non-operative railroad company, or that the company has at any time made annual reports to this Commission as a public utility. You state that you have been informed that 'the company has not filed an annual report nor paid annual franchise tax since 1919, but that no dissolution proceedings have been filed.' This probably refers to the annual report made by all Illinois corporations to the Secretary of State of the State of Illinois, as this official receives such reports and assesses the franchise tax, and also issues the certificates of incorporations. Reference to the latest list of corporations in the office of this Commission, issued by the Secretary of State, does not show the name of this company included in the list."

Chicago, Milwaukee, St. Paul & Pacific Railroad Company. On June 29, 1935, the company filed a petition in the United States Court at Chicago, Illinois, seeking to reorganize under Section 77-B. On October 17, 1935, Trustees were appointed for the road. The appointments were approved December 28, 1935. The Plan of Reorganization dated July 1, 1935, provided that the total debt of the company of $849,866,000 would be scaled down to $640,687,000. The Plan provided that each $1,000. Adjustment bond and $260. of accumulated interest thereon to June 30, 1935, would receive V. T. C. for $1,260. par value of new 5% preferred stock, par value $100. The Plan dated December 31, 1937, provided that the adjustment bondholders should receive 50% par value in new preferred stock and 25% par value in new common stock. All subsequent plans, although similiar to that of 1935, may have certain changes before a plan is declared operative. It was doubted in 1937 that relative treatment accorded the various securities would be materially changed from the provisions provided in the 1935 plan. The 1935 and 1937 plans provided that the Annual Fixed charges would be reduced to $7,036,000. and contingent charges to $10,779,000. The road's income record for the period 1933 through 1937 disclosed the following:

	Income Available for Fixed Charges	Times Earned
1937	$9,824,734	D 2.78%
1936	10,851,331	D 2.22
1935	6,035,713	D 4.85
1934	7,889,158	D 3.88
1933	9,811,666	D 2.88
Average	$9,082,520	D 3.22

D—Deficit.

If the proposed fixed charges of $7,036,000. were applied to the average annual income available for fixed charges, $2,046,020. would be available for interest on the contingent debt whose proposed charges would be $10,779,000. per annum. This is roughly about 1/5 of its contingent charges. Under the plan the preferred stock would have shown a deficit of about $12. per share according to the average earnings of the company for the period 1933 through 1937. In 1937 when the preferred stock of the company showed a loss of $11.92 per share, it sold as high as $7.25 per share for that year. Under the plan the common stock would show a deficit of about $17. per share in 1937. In 1937 when the common stock showed a loss of $17.19 per share, it sold as high as $3.25 per share. The provisions of the 1935 and 1937 plans clearly showed that on the basis of the average earnings of the company for the period 1933 through 1937, each $1,000. Adjustment bond would not have been worth more than $100. in 1937. Therefore, it is my opinion that the Adjustment Bondholders knew definitely in 1937 that at least 75% of their investment would be wiped out.

these bonds expired on Dec. 15, 1914 after which bonds might be deposited under certain conditions imposed by the Committee. At last reports over 70% of the bonds had been so deposited. The Chicago, Peoria & St. Louis R.R. General and Refunding 4½% bonds due Dec. 1939, were to the amount of $2,850,000 and were secured by second lien on the entire property of the company subject to $2,000,000 Chicago, Peoria & St. Louis R.R. Co. of Illinois prior lien 4½'s due 1930. The latter bonds also being in default were quoted in July, 1926, at 15 bid, 25 asked. During the year 1924 the assets of the company were sold under foreclosure at which time the funds realized were not sufficient to provide in full for payment of the prior lien bonds. Therefore, nothing was realized for the General & Refunding 4½'s due 1939 which bonds in our opinion are absolutely valueless. In view of the fact that the First Mortgage bonds were not paid in full, and the second mortgage bonds were wiped out, there remained no equity for the preferred stock which is without value.

Chicago, Peoria & St. Louis Railway Company. Value of 5% Non-Cum. Income Bonds due July 1, 1930. The original trustee was the Equitable Trust Co. of Illinois. The successor trustee was the Sagamon Loan & Trust Co. of Springfield, Ill. This company was reorganized as the Chicago, Peoria & St. Louis Railroad in 1909. The above bonds were entitled to receive $60. in new stock for each $1,000 bond. The successor company's property was sold at auction in 1924 for less than the funded debt leaving no equity for the stock which is worthless. Therefore the shares of the railway company are also worthless.

Chile, Republic of. The Republic of Chile 6% bonds due 1961 have been in default since August 1, 1931 in respect to interest and since February 1, 1932 in respect to sinking fund payments. In 1936 the Government of Chile offered to purchase two coupons due in 1931 having a face value of $60. for $4.75, and in 1937 offered to purchase the two coupons due in 1932 for $6.05. According to the Foreign Bondholders Protective Council, Inc., the Government of Chile is using its surplus funds to purchase their bonds in the open market at depressed prices due to their own defaults, rather than use the money to pay interest. Faced with these facts in 1937 the bondholders knew definitely that at least 50% of their investment was considered worthless. This is further confirmed by the high and low prices of these bonds on the New York Stock Exchange for the period 1933 through 1937 as follows:

	High	Low
1937	25	12
1936	19⅞	13⅞

Strauss, 116 W. 72nd St., N. Y. C.; Louis Goldberg, 597 W. 181st St., N. Y. C.; George Kent Hinds, Director, 92 Riverside Drive, N. Y. C.

Choctaw Cotton Oil Co. Company still being operated by a Federal Court Receiver January 25, 1939. We have been advised that the outcome of the coming year's operations will depend altogether on the crops, which no one can forecast, except that the government's objective seems to be additional curtailment of acreage, which naturally is detrimental to the interest of cotton oil companies, the prosperity of which depends very largely on volume. Currently quoted at 47½ for the first preferred stock including 12% dividend scrip of the Osage Cotton Oil Co., which goes with the first preferred. The second preferred is quoted about $12. per share and the common about 3½.

Cincinnati, Hamilton & Indianapolis Railroad. Value of Preferred Stock dated 1822. Organized in Ohio on Dec. 24, 1872 and was controlled by the Cincinnati, Indianapolis & Western Railway Co. In 1903 it was reported that $11,200 of stock of this company was reserved for the retirement of $8,953 of preferred stock of the C. N. & I. Railroad which was outstanding. The property of the C. I. & W. was foreclosed and the First Refunding bonds received $409.01 per thousand dollar bond in liquidation, leaving no equity for the stock. Therefore the stock of the Cincinnati, Hamilton & Indianapolis Railroad is worthless.

City Realty Investing Co., Ltd. Value of 6% bonds due 1929. The Montreal Trust Company of Montreal, Quebec, informed us as follows on Dec. 16, 1938: "We are in receipt of your letter of the 12th instant, relative to the Bonds of the above-mentioned company. In this connection we would advise you that the company has been in liquidation for several years. Mr. Charles A. Campbell, 244 St. James St., Montreal, being the Liquidator. The most recent information which we have obtained from the Liquidator, is that contained in his letter of the 27th of May, 1938, a copy of which we enclose herewith. In reply to yours of 25th inst., there is no market for the bonds of this Company, the greater portion of which have been deposited with your goodselves to the order of the Bondholders Protective Committee. The situation of, and outlook for the organization was drastically affected by the outbreak of the War, and early in 1918 liquidation was decided upon with a view of conserving the assets in the best interest of bondholders, and their orderly liquidation.

Under more normal conditions it has been possible to negotiate sales on a basis which indicated a return of about 48% on the $908,000 principal amount of bonds outstanding. The proceeds of such transactions had to be used principally, for the liquidation of loans which the Bondholders Committee, upon its formation, had found it necessary to incur for the settlement of purchase money mortgages, etc., ranking ahead of the Bondholders claims. This mortgage situation has been placed on a sound basis, and it had been hoped that it would have been possible to continue the programme of realization so that a return could have been made to investors. However, the economic unsettlement of 1929 interrupted this programme, and while, as you know, there has been a certain measure of improvement in local real estate conditions in recent years, selling activity still remains at a sub-normal level both as regards volume and prices. The majority of the properties still owned are closely situated one to another in the East End of this City, and this close proximity militates against any attempt at wholesale disposal as an indication of such action would only result in creating an unfavorable price level. The most satisfactory method of realization when the situation was more favourable, was through the conclusion of transactions with tenants, or others interested in the district where most of the properties are situated. Unfortuately, the working class population occupying this section of the City, has felt the effect of unemployment most keenly, and further liquidation of the assets cannot be looked for until there is a decided improvement in the general economic trend. Accordingly, the only possible policy at the moment is to conserve the assets and maintain them in as sound an operating condition as possible, pending a return of circumstances more favourable to real estate activity. As the value of the securities depends wholly upon the result of future realization, it is frankly impossible to suggest any definite valuation."

Claiborne Annapolis Ferry Co. (Md.). The company, located at 61 Maryland Ave., Annapolis, Md., informed us as follows on Sept. 1, 1938. "We wish to acknowledge your letter of August 31st, concerning value of the no par common stock of this company. Our stock is not listed on any exchange and we are unable to give you any quotations on it. It has a book value on our records (as of July 31, 1938) of $14.73 per share. It is doubtful, however, if this price could be obtained if sold on any market. If you should desire a quotation on it, we might suggest that you communicate with Mr. Theodore Gould, Keyser Bldg., Baltimore. He is a broker who occasionally handles small transactions in our stock." Mr. Theodore Gould, Keyser Bldg., Baltimore, Md., informed us as follows on Sept. 8, 1938. "In reply to your letter of September 8, regarding a quote on Claiborne Annapolis Ferry Company Stock I think a fair quotation would be 10½-12. Recently I have bid 11 for 150 shares and have been offered 500 shares, all or none, at 11."

The Irving Trust Co. of New York City, informed us as follows on September 16, 1938: "In your letter of September 14 you ask about the present status of a certificate of deposit issued by the Knickerbocker Trust Company (one of our former names) for Cleveland, Canton & Southern Railroad Company First Consolidated Mortgage 5% Gold Bonds due May 1, 1942. Our records as Trustee under the Mortgage and as Depositary for the Bondholders' Protective Committee show that the property of the Company was sold under foreclosure in 1897 to the Wheeling & Lake Erie Railroad Company. The proceeds of the sale were insufficient to pay the First Mortgage bondholders in full. The records indicate that the First Consolidated Mortgage Bonds were junior in lien to the First Mortgage Bonds and no payment was made on them. In view of the foregoing circumstances we know of no value attached to the certificate of deposit at this time."

Clinton & Oklahoma Western Railway Co. We received the following letter from the Interstate Commerce Commission, Bureau of Finance, Washington, D. C., dated January 20, 1940: "This is to acknowledge your letter of January 17, 1940, stating that a client of your firm holds some capital stock of the Clinton & Oklahoma Western Railway Company. The annual reports of the company on file with the Commission show that it was incorporated on October 28, 1908, in the State of Oklahoma. The authorized capital stock was originally $500,000. subsequently increased by $250,000. and as of June 30, 1916, the entire authorized amount had been issued and was outstanding. During 1917 the capital stock was scaled downward from $750,000. to $250,000. and new stock certificates were issued in that amount, each stockholder to share an equal amount of the reduction accruing to his interest. The annual report of the Clinton & Oklahoma Western Railroad Company for 1920 shows that it issued as of April 10, 1920, $300,000. of capital stock for the purchase and acquisition of the franchises and assets of the Clinton & Oklahoma Western Railway Company and the Cheyenne Railroad Company, $250,000. to be used for the acquisition of the properties of the Clinton & Oklahoma Western Railway Company. The report also shows that as of April 10, 1920, $250,000. of the capital stock of the Clinton & Oklahoma Western Railway Company was transferred to the Clinton & Oklahoma Western Railroad Company and cancelled. If that be so, it would seem that all of the capital stock of the railway that was issued in 1917, when the amount of the capital stock was reduced to one-third of the original amount, was subsequently cancelled. The Atchison, Topeka & Santa Fe Railway Company has acquired all the outstanding stock of the Clinton & Oklahoma Western Railroad Company, except five shares held by Directors, and all of the First Mortgage bonds in the amount of $1,650,000. The properties of the Clinton & Oklahoma Western Railroad Company are leased to the Panhandle & Santa Fe Railway Company under a lease dated January 1, 1931, for a term ending December 31, 1940, and thereafter subject to cancellation on 90 days notice. The Panhandle & Santa Fe is a subsidiary of the Atchison, Topeka & Santa Fe. We are not able to state whether or not the stock of the Clinton & Oklahoma Western Railway Company held by your client has any present value."

Cole Petroleum Company. Incorporated in Oklahoma in 1920. We received the following letter from the company located at First National Bldg., Laredo, Texas, dated Aug. 28, 1939, and signed by C. R. Cole. "We recently received a letter from you inquiring regarding shares in the Cole Petroleum Company and Cole Development Syndicate. Each of these companies is a producer of oil and gas, but right now conditions are quite unfavorable, owing to the 15 day shut down which may be extended for another fifteen days. There has been no literature going out to create a buying market, and brokers have taken advantage of the situation to hammer down prices. I believe that they are now offering 20¢ and asking 25¢ to 30¢. The deep test is now drilling close to our lines headed for the Wilcox formation, supposed to be around nine thousand feet. We think its chance is excellent for its uncovering big production, and if it does, that section will have a big boom and prices of our shares should re-act to par or above, owing to the heavy holdings of each company in that section."

"We received in due course your letter dated Oct. 10th, 1938, inquiring as to the value of Colima Lumber Company First Mortgage 6% bonds. The late Payne Whitney, who died on May 26, 1927, owned $112,500. of these 6's due in 1924. On December 2nd, 1929, these bonds, together with a number of other stocks and bonds, were sold by the executors at public auction for a total of $105. We have no further information concerning these bonds." Any temporary certificate for the First Mortgage bonds would be treated the same as the actual bonds and believe the above confirms our opinion that the Temporary Certificates for the bonds and the actual bonds have no value whatsoever.

Columbus, Marion & Bucyrus Railroad Company. Incorporated July 29, 1905, under the laws of Ohio. The property was foreclosed in a suit instituted in the Court of Common Pleas of Marion, Ohio. The Reorganization Plan dated April 10, 1913 gave the First Mortgage bonds stock and General Mortgage bonds of the Columbus, Marion & Bucyrus Railway Company. There was no provision made for the stock which is worthless.

Columbus Realty Co. (No. 2). N. J. 1938.

Columbus, Shawnee & Hocking Railway Co. (Ohio). Consolidated to form the Columbus, Sandusky & Hocking Railway Company in 1893. According to plan dated 1893, a sufficient amount of new First Mortgage Cons. 5% bonds were deposited with the Metropolitan Trust Co. of New York City, to provide for the payment of all underlying bonds. The stock was exchanged share for share. When the successor road was reorganized as the Columbus, Sandusky & Hocking Railroad Co. in 1895, the real estate bonds that were not exchanged in the original instance for Cons. bonds, received General Mortgage bonds of the Railroad Company. The consolidated bonds were also entitled to receive Gen. Mortgage bonds. When the property of the railroad company was foreclosed no equity remained for the junior securities as the First Mortgage bonds were not paid in full. This is confirmed in our Volume IV under Columbus, Sandusky & Hocking Railroad Co. The real estate bonds in our opinion have no value.

Compania Petrolera Orillas Del Panuco. We received the following letter from the Secretaria de la Economia Nacional, Mexico, D.F., dated April 25, 1939. "Referring to the above letter requesting information of the Cia Petrolera Orillas del Panuco, S.A., please be advised that this company was registered under No. 171 in the Registry for Companies and Individuals concerned with the Oil Industry, but because of failure to pay the quota of inspection their records were closed on Sept. 6, 1917 all communications with said firm being discontinued on that date and for this reason it is not possible to furnish any other data. Regarding other details about this company, please be advised that they stated that their charter was executed before the Notary Public Jesus Trillo, in this city, on Jan. 1, 1916 and there is an affidavit in the corresponding instrument to the effect that in a document dated Feb. 12, 1917, Mr. Eduardo Hartmann, who acted on that date as President of the Company, notified the Secretaria de Fomento Colonizacion e Industria then existing, that because of failure of the drilling operations in quest for oil, the said company was being liquidated and there is no further data in this respect."

Compressed Air Co. (N. Y.). Incorporated in New York on April 9, 1900 and was located in New York City. The corporation was dissolved by Proclamation on March 13, 1926. Our records dated 1911 state that the stock of the company was wiped out by foreclosure of prior liens. In view of the above we submit **the shares as worthless.**

Concord & Montreal Railroad Company. The Boston & Maine Railroad Company located at Boston, Mass., informed us as follows on April 8, 1940: This will acknowledge receipt of your inquiry of April 5, 1940, concerning Concord and Montreal Railroad stock. Holders of the Concord and Montreal Railroad stock, upon surrender of the certificates duly endorsed in blank, at this office, will receive certificate for like number of shares of Boston and Maine Railroad First Preferred Stock, Class C, as provided in the Agreement for the Consolidation of this road with the Boston and Maine Railroad dated November 26, 1918, concluded December 1, 1919, and retroactive to January 1, 1919. They will also receive dividends held in reserve, which amount to $77.00 per share. The entire property belonging to the Concord and Montreal Railroad was conveyed to the Boston and Maine Railroad by deed of sale dated December 1, 1919. The lease of this road was cancelled, and all of its obligations were assumed by the Boston and Maine Railroad. This road has no assets, and its stockholders cannot therefore secure any income on the old stock. No transfer of its stock can be made, and the only means by which anything can be realized on it is by endorsing the stock certificates and exchanging them for Boston and Maine Railroad stock in accordance with the provisions of the consolidation agreement referred to. There are only three shares of Concord and Montreal Railroad stock outstanding, and I am led to wonder if this is some of the stock about which you have written.

Mr. Charles Caldwell, an attorney, and former Treasurer of the company, located at 30 Rockefeller Plaza, N. Y. C., informed us as follows on Dec. 12, 1938. "You state a client of yours holds some stock of the Congress Oil Company and you ask what its present value is, or what has become of the company. The company went out of business many years ago and the stock is utterly worthless. The company owned some leases on oil lands, made efforts to produce oil, but did not succeed in producing it in paying quantities, and eventually went out of business without ever paying any dividends. All the money subscribed for the stock was utilized in buying leases, machinery with which to drill and the drilling for oil."

Consolidated American Oil Companies. Incorporated in Arizona about 1924. We understand this company was taken over by the Trinity Oil Company and subsequently by the LaPaz Oil Corporation, but we are unable to find any record of either company having been in existence for a number of years. We believe the companies out of existence and their stock worthless at the present time. On January 2, 1926, 600 shares of Consolidated American Oil Companies stock sold at auction for $2. the lot. The shares in our opinion are without value. There was also an Consolidated American Oil Company that was incorporated in Arizona on Aug. 13, 1919, and since 1923 has failed to file reports. We found no record of this company's operations and therefore believe the shares are worthless.

Continental Shares, Inc. The New York Times of Sept. 30, 1939, carried the following notice, "Cleveland—Sept. 29—A State Court overruled today a motion to revive the charter of Cyrus S. Eaton's defunct investment trust, Continental Shares, Inc., and ordered the release of assets impounded since May 1933 to a liquidating concern in Baltimore. By the order, approximately $3,500,000. will be transferred to the liquidator and $3,000,000. will be distributed to stockholders of the old corporation. Judge Lee Skeel said that under the liquidation plan 381,000 preferred stockholders would receive one share of stock in the liquidating company to each share held in the old concern. Holders of about 2,500,000 shares of common stock would reserve one share of new stock for 200 old shares. The committee for the preferred stockholders reported on Feb. 11, 1939, that the court at Baltimore found no material equity for the common stockholders, and that a plan would be formulated to liquidate the assets of the corporation.

Copper River & Northwestern Railroad. It was reported in the Denver Mining Record, May 7, 1938, that the above railroad operating out of

Cordova, Alaska, and serving the Kennecott copper mines, was opened for the last time in April, according to J. V. Lydick, asst. auditor. Due to the closing of the mine which has operated every summer since 1910 the railroad can no longer be operated. The mine is scheduled to suspend operations after this year because the supply of copper ore is depleted and no new supply has been discovered.

Corporation Securities Company of Chicago. July 11, 1938, payment of $918,365. to holders of notes of the above company, bankrupt Insull investment company, probably will be started within thirty days, Garfiled Charles, special referee in bankruptcy, said today. He has been holding hearings on contested claims against the company. The payments soon to be made will represent 4¾ per cent of the claims of the noteholders, which amount to approximately $19,000,000. Mr. Charles estimated that there were about 6,000 claims that have been split up. Transfer on the certificates of deposit—representing notes deposited with a noteholders' committee—was closed today, and no transfers will be made for ninety days, the committee announced on June 17.

Costikyan Oriental Looms Inc. Incorporated in Delaware as the Costikyan Carpet Company on Sept. 20, 1922. On April 8, 1927, an amendment was filed changing name to that of the above, and is not in existence having become inoperative and void April 1, 1930, and proclaimed by the Governor January, 1931, for non-payment of taxes. The last annual report filed for the year 1928 showed offices at 414 13th St., Union City, N. J., and the following officers: President, Mihran N. Costikyan, 515 Fifth Ave., N. Y. C.; Vice-President, Herman L. Lange, Rutherford, N. J.; Treasurer, George S. Murray, New Rochelle, N. Y.; Secretary, Andrew LeMassena, New York City. Mr. Mihran N. Costikyan informed us on Dec. 17, 1938, that the stock is worthless.

Cotswold Corporation. Incorporated in New York and is located at Scarsdale, N. Y., in care of Angell, Van Schaick & Company, who informed us as follows on Oct. 29, 1938: "Replying to your request for information in regard to the Cotswold Corporation, I am enclosing herewith a copy of their financial statement as of December 31st, 1937—and conditions are materially the same today. Will you please return this statement to us after you have inspected the same? "The company owns about seventy-five residential plots in the Cotswold District in the Town of Greenburgh, near Scarsdale Station. Since 1931 the proceeds from the sale of these lots have been so small that the income was not sufficient to keep the taxes paid on them. In 1936 and 1937 several plots were sold to builders and mortgages taken back for a large part of the purchase price. Two of the houses built on these plots have been sold and the mortgages paid off. The company, however, holds four mortgages and until real estate conditions improve so that these houses can be sold there is not much prospect of selling other plots, except that we are working on a program for the use of some of the plots for the erection of a community group of attached houses which may bring some results. 'What the financial outcome to the stockholders will be depends entirely upon the general course of business in the country and particularly in real estate." While the company earned about $1.37 per share before real estate taxes for the year ending Dec. 31, 1937, were paid, the company owes about $76,472.80 in back taxes for the period 1933-1937, which more than wipes out the capital surplus. In view of the fact that the real estate taxes amount to about $16. per share per year, the company has no earning power and do not believe the shares have any present value.

Couch-Winfrey Oil Syndicate, Fort Worth, Texas. Value of 22 Units dated 1922. We found a record of a Couch-Winfrey Oil Corp. that existed in 1922 with offices at Fort Worth, Texas, President, R. T. Couch; Director, M. F. Winfrey. This corporation ceased business sometime between 1922 and 1925. We found no record of the Syndicate, and therefore, believe it ceased to exist shortly after its inception. The units in our opinion have no value.

Crown Central Petroleum Corp. We received the following letter to stockholders from the Marine Midland Trust Company of New York, 120 Broadway, New York City, dated June 15, 1938. "A recent examination of the stock records of the Crown Central Petroleum Corporation, a Maryland corporation, which is the successor to the White Oil Corporation, the United Central Oil Corporation, and the Crown Central Petroleum Corporation, a Delaware corporation, indicate that certain holders of the stock certificates of the White Oil Corporation, the United Central Oil Corporation, and the Crown Central Petroleum Corporation, a Delaware corporation, have not exchanged their stock certificates for the stock of the Crown Central Petroleum Corporation, a Maryland corporation, as they are entitled to do. The Crown Central Petroleum Corporation have requested us to advise you that until this transfer is made the holders of certificates of the old stock will not receive dividends which have been heretofore declared and deposited with us as Dividend Disbursing Agent. The records indicate that you are entitled to dividends if you exchange your stock certificates for the stock of the new Maryland corporation. Unless you do so exchange, you will not receive the dividends. If you will, therefore, send the certificates which you hold to our Stock Transfer Department, a properly registered certificate of the Crown Petroleum Corporation, a Maryland corporation, will be issued in your name and the dividends held for your account sent to you. For your convenience, a letter of transmittal is enclosed." White Oil Corporation Common stock and Certificates of Deposit are exchangeable for the $5.00 par value common stock of Crown Central Petroleum Corporation of Maryland, at the rate of 2/75ths of a share of new stock for one share of old stock. United Central Oil Corporation Common stock is exchangeable for the $5.00 par value common stock of Crown Central Petroleum Corporation of Maryland at the rate of 10/75ths of a share of new stock for one share of old stock. Crown Central Petroleum Corporation of Delaware No Par Value Common stock issued prior to November 20, 1930, is exchangeable for $5.00 par value Common stock of Crown Central Petroleum Corporation of Maryland at the rate of 10/75ths of a share of new stock for one share of old stock. Crown Central Petroleum Corporation of Delaware No Par Value Common stock and $1.00 par value Common stock issued on and subsequent to November 20, 1930, is exchangeable for $5.00 par value common stock of Crown Central Petroleum Corporation of Maryland, at the rate of one share of new stock for each five shares of old stock.

Crows Nest Pass Lumber Co. Ltd. Incorporated in British Columbia and is located at Manistee, Michigan, and Wardner, British Columbia. Mr. Max E. Neal, Secretary of the company, located at Box 306, Manistee, Michigan, informed us on March 22, 1939, that the stock of the company has no market value. The company's Balance Sheet for the year ending Dec. 31, 1938, shows Assets of $956,205.36 of which $859,699.78 represents Timber Holdings and Timber Lands; $10,793.10, Accounts Receivable; $408.88, Cash; and $15,124.95 of Agricultural Lands and Supplies. The company showed a loss of $2,010.79 for the year 1938. In August 1938, the company was compelled to pay $5,611.38 back taxes on the St. Mary's group of timber to hold it, and shall now have taxes on this property annually, which they have not been paying for several years. In view of the fact that the company's assets consist principally of timber and timber land, from which the company showed a loss from operations, we

Cuban Cane Products Co., Inc. (Del.). Successor through reorganization to Cuba Cane Sugar Corporation. Following the appointment of receivers of the Cuba Cane Sugar Corporation, on Oct. 1, 1929, the Plan of Reorganization was approved by the Court. The plan became operative Jan. 10, 1930. Depositors of Cuba Cane Sugar debentures received for each $100. of bonds an equal amount of new debentures and one share of common stock together with interest due Jan. 1, 1930, on the old debentures. Preferred stockholders of Cuba Cane received in respect of each share of their deposited stock, a subscription warrant entitling holder to subscribe on or before April 10, 1930, at $5 a share, to 1½ shares of new company, and an option warrant entitling holder to purchase up to Jan. 1, 1940 two shares of common stock of the new company at $20 a share. Common stockholders of Cuba Cane received in respect of each share deposited, warrants to subscribe on or before April 10, 1930 at $7.50 a share to 1/5 share of new company's common stock, and option to purchase up to Jan. 1, 1940 one share of new common at $20 a share. The Cuban Cane Products Co. Inc. failed and its properties were foreclosed. The 6% Debenture bonds of the Cuban Cane Products Co. Inc., dated Jan. 1, 1930, and due 1950 received only $2.46 on each $1,000. bond in liquidation, payable at the Manufacturers Trust Co., 55 Broad St., New York City. There was no equity for the stock. Therefore any outstanding unstamped debenture bonds of the Cuba Cane Sugar Corp. and the Cuban Cane Products Co., Inc. are worth $2.46 per $1,000. bond. The shares of both companies are worthless.

Dabs Sales Company. Incorporated under the laws of the State of New York and lost its corporate existence in December 1929 when its charter was forfeited. The company apparently went out of business about 1923 or 1924, because New York charters are forfeited for failure to file reports for five years. We found no record of the company's operations nor any value to the stock. The shares in our opinion are without value.

Davies, William, & Company, Inc. Value of 7% Cum. Preferred Stock. Company was organized under the laws of New York in 1907 with an authorized capital stock of $10,000. to deal in cloaks and suits. In 1908 company had a New York City office at 4 Washington Place; 1910 at 821 Broadway; 1911 at 100 Fifth Avenue; 1912, at 220 Fifth Avenue, and 1923 at 389 Fifth Avenue. In 1923 the officers and directors were William Davies, president, and Fred P. Jacob, secretary and treasurer, and the capital stock was stated at $225,000. About two and a half years ago company went into bankruptcy and Arthur Lewis of 45 Worth Street, New York City, was made receiver. In liquidation the capital stock was wiped out and stock is therefore of no value. Following the failure of William Davies & Company Inc., the former president, William Davies, formed the copartnership of William Davies & Company, dealers in ready-to-wear clothes at 379 Fifth Avenue, New York City. This co-partnership has absolutely no connection with the old corporation. Therefore, I submit the preferred stock as worthless as of September 6, 1937, the date of the decedent's death.

Dearborn-Van Born Company. Value of 1st Mtg. 6½% S. F. Bonds dated Dec. 1, 1927. We received the following letter from the Public Trust Commission, Union Guardian Bldg., Detroit, Mich., dated Aug. 1, 1938, and signed by D'Arcy O'Brien, Legal Staff. "This is a subdivision bond issue located at Town Line and Telegraph Roads, outside of the city of Detroit. It was originally a $475,000. bond issue paid down to $388,000. and there is a large tax delinquency against the property. Subdivision bond properties have been very slow in coming back and it has been very hard to liquidate the same. Liquidation seems about the only chance to salvage anything for the bondholders. We have contacted Mr. Cornelius Hoogesteger at 315 W. Fort Street, Detroit, who is the Chairman of the Bondholders' Protective Committee, licensed to service this issue. He advises that he has been trying to make a sale of the property to a Chicago investment company, with whom he negotiated another deal, but since the drop in the market he doesn't seem as optimistic about putting it over as formerly. The successor trustee to the Metropolitan Trust Co. is the Equitable Trust Co., Detroit, Mich."

Delta Drug & Chemical Co. Incorporated in Mississippi and was located at Clarksdale, Miss. Mr. P. L. Abel of Powers & Company located at Clarksdale, Miss., informed us as follows on Oct. 24, 1938: "Your letter of Oct. 21st, addressed to Mr. M. Powers, was delivered to us. Mr. Powers has been dead for nearly three years. With reference to stock in the Delta Drug and Chemical Co., the writer came to Clarksdale in 1921 as a securities and credit man, and recalls that wholesale drug company passed out of existence shortly after that time, having been liquidated for the benefit of its creditors. The writer does not recall the exact style of the company, but is satisfied that there is no firm now doing business in that line which has been in existence any appreciable length of time. It would appear, therefore, that the stock you inquire about is valueless. This information is based on our past knowledge and belief, but of course is not guaranteed." In view of the above, it is our opinion that the shares are without value.

Dennison Company. We received the following letter from the Better Business Bureau, Kansas City, Mo., dated August 30th, 1938, and signed by J. B. Birkhead. "The company about which you ask has been selling stock on a promotion basis, and has not produced any machines as far as we know. Apparently the company has had no income except from the sale of the stock. We do not know of any market for this stock, and believe it to be of little or no value. We have in our file a copy of a letter dated August 14, 1933, written by Mr. F. T. Stockard, former commissioner of securities of the State of Missouri, to a Kansas City attorney handling the blue sky application for this company. Copy of this letter is enclosed, which is self-explanatory. The Department desires to advise it has examined all of the papers on file in the application of The Dennison Company for the privilege of having its securities recorded in the Register of Qualified Securities in the State of Missouri. The following objections thereto appear. R. L. Dennison, the chief promoter and owner of the patents in this application, has violated the law in reference to offering stock for sale. This department issued one or more cease and desist orders against his actions. He was arrested one or more times for violating the provisions of the securities act in reference to stock in this same promotion. The project has been before the public for several years and has failed to attract attention of promoters and users of engines of this type. The applicant's entire assets consists principally of intangible property. That is patents in the company which are yet unexploited. Because of the foregoing reasons the papers on file fail to make a showing that would justify the Department granting a permit for the securities of this company to be sold in Missouri. An order has therefore been entered in the records of this Department refusing and denying registration of the securities of the Dennison Company. Check in the amount of $110. which accompanied the application as filing fee is herewith being returned."

Dennison Development Corp. Del. 1938.

Dennison Engine Trust, Kansas City, Mo. Value of Units Dated 1924. Declaration of Trust was recorded in Book B-2170, page 335, Recorder of Deeds, Jackson County, Kansas City, Mo. Mr. H. G. Pert, formerly Trustee of the company, located at 708 State St., Kansas City, Mo., informed us on Aug. 20, 1938, that the assets of the company were foreclosed by mortgage holders, and in the final liquidation nothing was available for the Units of the Dennison Engine Trust. The Units are therefore worthless.

Dennos Food Sales Company. Incorporated in 1913 in Arizona and its charter expired by 25-year statutory limitation on May 19, 1938. No fees and no reports have been filed since 1921, and the company is legally dead, its corporate existence having been terminated in the above manner. The attorneys incorporating the company were Stanford, Walton & Townsend, Phoenix, Arizona. The last known address of the company was 4104 South La Salle Street, Chicago, Ill. President, John V. DeYoung; Secretary, A. J. Vertuno. We found no value to the stock.

Denny, A. H., Inc. N. J. 1938.

Denny Company, The. Incorporated in Delaware on May 26, 1927, and is no longer in existence, having become inoperative and void April 1, 1930, and proclaimed by the Governor January 1931 for non-payment of taxes. Company never filed any annual reports. Certificate of Incorporation was filed by the Corporation Trust Co., 100 W. 10th St., Wilmington, Del. In 1928 the company was engaged in the fruit and produce business at 200 Franklin St., New York City. In 1930 no further trace of the company could be found. In view of the above it is our opinion that the shares are without value.

Detroit Bankers Company. Incorporated in Michigan. A Court Order dissolving the company was filed on June 12, 1933. President, E. D. Stair, F. P. Bldg., Detroit, Mich.; Vice-President, McPherson Browning; Treasurer, Eugene R. Lawright. We received the following letter from Mr. E. D. Stair dated January 17, 1939: "I have had no connection with, nor any definite knowledge of the operations of the Receiver of the Detroit Bankers Company since the U. S. Government took us all over and down the alley. However, I do know that notwithstanding the extreme extravagances of the Government in the Receivership of the First National Bank it cannot prevent its paying out one hundred cents on the dollar, but unless something is returned to the stockholders by the Government the Detroit Bankers Company stock will be worthless."

Detroit, Bay City & Western Railroad Company. We received the following letter from A. Lawrence Mills, 100 W. Monroe St., Chicago, Ill., dated May 17, 1939. "I have your favor of the 15th inst. asking for present values of Certificates of Deposit representing Detroit, Bay City and Western Railroad Company, First Mortgage 5% bonds due October 1, 1932. This property was sold in the Spring of 1925 under foreclosure proceedings by a Special Master appointed by the Federal Court in Bay City, Michigan, and after paying five years of accrued taxes and penalties to the State of Michigan Receiver's Certificates and miscellaneous expenses, there was nothing left to distribute on these bonds, so that the same have no value."

Detroit & Canada Tunnel Co. The Union Guardian Trust Co. of Detroit, Michigan, will hold new securities of the Detroit & Canada Tunnel Corp. until Feb. 7, 1944, at which time the unclaimed securities will be returned to the new company.

Detroit Hotel Company. Incorporated in Michigan. Under Plan dated March 1938, the company was reorganized as the Detroit-Leland Hotel Co. No provision was made in the Plan for the capital stock which is without value. We received the following letter from A. B. Pfleiderer, Vice-President of the Union Guardian Trust Company, Detroit, Mich., formerly Receiver in the matter of the Detroit Hotel Company, dated Dec. 30, 1938: "This will acknowledge receipt of your letter to Herbert L. Berdan, Union Guardian Bldg., Detroit, Mich., concerning the value of the Class 'B' stock of the Detroit Hotel Co. This stock is now worthless and has been worthless since June 9, 1932. The assets of the Detroit Hotel Company were sold at public sale after due notice to all known security holders and creditors on June 9, 1932."

Detroit Motor Bus Co. Declared a liquidating dividend of 10¢ per share, payable Nov. 21, 1938. Other dividends amounted to $2.54½ per share.

Dickerson Engine Company. Incorporated in Utah and was located at Salt Lake City, Utah. The company lost its charter in 1931 and was not reinstated. Mr. David H. Bullough, an accountant and former Secretary of the company, located at 526 So. 3rd St., Salt Lake City, Utah, informed us as follows on Oct. 4, 1938: "In response to your inquiry concerning the Dickerson Engine Company, a Utah Corporation, I regret to advise that this company has been dead for many years. It was last active in 1930, having paid its corporation franchise tax to that year. Mr. Solon Spiro and Mr. Joseph Lippman, co-founders of the enterprise, are both dead. The company's sole assets consisted of Letters Patent of the United States, France, Canada and England, all of which have since expired. This venture, consisting of the exploitation and development of rotary valve for internal combustion engines, was never profitable although Messrs. Spiro and Lippman spent upwards of $30,000 in perfecting and later trying to dispose of the idea to automobile manufacturers."

Drawbaugh Telephone & Telegraph Company. We received the following letter from the Public Service Commission, State Office Bldg., Albany, N. Y., signed by James B. Cuthbert, Acting Secretary, and dated May 25, 1938. "Answering your inquiry of May 19 with reference to the Drawbaugh Telephone & Telegraph Company, please be advised that this company never appeared upon the records of this Commission. Inquiry at the office of the Secretary of State indicates that the term of existence of this corporation extended for a period of Fifty years from 1883 and that its charter expires January 1, 1933." It would appear from the above that the company never functioned. We found no value to the stock.

Dunedin Isles, Inc. Incorporated in Florida and was dissolved on Sept. 17, 1936. The following were the last known directors: B. S. Frischkorn, D. F. Zimmerman. The Frischkorn Bros. Real Estate Co., Title & Trust Bldg., Detroit, Mich., informed us on May 23, 1939 that the stock of Dunedin Isles, Inc. has no value although the company has not gone through receivership, yet there has been no activity since 1929. As the bond issue on the properties at Dunedin Isles has defaulted, as well as the taxes, there will be no possibility of any return to the stockholders. In view of the above, we believe the shares are worthless.

Elaterite Paint Company. Incorporated under the laws of the State of New Jersey on June 20, 1924. On January 7, 1929 its charter was forfeited for non-payment of state taxes and on August 5, 1929 said charter was reinstated. On January 19, 1933 said charter was again forfeited and has not been reinstated to date (12-8-39). The principal office was located at Piscataway, near New Brunswick, N. J. and George H. Mulvey was the registered agent. Directors and officers were: President, George H. Mulvey, New Brunswick, N. J.; Vice-President, Morton W. Smith, 18 E. 41st St., N. Y. C.; Treasurer, J. McCarty Little, Sea Bright, N. J.; Secretary, M. C. Christy, New Brunswick, N. J.; Directors: C. B. Morgan, 17 W. 9th St., N. Y. C.; Clifford B. Wilson, Bridgeport, Conn.; George T. Wilson, Union League Club, New York City. We found no trace of the officers nor any record of the company's operations. The shares in our opinion have no value.

Elbukan Oil Company. Incorporated under the laws of the State of Delaware on June 5, 1920, and is no longer in existence, having become inoperative and void on April 1, 1931, and proclaimed by the Governor in January 1932. The officers of this company were the same as those of the M. T. C. Oil & Gas Company. The "Petroleum Register" reports that the company owned a one-half interest with the M. T. C. Oil & Gas Company in leases in Payne and Creek Counties, Oklahoma. The Assessor of Creek County, Oklahoma, informed us on February 14, 1940, that this company held no interest in Creek County, according to their records. The County Clerk of Payne County, Oklahoma, at Stillwater, informed us on February 9, 1940, that the M. T. C. Oil & Gas Company owned some leases in their County, but assigned them away in 1926. The Elbukan Oil Company, did

not enter into the deal. Apparently held a half interest in the leases through a 50% stock interest in the M. T. C. Oil & Gas Company. Therefore, as the Latter company gave up its leases in 1926, the stock became worthless at that time; and as the Elbukan Oil Company held a 50% stock interest in the M. T. C. Oil & Gas Company as its principal asset, the shares became worthless in 1926, when the stock of the M. T. C. Oil & Gas Company had no further equity.

Electric Petroleum Co. (N. Y.). Value of Stock dated 1865: Reported to have been incorporated in New York State. The Secretary of State of New York informed us that they have no record of a company by this name in their files. We searched our records back to 1865 and found no record of the company's operations nor any value to the stock. The shares in our opinion have no value.

Electric Power Associates, Inc. The company distributed the major part of its holdings of American Water Works & Electric Co. stock to its stockholders. In 1939 it was the intention of the company to liquidate the remainder of its assets and distribute same to its stockholders. It was reported in the N. Y. Times, June 7, 1939 as folows: "Notice is hereby given that the transfer books of Electric Power Associates, Inc. a Maryland corporation which has been dissolved and is now in the process of liquidation, will be closed permanently on June 20, 1939 and that after the close of business on that date no further transfers of Class A stock and Common Stock will be made on the books of said Corporation. The New York Curb Exchange has advised that no trading in said stocks on that Exchange will be permitted after June 17, 1939. Prior to the final distribution it will be necessary for all holders of certificates for the Class A Stock and Common Stock of Electric Power Associates, Inc. to forward the same to Chemical Bank & Trust Co., 165 Broadway, N. Y. C. for cancellation against the final payment, when made. Said certificates must be accompanied by a Letter of Transmittal properly executed, copies of which may be obtained, from the bank or the Corporation, 15 Exchange Pl., Jersey City, N. J. By order of the Trustees, C. F. Blanchard, Secretary.

The Earning Statement of the company for the year ending December 31, 1937, shows that the dividend of 60 cents per share was amply covered. In view of the fact that the stock had no market value about the date of death, I do not believe the preferred stock had a fair value in excess of $10. per share as of September 6, 1937, the date of the decedent's death.

Escanaba Water Works Company. Value of 6% Bonds due 1911. The City Bank Farmers Trust Company of New York City informed us as follows on Oct. 26, 1938: "We have your letter of October 24 inquiring with regard to Escanaba Water Works Company 6% Gold Bonds due October 15, 1911. In reply, we write to advise that the bonds in question were issued under a mortgage which constituted a third lien on the property of the Company. The property was sold under foreclosure in 1897 and was bought subject to the lien of the First Mortgage by the Second Mortgage Bondholders for $7,000. This amount was less than the amount of the Second Mortgage Bonds then outstanding and, accordingly, we believe it reasonable to assume that the above mentioned bonds have no value."

Essex Horse Nail Company, Ltd. Incorporated in New York on June 25, 1880, and certificate of dissolution was filed on April 30, 1931. This company is listed in the 1893 "New York Securities" and was located at Essex, N. Y., and 97 Chambers Street, New York City. President, David D. Palmer. The company's assets consisted entirely of machinery, nail rock and horse nails amounting to $114,310.63 as of 1892, while the liabilities other than stock amounted to $63,141.02. The company apparently went out of business before 1901 as it is not listed in our 1901 record of New York companies. The company apparently was incorporated for 50 years as it did not lose its charter until 1931. We found no value to the stock and believe the shares are worthless.

Fairhaven Water Company. Incorporated in Maine on Sept. 13, 1905, and filed its last return in 1909. The company lost its charter in 1909 for non-payment of taxes. President, George W. Kenyon, New York City. Our records indicate that the company furnished water power to operate the Fairhaven Mining Co. in Alaska. An officer of the company informed us in 1918 that the company's bonds had been in default for a number of years. We received the following letter from Mr. T. Foster, Trust Officer, Title Guarantee & Trust Co., 176 Broadway, New York City, dated January 18, 1939: "In response to your inquiry of January 12th, please be advised that our company acted as Trustee of a trust mortgage made by Fairhaven Water Company on February 15, 1906, covering certain water rights and placer mining claims in Alaska. The bonds secured thereby matured in 1911 and payment was defaulted. On May 19, 1915, an agreement was entered into whereby bondholders of this company and stockholders of Fairhaven Mining Company deposited their securities with us to be delivered to a reorganization committee consisting of Charles M. Harris, Edward T. Rice, George W. Kenyon, E. H. Howard and James A. Sague. Subsequently, at the request of this committee, all of the securities deposited were delivered to them. We have never been requested by any

of the bondholders to take any action in this matter and attempts made on our part to locate the members of the committee have not been successful. It is our general conclusion that the securities are worthless and that there has been no equity paid to any of the stockholders." In view of the above we believe the stock and bonds are worthless.

Farmers Mutual Royalty Syndicate, Incorporated. Value of 2½ shares of Charter Member Stock. Incorporated under the laws of the State of Arizona on August 17, 1931, and is located at Petroleum Building, Oklahoma City, Oklahoma. These shares were quoted by brokers about the date of death at 50¢ per share. Therefore, I submit 50¢ per share, or $1.25 as a fair value for 2½ shares as of September 4, 1939, the date of the decedent's death.

The company apparently failed to function, or just ceased to exist, as we searched the Legislature book in the Columbia Law Library from 1864 to the present time and found no record other than the incorporation and issuance of stock. It is our opinion that the shares have no value.

Film Inspection Machine Company, Inc. Incoporated in Delaware and owned certain patents, which we understand represented the principal assets of the company. We believe a balance sheet may be obtained from Hirsh, Newman, Reass & Becker, lawyers, 39 Broadway, New York City, showing a book equity for the stock as of December 31, 1935. The stockholders approved dissolution in May 1936, when it was decided that the patents had no commercial value. In view of the above, we believe that the stock first became worthless in 1936. Charter forfeited, 1938.

Filtros Inc. Incorporated in New York on July 21, 1913, as the General Filtration Co., Inc. and changed its name to the above on June 7, 1929. The company is located at East Rochester, N. Y. We received the following letter from W. W. Robacher, Secretary and Treasurer of the company dated Feb. 11, 1939. "We duly received your letter of Feb. 3rd requesting information with reference to the value of the stock of Filtros Incorporated, this information being required in connection with your appraisal of the McMath Estate. In reply, we would advise that the stock has never been listed on any exchange and there is no open

market for it. Such transfers as have been made in the past several years have been in connection with the settlement of estates, and we have no knowledge of any actual sales having taken place in eight or nine years. The stock (without par value) is set up on the company's books at a nominal value of $5.00 per share. No dividends have been paid on it."

President, Joseph Ewing; Secretary, M. C. Keeler. We received the following letter from Nathan S. Cohen, 444 Madison Ave., N. Y. C., former attorney for the company dated Oct. 5, 1939. "This is in reply to your letter of Oct. 4, 1939, with reference to Fireproof Bedding Corp. I have not represented this company for several years and therefore I am unable to assist you with information concerning the present status of the company and the value of its shares." Mr. Cohen informed us over the telephone that Mr. Joseph Ewing, former President of the company, was located at New Canaan Dirt Road, Bedford Village, Westchester, N. Y., and that he (Mr. Cohen) had not been paid for incorporating the company and had given up any idea of collecting same. Mr. Ewing informed us over the telephone on Oct. 9, 1939, that the company was sold out at a Sheriff's sale in the fall of 1936 and that nothing was left.

First National Bank, Hempstead, L. I. Value of Capital Stock. This bank closed its doors on January 25, 1934. On April 26, 1934, the Comptroller of the Currency ordered Edwin V. Hellawell of Garden City, L. I., the receiver, to levy an assessment of 100% on the stockholders. Up to January 4, 1938, the depositors received 90% in liquidation. It has been held that where a bank stock has been assessed 100% it is sufficient evidence to establish worthlessness of the stock. Therefore, we submit the shares as worthless as of Sept. 2, 1938.

President, Ansley H. Fox, Atlantic City, N. J.; Treasurer, J. H. Sayles, Philadelphia, Pa. The following letter dated March 6, 1928, was sent by the Chamber of Commerce of Atlantic City, New Jersey, to the Better Business Bureau of Philadelphia, Penna. "We have received your inquiry regarding the present value of the stock of the Fox Holding Company, and upon interviewing Ansley H. Fox, President of that company we obtained the following information. The Fox Holding Company was organized to purchase the patents, etc., of the defunct Fox Motor Car Company at a receivers sale. The company has never actively operated and is doing nothing but holding their purchases from the above mentioned sale. On April 6, 1926, the majority of stockholders approved of the distribution of a 10% liquidation dividend which was received shortly afterward."

Frontier Realty Company. Incorporated on Nov. 4, 1911 in Wisconsin and was located at 223 Washington Bldg., Madison, Wis. Its corporate rights and privileges were forfeited Jan. 1, 1936 for failure to file an annual report in the Secretary of State's office during 1935. The last annual report filed Jan. 29, 1934 shows: President, Sanford P. Starks, Madison, Wis.; Vice-President, C. L. Bobb, Madison, Wis.; Secretary, A. C. Hoppmann, Madison, Wis.; Directors: A. M. Stondall, Madison, Wis.; C. M. Dow, Madison, Wis. We received the following letter from Sanford P. Starks, former President of the company located at the Ambassador Hotel, 2308 West Wisconsin Ave., Madison, Wis., dated Jan. 9, 1939: "Your letter of January 5 regarding the Frontier Realty Company stock held by one of your clients was forwarded to me here. I have no records before me but my recollection is that the Frontier Realty Company was organized about 25 years ago to purchase a tract of wild land in Montana. Soon thereafter a contract was entered into with a retailing organization to dispose of it but after the sale of a few parcels an opportunity presented itself to sell the tract as a whole, which was done, and my recollection is that the stock paid back 163%. After this sale, the only asset was a small piece of land which came back to the Company by default and on which taxes were paid for some years. It was finally abandoned and the Company was allowed to die automatically. The stock, therefore, has no value whatever now."

Fruen Cereal Company. The above company, formerly Pettijohn Milling Company was organized under the laws of Minnesota on Oct. 20, 1894 and its corporate period was for thirty years from Nov. 1, 1894, which time will have expired by limitation. The incorporators were Henry W. Phelps, Wm. H. Fruen, Walter L. Fruen, William F. Fruen and Anna P. Pettijohn all of Minneapolis. We received the following letter from the Secretary of the Fruen Milling Company, Glenwood Ave. at Thomas, Minneapolis, Minn. and dated Nov. 10, 1938. "In response to your letter addressed to William H. Fruen (now deceased) will state that the stock of the Fruen Cereal Co. has no value. Briefly, the International Cereal Company was organized and took over The Fruen Cereal Company and the Champlin Flour Company of this city. Later, on account of the number of products under the Fruen name, the Company name was changed to Fruen Cereal Company. The Company later got into financial difficulties, and in 1923 went into receivership, the creditors receiving only about one-third of the value of their accounts, which left nothing at all for the stockholders. The physical assets were bought up at public auction and this present Company was organized and has continued in the business since 1923."

Fulton Street Railroad Co. First Mortgage 100 Year 4% G. B. due Nov. 1, 1995: We received the following letter from the Guaranty Trust Company, 140 Broadway, New York City, signed by P. G. Norris—X931:71—and dated April 13, 1939. "In reply to your letter of April 11, 1939, our records indicate that the Fulton Street Railroad Company defaulted in payment of interest on the above bonds in 1908. A receiver was appointed for the Company and eventually we, as Trustee, recovered a dividend representing the proceeds of claims which were made against the Metropolitan Street Railway Company and New York City Railway Company. The above Mortgage was not foreclosed for the reason that it appeared no property of any value was covered thereby other than the proceeds of the two claims above mentioned. We, as Trustee, were authorized to distribute pro rata to the holders of bonds of the above issue the sum of $9.0969 on each bond, in accordance with a Court Order dated November 4, 1927. It would seem unlikely that any further distributions will be made on bonds of the above issue. If the bond to which you refer has not received the distributive payment, you may forward it to us."

Gallican-Chipley. (First Mortgage & Coll. Trust 6% Bonds.) We received the following letter from Mr. H. Waller Fowler, Jr., Successor Trustee, of Wolfe & Fowler, Cardondelet Bldg., New Orleans, La., dated December 2, 1939: As Trustee of the above issue, I have declared as of December 1, 1939, a second and final distribution of $45.1755 per $1,000. principal amount. Only one $500. bond, No. D1646, is unlocated, all others are on deposit with the Bondholders Protective Committee. The amount of $67.59, applicable to the one undeposited bond, has been placed in the Registry of the Civil District Court, Parish of Orleans. The Trustee is now discharged and all further communications should be addressed to the Committee who have bought at public auction the few assets recently liquidated by the Trustee. The Chairman of the Bondholders Committee is Mr. Chapman H. Hyams III, the Secretary, Mr. George Fruthaler, 1807 Canal Bank Building, New Orleans, Louisiana.

Gas Bond and Share Corp. Incorporated in Delaware on Feb. 10, 1925, and filed its last report in 1925. The charter was forfeited on April 1, 1928, for non-payment of two years taxes. Mr. Nathan A. Smyth, formerly Vice-President of the Company, located at 60 Wall St., N. Y. C., informed us as follows on Jan. 10, 1939: "The Gas Bond & Share Corporation went to the wall, completely without assets, a great

many years ago. I don't remember how many, but I know it was more than ten years. I have had certain shares of its stock, which long ago I marked off as competely worthless."

Gas Generator Corporation of America. Incorporated in Delaware on January 23, 1934, and is no longer in existence, having become inoperative and void April 1, 1937, and proclaimed by the Governor, January, 1938, for non-payment of taxes. Certificate of Incorporation was filed by the Colonial Charter Co., 926 Market St., Wilmington, Del. As shown by its last annual report filed for the year 1934, the company had offices at 145 East 41st St., New York City, and the following were officers: President, Lewis A. Ellis, 145 E. 41st St., N. Y. C.; Vice-President, P. Fiske, 145 E. 41st St., N. Y. C.; Secretary, George A. Law, 145 E. 41st St., N. Y. C. In view of the fact that the company filed its last report in 1934, the company apparently ceased to exist shortly thereafter as the company did not pay any franchise tax for 1935.

Gas Investment Company, Buffalo, N. Y. Value of Capital Stock. The Secretary of State at Albany, New York, informed me that they have no record of this company. The County Clerk at Buffalo, N. Y., informed me that they found no Certificate of Incorporation for a Domestic or Foreign company of this name in their office. The company apparently went out of business many years ago. I found no value to the stock and therefore believe the shares were worthless as of September 6, 1937, the date of the decedent's death.

General Colors Company. Incorporated under the laws of the State of New York on May 25, 1905, and was located in Manhattan. The corporation was dissolved by Proclamation of the Governor published March 13, 1926. President, Joseph C. Baldwin; Secretary, DeWitt C. Jones, Jr. We received the following letter from Ernest M. Picker, Treasurer of the American Dyewood Company, 22 E. 40th St., New York City, dated April 17, 1939. "We are in receipt of your letter of the 15th inst. in connection with the stock of the General Colors Co. We note that your client is the owner of 2,250 shares of Preferred and 1,228 shares of Common stock of that company which was issued to the Point Loma Chemical Co. In reply to the query in the second paragraph of your letter, we would advise you that the process to which you refer is still the property, as far as the writer knows, of the General Colors Co. As to the great value of this process, it should be noted that after two or three years of research and experimentation the process was abandoned. As to the liquidation of the General Colors Co. no legal steps have been taken. It has been difficult to locate the owners of stock in that company, and we would appreciate your furnishing us with the name and address of your client holding the above mentioned shares of stock so that we may communicate with him in the future in connection with any steps which may be taken to liquidate the General Colors Company."

Gillette Camera Stores, Inc. Incorporated in New York on June 23, 1924 and is located at 117 Park Ave., N. Y. C. President, L. W. M. Gillette (1924); Treasurer, Ja. W. Kittrell. We received the following letter from J. W. Kittrell, President of the company, located at Park Ave. & 41st St., N. Y. C. and dated Feb. 13, 1939. "Replying to yours of the 3rd, the stock of Gillette Camera Stores has no value. The company has been bankrupt for ten years and continues to operate this store only because it has not been required to pay principal or interest on loans made between 1925 and 1930. These loans and unpaid interest amount now to nearly $200,000."

Gillette Rubber Company. Eau Claire, Wis., March 1, 1940. Dissolution of the Gillette Rubber Company and its absorption by the United States Rubber Company was voted by stockholders at a special meeting here yesterday afternoon. United States Rubber held 93 per cent of Gillette's common stock, including purchases at $29. a share made since notice of the stockholders' meeting, issued on Feb. 12. The Gillette company was organized in 1917, and will cease to exist as a separate corporation on March 31. It is expected that liquidation will be completed by June 1. The United States Rubber Company yesterday notified stockholders of the Gillette Rubber Company that its recent offer to purchase the minority stock of Gillette outstanding at $29. a share will be extended to March 29. Originally the offer was to have expired at the end of February.

Girard Iron Works. Incorporated in Pennsylvania on December 20, 1894, and ceased to do business in July 1922. The Secretary of the company was George Schmidt. Mr. Schmidt, located at 22nd & Master Streets, Philadelphia, Pa., informed us on October 23, 1939, that this company merged with Aetna Foundry Company about 1917. In 1929 the Aetna Foundry Company merged with the Pennsylvania Bronze & Brass Corporation, which company failed in 1932. In view of the above it is our opinion that the shares are without value.

Glazier Headlight Corp. Incorporated in Delaware on Jan. 29, 1920 and lost its charter on March 19, 1924. The last report filed in 1922 showed offices at 25 Otsego St., Rochester, N. Y. Mr. Ralph R. Borchard, formerly President of the company, located at 42 East Ave., Rochester, N. Y. informed us as follows on Dec. 13, 1938. "This company went through Involuntary Bankruptcy proceedings, and its assets were sold at bankruptcy sale in the year of 1922 or 1923. The sale of its assets did not provide sufficient moneys to pay the company's indebtedness of notes and accounts payable." Therefore, we submit the preferred and common shares as worthless.

present status of leases purchased by James G. Glenn, Trustee, for oil mining purposes, during the year 1922 has been referred to this office for reply. Mr. Glenn acquired certain oil mining leases in the Osage Reservation beginning June 22, 1922, and all of such leases have now terminated by limitation of the period of which written, with the exception of one, which was assigned to the Continental Oil Company of Ponca City, March 16, 1926, as to an undivided one-half interest. One-half interest in the lease was retained, but same terminated as to all interest by limitation of the period for which written, August 3, 1927. This lessee does not own any leases in the Osage Reservation at this time. I am not informed as to his present whereabouts."

Globe Financial Corporation. This corporation held stock of the Globe Bank & Trust Company. An assessment was levied on the stock of the bank, and according to the holdings of the Globe Financial Corporation their assessment amounted to about $788,400, it was reported. The court ruled on Sept. 28, 1938 that stockholders of the corporation may be sued personally for assessments levied against the stock of the defunct bank that is held by the corporation. It would therefore appear that the stock of the bank and the corporation are without value.

Grand Rapids & Indiana Railroad Company. The Pennsylvánia Railroad Company informed us as follows on Feb. 13, 1940. I have your letter dated February 8th, but can find no reference to any bonds issued by the Grand Rapids and Indiana Railroad Company dated in 1859. The aforesaid Company issued $8,000,000. 7% bonds secured by a First Mortgage dated October 1, 1869; $3,000,000. 6% bonds secured by a Second Mortgage dated August 1, 1884; and $4,625,000. 5% General Mortgage bonds issued as of September 1, 1884, and I assume the bonds mentioned in your letter are part of the last named issue. The mortgage securing the General Mortgage bonds was inferior in lien to the mortgages securing the First and the Second Mortgage bonds. Foreclosure proceedings were instituted in 1895 by the Trustees of the mortgage securing the $3,000,000. 6% bonds, and the road was sold on June 10, 1896, under foreclosure of this mortgage for the sum of $500,000. but subject to the first mortgage securing the 7% bonds, of which there remained $5,375,000. outstanding. The General Mortgage bonds, therefore, are worthless.

Grandin Lumber Company. Value of C/D for 1st Mortgage 6% bonds. On Dec. 22, 1938, the First National Bank of Chicago, informed us as follows regarding the above certificate. "This is in reply to your letter of December 12, regarding the holding by the Baker estate of a certificate of deposit for Grandin Lumber Co., First Mortgage 6% bonds. The delay in reply to your letter has been occasioned by the necessity of obtaining information from outside sources. Holders of certificate of deposit of Grandin Lumber Company bonds in 1918 became entitled to receive certificates representing stock of a new corporation. Elk Creek Lumber Company, which corporation was organized to take over the assets of the Grandin Lumber Company, in an amount equal to 150% of the aggregate par value of the bonds represented by such certificate. The stock so issued was to be fully paid and non-assessable to 70% of its par value, the remaining 30% to be unpaid and to be subject to assessments from time to time as authorized by the Board of Directors of the new corporation. Mr. C. H. Worcester was President of the new corporation, and it is from his secretary that we have obtained the information in this connection. His address is 135 S. La Salle St., Chicago, Ill. The new corporation handled the exchange of certificates of deposit for the stock. For any additional information, which you may desire, we suggest that you communicate direct with Mr. C. H. Worcester, c/o C. H. Worcester Co. Our records have been closed for this account for a number of years." The stock of the Elk Creek Lumber Company is at present quoted at ⅞ bid, 1⅛ asked (Jan., 1939).

Granleigh, Inc. (N. Y.). Mr. Irving Zion, located at 120 Broadway, New York City, informed us on October 13, 1939, that this company built a building in New York City which was to be used as a private hospital. There were about $400,000. of First Mortgage bonds, and Second Mortgage bonds were issued to complete the building. The hospital was never operated and finally the property was sold for the benefit of bondholders, the Second Mortgage bondholders received about 15%, leaving no equity for the 6% Income bonds due 1934, which are without value.

Graphoscope Development Co. Incorporated in Delaware on Feb. 19, 1918, and lost its charter on March 21, 1923. The last report filed in 1920 showed the following officers: President, George E. Roberts, 55 Wall St., N. Y. C.; Vice-President, A. K. Baylor, General Electric Co., N. Y. C.; Treasurer, C. P. Hall, N. Y. C.; Director, L. W. Estes, 47 Indiana Ave., Washington, D. C. Mr. Geo. E. Roberts, former President of the company, located at 55 Wall St., N. Y. C., informed us as follows on Oct. 31, 1938: "Your inquiry about the stock of the Graphoscope Development Company has been received. Replying I would say that as a resident of Washington, D. C., in 1913-14, I knew Mr. C. Francis Jenkins, who held patents on moving picture apparatus. He sold me a small amount of stock in a corporation called the 'Phantoscope Company.' Mr. Jenkins controlled the company and later changed the name to the 'Graphoscope Company.' Still later, he interested Mr. A. K. Baylor, who then held an important position with the General Electric Company, and Mr. R. J. McClelland, of the Electric Bond & Share Company, with the result that the 'Graphoscope Development Company' was organized. A substantial amount of money was raised, Mr. Jenkins cooperating, and the headquarters were brought to New York. Unfortunately, disagreements developed between the New York parties and Washington parties headed by Mr. Jenkins, and in the election of a president a compromise was made on me, although my interest was comparatively small. I had no active part in the management. Mr. Wellstood White, of Washington, D. C., who had the confidence of the Washington parties, came to New York to have charge of the business and managed it for a number of years, winding it up in 1928. The business never became profitable, and all money put into it was lost. I do not think Mr. White blamable for the outcome. The patents afforded little protection against competition and the motion picture business, including the manufacture of equipment, tended to consolidate in few hands." In view of the above it is our opinion that the shares are worthless.

Halmack Oil Company. Incorporated in Delaware on Nov. 17, 1920, and became inoperative on April 1, 1931. The last annual report filed in 1928 showed offices at Dallas, Texas. President, W. W. McDonald, Dallas, Texas; Treasurer, Nathan Adams, Dallas, Texas. Properties consisted of leases in several counties in Texas. In 1929 the company's leases narrowed down to two counties. In 1930 the company was out of business. We found no value to the stock and therefore believe the shares are worthless.

Hambleton Company. See report on Hambleton Corporation.

Hambleton Corporation. We received the following letter from G. E. Gorsuch of Stein Bros. & Boyce, 6 S. Calvert St., Baltimore, Md., dated Dec. 16, 1938: "In reply to your letter of Dec. 14 concerning Hambleton Corporation, we are able to report as follows: From records which we have been able to obtain, there existed in 1932 two companies of similar name one Hambleton & Company, the other Hambleton Corporation. Receivers were appointed July 7, 1932, for both of these concerns. Upon investigation, the Internal Revenue Department determined that the common shares of Hambleton & Company were worthless in 1932. However, there seems to be some difference of opinion concerning the Hambleton Corporation which requires some explanation. Originally shares of the Hambleton Corporation were sold in units of one share of preferred stock and one share of common stock at $65. for the unit. Upon appointment of receivers as of July 7, 1932, it was stated that in their opinion based upon investigations made and presented to the court that the common stock would have no liquidating value. The preferred stock, however, has paid liquidating dividends of $24.06, the last payment being made on June 5, 1937, in the amount of $1.06. In a letter addressed to shareholders on July 7, 1937, receivers stated that upon application to the court they had been relieved of their duties since there was practically nothing left but worthless securities in the corporate estate and that unless by remote chance Hambleton & Company estate could be further liquidated, there would be no other distributions. Thus since the preferred stock did not liquidate at its full value, there was never any distribution made on the common. As for income tax purposes the preferred stock apparently was deductable in 1937 although there is some question concerning the common stock, namely whether it should have been deducted in 1932 as a part of the original unit upon the statement of the receivers that there would be no liquidation available for that class, or whether the entire unit consisting of one share of preferred and one share common, should be taken off in 1937. We were not able to get this definitely cleared up at the local office of the Internal Revenue Department. We trust the information which we have furnished may be of some assistance to you. In the event that this is not wholly satisfactory, we would suggest that you address your inquiry to Mr. Edwin W. Poe, Mortgage Guarantee Co., Baltimore, Md."

wish to acknowledge receipt of your letter of August 8th and are herewith enclosing a statement of the company as of December 31, 1938. As far as the writer's knowledge goes the Collector of Internal Revenue has not set the year in which the stock became worthless. There have been several over-the-counter sales during the last month, ranging from 12½¢ to 50¢ a share. If you desire to obtain a quotation, we would suggest that you contact one of the over-the-counter brokerage houses." The balance sheet, dated Dec. 31, 1938, shows no equity for the stock as of that date.

Havana Waterworks. It was reported in the New York Times in April 1939 that an attachment on the Havana water works was granted to holders of the second mortgage today in the First Instance Court of the Southern District of Havana. The municipality received thirty days from Judge Juan Ignacio Justiz in which to pay $284,300 interest and amortization now in arrears on the $3,000,000 mortgage. If payment is not forthcoming, Dr. Guillermo Belt, former Mayor of Havana and counsel for the bondholders, said the plaintiffs will ask that the waterworks be sold at public auction. Dr. Belt added that the municipality had not met its obligations for twenty-one months. A suit instituted by Dr. Belt last month demanding payment of the $750,000 due on the first mortgage was denied on technical grounds.

Henrietta Corporation, The. Fla. 1936.
Henrietta Oil Company. Incorporated in California on Oct. 2, 1900, and had its principal place of business at San Francisco, Calif. Company filed certificate of dissolution on July 31, 1930. "We received the following letter from Oliver Ellsworth, attorney, Mills Bldg., San Francisco, Calif., dated Feb. 28, 1939. Replying to your letter of the 24th inst., I would state that both Olema Oil Company and Henrietta Oil Co. were dissolved by order of the Superior Court of the City of San Francisco on the 11th day of July, 1930, and that all assets were distributed to the stockholders. The Secretary, Mr. M. A. Thomas, died July 17, 1934, and at the time of his death had possession of all records with which I was not acquainted. The stock you mention has no value whatever."

Historical Feature Film Co. Incorporated in Colorado in 1918 and its charter expired by limitation on May 10, 1938. Mr. James F. Sanford, Box 372, Colorado Springs, Colo., was Treasurer. His residence was at 430 North Weber St., Colorado Springs, Colo., and business address County Court House, Colorado Springs, Colo. Mr. J. E. Tompkins, 1513 N. Nevada Avenue, Colorado Springs, Colo., was a Director. The company is not active and has no office in the State of Colorado. Indebtedness — Judgment $664. Superior Court, Los Angeles, Calif. Company never operated in state of Colorado. Sold stock proceeds of which were used in efforts to promote a motion picture without success. Company had a bank account in the Colorado Springs National Bank, Colorado Springs, Colo. Above information dated March 11, 1936. We received the following letter from James F. Sanford, attorney, located at Colorado Springs, Colo., and dated Aug. 26, 1938. "Your communications regarding this company have both been received, and I have delayed answering, thinking I might be able to give you more information than I am able to give you at this time. This company was organized just before we entered the World War, and owing to the request that no private corporation would compete with the government in its efforts to sell Liberty Bonds, after a certain amount of stock had been sold the company took its stock off the market, and the company has not been a going concern for many years. Unfortunately for me, I was the treasurer of the company, and for many years the president of the company would make the annual reports, and have me sign them as treasurer. Upon the death of the president, Charles T. Fertig, I carried on that practice, assisted by one of the employes in his business. I was endeavoring to keep the company alive, hoping it might be disposed of as a second feature to some going concern, but nothing has ever come of my efforts. This stock has no market value. The films that were taken are in my possession. The only other director living in Colorado Springs is J. E. Tompkins, a moving picture man, and my understanding is that Colonel Ginger, the author of the play, is deceased. The other director is George A. Loveland, and his address is unknown to me. The former secretary of the corporation was in California the last time I heard of her. Any other information you may desire, and I can give, I will gladly give. There is $329.52 in the bank account of the company."

Hollis, Martin, Corporation. Fla. 1936.
Hollis Park Terrace Development Company. Company was organized under the laws of the State of New York with a capital stock of $575,000 and in 1913 the officers were given as follows: President, S. M. Bard; Treasurer, Thomas W. Davies; Secretary, George A. Faber; Director, Bradley W. Lewis. The office was located at 341 Fifth Ave., N. Y. C. and in 1914 it was moved to 47 W. 34th St., N. Y. C. and dissolved in that year. We have been unable to find any trace of the corporation or the directors since the year 1914 but assume that the corporation was dissolved. Our records indicate in 1912 that the company was unable to sell enough property to pay taxes of $20,000 per year. The bondholders were asked to pay a 5% assessment on each bond to save the property, but as only 55% of the bondholders agreed to the assessment, the amount was insufficient to save the property. The successor trustee of the bond did not receive any funds to pay on the bonds, and therefore believe the bonds are worthless.

Hudson Bay & Pacific Railway Company. The following notice is from Brown Shipley & Co., London, England, and was sent to us by Brown Brothers, Harriman & Co., 59 Wall St., N. Y. C.: "We thank you for your letter of the 21st instant, and note the source from which you have had an inquiry in regard to these Bonds. Incidentally we would say that about six weeks ago two individuals called here explaining that they were associated in business with the firm of Estate Agents you refer to, and we then pointed out to them that these Bonds were quite valueless, and that we had no knowledge of the whereabouts of the Office of the Company or the parties who issued the Bonds, and we suggested they should make further inquiries through their Bankers in Toronto. Some 20 years ago we approached you with a view to endeavoring to trace the individuals who issued these spurious Bonds, without result. Our recollection is that the Bonds are poorly printed on white paper, and the Coupons are stated to be payable "at the office of Brown, Shipley & Co., in London and New York." and the due date is the 25th June and December. Although we have not seen a Bond for a long time, we are under the impression the proposed "due date" was about now, so that if you get any further inquiries, we would add that immediately the falsification became known to us some 20 years ago or more we inserted public notices in the Press here—at some expense to ourselves—explaining that our name was printed upon the Bonds without our permission, and we warned the public accordingly in this advertisement (Dec. 5, 1938).

Hydro-Electric Company. Incorporated in Delaware on January 7, 1922, and is no longer in existence having become inoperative and void March 18, 1925, and proclaimed by the Governor January 1926 for non-payment of taxes. Certificate of Incorporation was filed by the Corporation Guarantee & Trust Co., 927 Market St., Wilmington, Del. The last annual report filed for the year 1923 showed this company had offices at Liberty Bldg., Phila., Pa., and the following were officers and directors: President, Edmund S. Fritz, Phila., Pa.; Vice-President, T. Charles Pole, New York City; Treasurer, Harry B. Apple, Phila., Pa.; Directors, George W. Beelman, Lancaster, Pa.; Eugene U. Gibbs, York, Pa.; George E. Haines, Phila., Pa.; E. B. Havens, Toms River, N. J.; W. H. Jeffrey, Toms River, N. J.; John A. Landis, Hershey, Pa.; Samuel Z. Witmer, Elizabethtown, Pa. We were unable to locate any of the above officers or directors. We found no value to the stock and therefore believe the shares are worthless.

Hydro Refrigerator Company, Inc. Incorporated in Delaware on Nov. 28, 1924, and lost its charter on April 1, 1928. The last report filed in 1925 showed offices at 115 Broadway, N. Y. C. President, Daniel B. Diss, New York City. Vice-President, King A. Harvie, Miami, Fla.; Treasurer, W. H. Albert, New York City; Secretary, J. A. Barrett. In 1925 the company was out of business. We found no value to the stock and therefore believe the shares are worthless.

Hydro United Tire Corporation. Incorporated under the laws of Delaware on Nov. 17, 1925, and is out of existence, having become inoperative and void April 1, 1930, and proclaimed by the Governor, January, 1931, for non-payment of taxes. As shown by the last annual report filed for 1929, the corporation had offices at 284 Hanover St., Pottstown, Pa. President, J. G. Feist, Pottstown, Pa.; Secretary, B. P. Sheeder, Pottstown, Pa.; Directors, W. L. Anderson, York, Pa.; W. H. Trimmer, York, Pa.; G. Wood Marshall, Sewell, N. J.; C. H. Wilcox, Center Moriches, N. Y.; A. F. Yacenda, Bklyn., N. Y.; S. W. McLarren, Osceola Mills, Pa.; H. R. Cook, Trenton, N. J., A. C. Andrew, Willimantic, Conn. Certificate of Incorporation was

filed by the Corporation Guarantee and Trust Co., 927 Market St., Wilmington, Del. The following report was taken from the Marvyn Scudder Manual, Vol. IV, under the National Rubber Products Corp. Incorporated in Delaware and had a plant at Pottstown, Pa. Petition for receivers was filed in U. S. District Court by John T. Hill and Ephram Lederer, Receivers of the Hydro-United Tire Co. of Pottstown, Pa. All companies were interrelated. According to a report made in the Financial World on June 20, 1921. W. C. Jenkins & Company of Philadelphia invited the stockholders of this corporation to exchange their shares plus some additional cash for the shares of the Hydro-United Tire Company. It was reported that Jacob G. Feist and his National Rubber Company the affiliate of the National Rubber Products Corporation were given a lot of publicity about their get-rich-schemes. The Financial World stated in December, 1921, that the stock of this corporation was worthless and had the stockholders been fortunate to have read at that time their exposures of this rubber scheme the stockholders might have been spared the trouble to which he now puts himself to find out what became of his money. The shares are absolutely worthless.

Independent Bonding & Casualty Insurance Company. We received the following letter from the State Banking and Insurance Bureau of New Jersey, Trenton, N. J., signed by Mr. B. B. Johnson, Asst. Deputy, and dated June 14, 1939. "The above-named Company, a corporation of this State, having organized under the General Insurance Laws and originally known as the Independent National Insurance Company, was placed in the hands of receivers by order of the United States District Court in the year 1930. According to our files Messrs. Fred Herrigel, Jr., of Newark, N. J., and Thomas L. Hanson of Perth Amboy, N. J., were appointed as officers of the Court by Federal Judge Guy L. Fake on September 27, 1930. By reason of said receivership said Company was, of course, removed entirely from the jurisdiction and supervision of this Department to that of the receivers, and we are without information concerning the present status of the receivership." We received the following letter from Samuel Kaufman, of Bilder, Bilder & Kaufman, 60 Park Pl., Newark, N. J., dated June 22, 1939. "We acknowledge receipt of your letter of June 15th, adressed to Mr. Fred Herrigel, Jr., which has been turned over to us for reply. The above company was adjudicated insolvent in September, 1930, and there will be no dividend to creditors. The stock in the company is therefore valueless."

Industrial Securities Co. Incorporated under the laws of the State of Delaware, January 23. 1922, and acquired for itself a very questionable reputation. Its various enterprises were never known to have been a financial success for its stockholders. Among the companies promoted by this company, headed by C. R. Cole were Drymond, Smith Company, Mutual Electric Company and the Perfection Tire & Rubber Company, none of which, we understand, were a financial success. The Industrial Securities Company developed an "indemnity bond" for protection of investors against loss on purchases of securities from this concern, which was issued with each sale of stock, as a carefully drawn up guarantee which called for the repurchase of the stock at a given time at double the price at which it was sold. Thousands of such guarantees were put in the hands of the public who placed their faith in them as an assurance not only against loss of their capital but an insurance of double profit. In promoting these schemes Cole employed all the tricks of the get-rich-quick promoters. In January, 1920, the company was thrown into receivership. This action was taken, we understand, to forestall the collecting of more than $500,000. on indemnity bonds maturing on December 31, 1919, given by the company with promotion stock which it sold. The bill set forth that on June 30 and December 31, 1929, $2,000,000. more of similar bonds were to mature and it was said if these were enforced, stock of the company would be worthless. Bill also alleged that indemnity bonds were invalid. The company finally failed and C. R. Cole took himself to Texas, where he told his former stockholders, in voluminous circulars, his great expectations of recouping his fallen enterprises and restore to them the wealth he had explicitly promised as a certainty but in order to accomplish this he would need some more financial assistance. It is hoped that there were no more gullible stockholders left to respond to this appeal. There is no doubt that both the stock and indemnity bonds are without value at the present time. Company's charter was declared void on January 23, 1922, on account of taxes being unpaid for two years.

Interborough-Metropolitan Co. Stock worthless—reports are listed in our manuals. The bonds were not paid in full in liquidation leaving no equity for the stock.

Interborough Realty Co. We received the following letter dated April 11, 1934, from the United States District Court, Southern District of New York, New York City, signed by Charles Weiser, Clerk, "In reply to your letter of April 4th, with reference to the Inter Borough Co., you are advised that the amount of unclaimed dividends in said cause which remained on deposit in the registry of this court for a period in excess of five years was deposited in the U. S. Treasury on March 29, 1923. The total of these unclaimed dividends amounted to $352.39. Your client will need this information if he wishes to file a claim with the U. S. Treasurer for the amount to which he may be entitled. The funds are available only to those whose claims were allowed." We received the following letter from Charles Weiser, Clerk of the United States District Court, Southern District of New York, U. S. Court House, Foley Square, N. Y. C., dated Dec. 15, 1938: Bankruptcy No. 18380. "Reference is made to your letter of Dec. 13, 1938. The records of the above entitled proceeding show that the claim of one Henry Diffene, Wallingford, Conn., who appears to have been the owner of Bond No. 230, was allowed in the amount of $501.25. A first and final dividend of $21.55 was declared and paid to said claimant. The dividend declared was at the rate of 4.31%. The amount of $352.06 paid over to the U. S. Treasury represented outstanding, uncollected, dividend checks, and amounts due to creditors who could not be located. The name of the owner of Bond No. 230 does not appear on the list of unpaid dividends." Although the bond does not appear to be stamped it would seem that the distributive share had been paid.

Intercoast Utilities Inc. Company was incorporated under the laws of the State of Delaware on June 16, 1930, and is no longer in existence having become inoperative and void April 1, 1933, and proclaimed by the Governor, January 1934, for non-payment of taxes. Certificate of Incorporation was filed by The Corporation Trust Co., located at 100 W. 10th St., Wilmington, Del. The company did not exist very long as no reports were ever filed with the State of Delaware. The shares in our opinion are worthless, and have been so since 1930 or 1931. As for taking a loss for Income Tax purposes, it is too late as the loss should have been taken in 1930 or 1931, and is now outlawed.

Intercoast Utilities Inc. Incorporated in Delaware on July 14, 1934, and its corporate address is care of the Corporation Trust Co., 100 W. 10th St., Wilmington, Del. The Northwestern Pennsylvania Gas Corp., located at. Kane, Pa., informed us on March 22 1939, that we should communicate with Mr. F. W. Young, President of the Inter-Coast at 912 W. 12th St., Erie, Pa. Letters addressed to Mr. Young have not been answered nor returned. The Northwestern stock has a small market value but there is no market for the Intercoast shares. As the Northwestern stock has some value, we cannot see how you can take a loss on the Intercoast stock unless the shares are actually sold.

International Combustion Engineering Corp. Incorporated in Delaware and lost its charter in 1936. The company's assets were sold to International Combustion, Inc., in 1933. The preferred stockholders who turned in their stock received rights to purchase securities of International Combustion, Inc., within five years. Those rights expired in 1938. The common stockholders received rights to purchase securities of International Combustion, Inc., but those rights expired on June 8, 1933. The name of the latter company was changed to Combustion Engineering Co., Inc., which is now located at 200 Madison Avenue, New York City. The present company confirmed the above and stated that the shares of the International Combustion Engineering Corporation are now worthless.

International Match Realization Co. Ltd. Holders of certificates of the above company received today with a third liquidating dividend of $7.50 a share, a report from John C. Bancroft, president, on the status of the company. The monopoly the company holds for sale of matches in Turkey is operating profitably, Mr. Bancroft said, but the profit is being accumulated in Turkish money which cannot now be converted into dollars. Proceeds from the sale of 255,425 Class B shares of the Swedish Match Co. for $1,279,144, provided funds for the dividend paid. Taken from newspapers about Nov. 1, 1938. Holders of unexchanged Certificates of Deposit of the International Match Corp. may receive this dividend upon exchange of their certificates for stock of the International Match Realization Co., Ltd.

International Realty Associates Inc. Value of 7 Shares of Capital Stock, Par Value $100. Incorporated in Delaware and is located at 106 Manhattan Bldg., Duluth, Minn. The company informed us as follows on Dec. 15, 1938: "Replying to your favor of the 12th inst., inquiring as to the value of our stock for the Garfield Estate, I write to say there is practically no sale for the stock at present. There have been one or two sales during the past few months, I understand, around $10 to $15 per share. I enclose a copy of the last financial statement. The next annual meeting of the stockholders will be held some time early in the spring at St. Petersburg, Fla. Mr. N. J. Upham, the president of the company, is there developing a promising subdivision belonging to the company, from which we hope for good results."

Interstate Bridge Company. Incorporated in Ohio. President, L. F. Haller, Wheeling, West Virginia; Secretary, Chas. McCamic, Wheeling, West Virginia; Treasurer, J. F. Mellott, Bellaire, Ohio. The company located at Bellaire, Ohio, informed us that the common stock was offered at $5. per share when the company was organized. The company's statement as of Dec. 31, 1937, discloses a deficit of $167,710.72 which wipes out all equity for the common stock at the present time. The company's earning statement for the same period discloses net income after charges of $21,356.01 after including discount on bonds purchased of $23,037.50. Without the bond discount the company would show a loss of almost $2,000. for the same period. The company has outstanding $767,000. of First Mortgage bonds; $181,300. of Prior Preferred Stock and $563,000. of Preferred Stock. In view of the above, the future value of the common stock is problematical and we believe that said shares should be considered as worthless for some time to come.

Delamater, former Treasurer of the company, located at 8801 Shore Road, Brooklyn, New York, informed us on February 19, 1940, that Mr. Matthew Collins was the guiding spirit in the company but like lots of visionary men, over expanded and the company went into receiver's hands on September 13, 1924. Our records indicate that nothing was recovered out of the receivership to pay anything on the stock. The shares in our opinion are without value.

Jackson Motors Corporation. We received the following letter from W. L. Driscoll, Manager Credit Dept. of the First National Bank, Boston, Mass. dated January 13, 1939. "In answer to your inquiry of January 12, it is our understanding that the Jackson Motors Corporation got into difficulties in 1921 and its bonds were subsequently exchanged for 7½% collateral trust notes of the Associated Motors Industries, which later became in effect second mortgage bonds of the National Motors Corporation. The National Motors Corporation got into difficulties about 1925 and some of the notes were deposited with a committee headed by a Mr. Simpson of the Continental Motors Corporation, but it was discovered that all that could be collected was in the vicinity of $2,600. which was insufficient even to pay attorneys fees. By 1928 these bonds were considered absolutely worthless."

Jefferson Land Company. Incorporated in Pennsylvania and was located at Indiana, Penna. in 1909. The Farmers Bank & Trust Co. of Indiana, Penna., informed us on Feb. 24, 1939, that they do not know of any company by the above name. The County Treasurer, located at Indiana, Penna., informed us on Feb. 24, 1939, that his office searched the office of the Recorder of Deeds and found no property on record in Indiana County in the name of this company. We found no value to the shares and therefore believe they are without value.
Jefferson Manufacturing Company. Incorporated in Maine on April 13, 1901, and filed its last return in 1903. The charter was suspended in 1907. We found no value to the stock and therefore believe the shares are worthless.

Jewish Agricultural and Colonial Assn. We received the following letter from Edgar A. Bering, Vice-President of the Walker Bank & Trust Co., Salt Lake City, Utah, dated Dec. 5, 1938. "Replying to your letter of Dec. 1st we wish to inform you that our Trust Department's records fail to reveal where any money was ever deposited with us for the payment of principal or interest on Jewish Agricultural and Colonial Association First Mortgage bonds due in 1924. We have contacted both the State Securities Commission and the Secretary of State's office, who advised us that the Association was incorporated March 23, 1914, by a group of citizens residing in Gunnison, Utah, but that it lost its charter in 1916 for failure to pay the corporation tax. In its articles, the Association did not list assets, nor property of any description. We were further advised that the Association was formed to supervise the colonization of San Pete County, Utah, by Jewish people. We have contacted a reliable local broker who is well acquainted with such matters, and he advises that in his opinion the bonds are without value." In view of the above we believe the bonds are without value.
Jewish Colonial Trust, Ltd. We received the following letter from the office of the company located at Brooke House, Walbrook, London E. C. 4, England, signed by the Secretary, S. Costa and dated Nov. 10, 1938. "In reply to your letter of the 31st ultimo, we beg to inform you that our Shares are not quoted on the Stock Exchange, and we are, therefore, unable to state their value. Transfers for single shares are occasionally seen to pass hands at between 10 to 15 shillings."

Johnson Properties Corporation. Incorporated in New York and is located at 26 East Parkway, Scarsdale, N. Y., in care of Angell, Van Schaick & Co., Inc., realtors. The following is a copy of a letter received from the above dated Oct. 26, 1938. "Your letter of October 25th, addressed to the Johnson Properties Corporation received. We are enclosing herewith a balance sheet as of January 1, 1938, showing the condition of the corporation at that time. There has been no material change in these conditions since then. The properties owned by the corporation consist principally of equities in private residences subject to mortgages which are equal to or more than the properties would bring at a liquidating sale today. There is no market for the stock and there is no prospect of any distribution of assets in any material amount. The corporation has held on to those properties where the income was sufficient to prevent foreclosure, in the hope that improvement in real estate conditions might develop some equity for the stockholders." In view of the fact that the mortgages payable exceed the value of the assets we do not believe the stock has any value at this time.

Kansas City Public Service Company. Notification that plan has been declared operative. Notice is hereby given that the plan of capital readjustment, dated Jan. 31, 1939 (proposed to be effectuated with R.F.C. assistance), has been declared operative as of the opening of business on Oct. 16, 1939, and proceedings are now being taken for the consummation thereof. Deposits of bonds under the plan will continue to be accepted until further order. Interest upon the deposited bonds will accrue from Jan. 1, 1939, to Nov. 1, 1939, the date fixed for exchange. Holders of depositary receipts will be notified in due course as to surrender of same for cash and preferred stock as provided in the plan. Attention is directed to the following excerpt from the plan—"The Company reserves the right to declare the plan inoperative or abandon same at any time if, in the judgment of the board of directors, it appears impracticable or doubtful of successful consummation, or if the R.F.C. or any other governmental or regulatory authority imposes terms or conditions modifying same or inconsistent therewith, even though the plan may have theretofore been declared operative." Kings Farm Realty Company. Value of Promissory Note, Dated May 28, 1915. Mr. Arthur C. Bang, formerly Vice-President of the company who is now located at 52 William St., N. Y. C., informed us on August 17, 1938, that this company passed out of existence about 1916. The company's only assets were real estate which was foreclosed and reverted to the original owner. There was no equity left for the bonds or notes. Therefore we submit the Note as worthless.

Kings, Queens & Suffolk Co. Incorporated in New York in 1894. We found no record of this company, but believe it was affiliated with the Kings, Queens & Suffolk County Railroad Company. This road was never built and its securities are without value. The United States Investor reported in 1902 that they were unable to find any trace of the Kings, Queens & Suffolk Co. and believed that the shares were worthless. The corporation was dissolved by Proclamation in 1924. It is our opinion that the preferred and common shares are worthless.

Kreuger & Toll Company. (5% Secured Debentures.) It was reported around July, 1938, that: The protective committee for Kreuger & Toll Co. debentures today made payments to holders of certificates of deposit which amounted to 433.70 Swedish kronor for each $1,000 deposited secured debenture. The kronor is worth about 25 cents. The committee made a prior distribution in Swedish currency in late June last year. This distribution amounts to about $110 in American money for each $1,000 debenture of the erstwhile holding company which the late Ivar Kreuger of Sweden rocketed to great size by financial manipulations during the 1920's. Altogether $520. has now been paid to each holder of a $1,000 deposited debenture. Otis A. Glazebrock, Jr., of G. M. P. Murphy & Co., is Chairman. See Volume VI. Lee, Higginson & Co., announced in May, 1939, that holders of certificates representing participating debentures, would receive a distribution of 2.35 cents for each American Certificate.

Lackawanna Securities Co. We received the following letter from the Lackawanna Securities Company located at 90 West St., N. Y. C., and signed by J. G. Enderlin, Vice-President. The letter is dated Nov. 3, 1938. "In response to your communication of Oct. 28th, would advise that the final liquidating dividend of 20¢ a share on stock of this company was paid January 31, 1934." Mr. Suszik of Standard Statistics informed us on Dec. 9, 1938, that a plan was approved in August, 1932, for the stockholders to accept a $1,000 bond of the Glen Alden Coal Company for every 16½ shares of Lackawanna.

Lakeview Cemetery Association. Incorporated in New York on May 9, 1906, and is located at Fleming, N. Y. We received the following letter from the National Bank of Auburn, Auburn, N. Y., signed by G. W. Scott, Vice-President, and dated January 12, 1938. "Reference is made to your letter of January 7th regarding the Lakeview Cemetery, Fleming, N. Y. We have been unable to locate any one who knows anything about shares of stock issued by this Cemetery Association. If the Holmes Estate has such stock, from what we have been able to learn, we would say that it has no value." The County Treasurer at Auburn, N. Y., informed us on March 9th, 1939, that cemetery property in Fleming under the name of Lakeview Cemetery is assessed at $4,000. It is

La Salle Petroleum Company. We received the following letter from W. J. Schnur and Phil D. Williams, Receivers, 612 Wright Bldg., Tulsa, Okla., dated Feb. 6, 1939. "The company has been in receivership since 1931. However, it is being operated under a very conservative plan by the receivers, who have succeeded in keeping all properties in a fairly good state of repair, although some of them have not been operated as a whole. During the past few years we have been able to make a fair showing, and it is hoped that a reorganization can be effected in the near future. For the further information of your client, we are operating a refinery located at Burkburnett, Texas, on a wholesale tank wagon business in that vicinity. The company also owns and operates crude oil and natural gasoline producing properties in Texas, and also has contracts with the Texas company and the Skelly Oil Company, which companies are running our natural gas production, making natural gasoline, which is delivered to our refinery for the blending of motor fuel. Our natural gasoline plant and equipment, is still intact, but is shut down due to high manufacturing costs. The company also owns and operates crude oil and gas producing leases in Oklahoma and Kansas; also several undeveloped leases which we believe will prove to be of real worth in the course of time."

Lebanon Springs Railroad. Property sold under foreclosure of Receiver's Certificates on August 12, 1899, and was succeeded by the Chatham & Lebanon Valley Railroad, which was absorbed by the Rutland Railroad Company. The road was sold for less than the Receiver's Certificates leaving no equity for the First Mortgage 7% bonds due 1897. The Central Hanover Bank & Trust Company of New York City, Trustee, stated that no funds were recovered for these bonds. The Rutland Railroad Company, located at 466 Lexington Avenue, New York City, informed us on April 6, 1940, information confirming the above, and that the stocks and bonds are worthless.

Liberty Starters Corporation. Incorporated in New York on Oct. 4, 1918 and was located at 200 Fifth Ave., N. Y. C. The corporation was dissolved on Dec. 15, 1932. President, D. G. Maynard; Treasurer, R. H. Eggleston, 70 E. 77th St., N. Y. C.; Secretary, E. H. Stickels. The company was placed in receivers' hands in 1921 When the receivership was wound up no equity remained for the capital stock which was worthless. Mr. Frederick S. Taggart, an attorney, and former Trustee, located at 61 Broadway, N. Y. C., informed us on Jan. 13, 1939, to the effect that if we examined the proceedings we would find that there were not sufficient assets to pay creditors, and all of the stock was wiped out.

Lincoln Hotel Properties. We received the following letter from the Continental Bank & Trust Company, 30 Broad St., New York City, signed by Mr. H. Springer, and dated Feb. 27, 1939. "Receipt is acknowledged of your letter inquiring as to the status of Bond M8013 of the above issue held by your client. Pursuant to an order of the court at the request of the holders of the majority of the outstanding bonds, the above properties were sold at foreclosure on November 23, 1936, at the upset price of $700,000. fixed by the court. Bondholders are entitled to their pro rata share of the net proceeds of the sale plus their pro rata share of the funds on deposit with the trustee. This distribution is at the rate of $256.92 per $1,000. bond. In accordance with the order of final judgment dated April 24, 1936, there is now also being distributed a pro rata share of fixed principal and interest monies which were deposited with the fiscal agent. This is at the rate of $21.87 per $1,000. bond. Bonds with the January 1, 1932, and subsequent coupons attached may be presented to this bank for payment with the request for the amount of distribution; they will be stamped and returned to you together with our check."

Lincoln Ice Co. Fla. 1936.

Lincoln-Idaho Oil Company. Incorporated in Wyoming and its corporate franchise was cancelled on May 15, 1929. Mr. Thos. Clinton, of Kemmerer, Wyoming, was the agent for service. Letters addressed to the agent were returned. We searched our oil books back to 1918 listing all operating oil companies and found no record of this company. We found no value to the stock and therefore believe the shares are without value.

Liquid Gold Oil Company. Incorporated under the laws of the State of Montana on September 29, 1930, for a period of forty years and no dissolution has been filed. The last report filed on November 30, 1936, contains the following statement: "This company is insolvent and has ceased to voluntarily incur financial obligations and has ceased to be a going concern. The reason more directors have not signed this statement is because their whereabouts are unknown to the within signers. There was no report filed earlier in the year 1936 because statements were filed for the two years previous thereto showing the said company was insolvent and had ceased to incur financial obligations and had ceased to transact any business. The reason said company has ceased corporate activities is because the stockholders have lost interest, the corporation has no property, and the well that was drilled was dry." President, Paul W. Smith, Helena, Montana; Secretary, David R. Smith.

Little Wonder Oil Company. Incorporated in Texas and was located at Southern Life Bldg., Dallas, Texas in 1921. President, G. C. Thompson; Secretary, R. R. Rhodes. Property, 1,577⅞ acres in nine counties. This company was not listed in the "Petroleum Register" at any time. Apparently the company had leases and when it failed to strike oil, it passed out of existence. We found no value to the stock and therefore believe the shares are without value.

Lockwood Manufacturing Company, South Norwalk, Conn. Hadfield, Rothwell, Soule & Coates, Stamford, Conn., informed us as follows on March 11, 1940: For your information would advise that the merchandise, machinery and equipment of The Lockwood Manufacturing Company was sold to The Independent Lock Company, who moved same to their Fitchburg, Massachusetts plant in 1935. Subsequent thereto, The Lockwood Manufacturing Company has been in liquidation and the following liquidating dividends have been paid: 1—June 17, 1935, $1.00 per share; 2—Jan. 24, 1936, $.50 per share; 3—Feb. 2, 1937, $.60 per share; 4—Jan. 2, 1940, $1.80 per share. There will be another dividend paid this month in the amount of 10 cents per share, which leaves nothing remaining from which dividends may be paid except a few old accounts receivable upon which the collectibility is estimated to be nil. There have been no sales of stock for a number of years and trust that the above information will enable you to establish a value thereon as of the dates requested.

Long Island Transportation Company. Value of Stock Dated Nov. 26, 1890, at Oyster Bay, L. I. Incorporated under the laws of the State of New York and was located at Oyster Bay, Nassau County, New York. The corporation was dissolved April 3, 1924, by Proclamation of the Secretary of State. The Department of Public Service of the State of New York informed us that they have no record of this company. The Long Island Railroad Company and the Brooklyn-Manhattan Transit Corporation informed us that they know nothing about this company. We searched our library records back to 1886 and found no record of this company nor any value to the stock. It is our opinion that the shares were worthless as of March 27, 1934.

M. T. C. Oil & Gas Company. Incorporated under the laws of the State of Delaware on February 3, 1919, and is no longer in existence, having become inoperative and void on April 1, 1931, and was proclaimed by the Governor in January, 1932. According to the "Petroleum Register," the company held leases on property in Payne and Creek Counties, Oklahoma. The Assessor of Creek County, Oklahoma, at Sapulpa, informed us on February 14, 1940, that there is nothing in their office that would reflect that this company held any leases in Creek County. The County Clerk at Stillwater, Payne County, Oklahoma, informed us on February 9, 1940, that the M. T. C. Oil & Gas Company owned some leases in Payne County, but assigned them away in 1926. It would appear that the company had no assets since 1926 and that the shares have been worthless since then.

M. & T. Motor Car Co., Inc. N. J. 1939.

M. V. All Weather Train Controller Co. Incorporated in Delaware on September 20, 1917, and filed an amendment November 7, 1924, changing its name to that of Burrows Train Control Co. by which name it was known and which is no longer in existence, having become inoperative and void April 1, 1929, and proclaimed by the Governor, January, 1930, for non-payment of taxes for two consecutive years. Certificate of incorporation was filed by the Corporation Trust Co., 100 W. 10th St., Wilmington, Del. As shown by its last report filed for the year 1927, the corporation had offices at 197 Market St., Newark, N. J., and the following were officers and directors: President, Albion N. Doe, 34-46 87th Street, Jackson Heights, L. I.; Vice-President, Alex R. Berkander, 268 Westminster St., Providence, R. I.; Treasurer, Ralph W. Shields, 150 E. Frederick St., Binghamton, N. Y.; Secretary, Joseph F. Clair, 361 Johnson Ave., Newark, N. J.; Director, Harry Bailey, Hotel Lincoln, N. Y. C. Letters addressed to Mr. Doe have not been answered. We have called Mr. Doe on the telephone and he refuses to call us. We found no value to the stock and therefore believe the shares are without value.

Mahala Oil & Gas Company. Value of Capital Stock. Incorporated in California on November 19, 1919, and is located at Western Pacific Building, Los Angeles, California. The company informed me that the stock had no market value at any price about the date of death. The last sale occured in 1931, when some delinquent assessment stock sold at five cents per share. In view of the above, I do not believe the shares had a fair value in excess of one cent per share as of September 6, 1937, the date of the decedent's death.

Marion Improvement Company (N. C.). Value of 20 shares of Capital Stock, par value $50. and dated 1886. The Department of State, at Raleigh, North Carolina, informed me on July 28, 1938, that they were unable to find any record of a corporation by this name in their files. I searched our financial records and library files back to 1886 and found no record of this company's operations. It is my opinion that the shares were worthless as of July 2, 1937, the date of the decedent's death.

Maritime Education Co., Ltd. We received the following letter from the Prudential Trust Company, Limited, Montreal, Canada, dated Dec. 7, 1939, and signed by the General Manager. "We have your letter of the 5th inst. enquiring regarding bonds of the above Company. We are sorry to advise that these bonds are now of no value. The assets securing the bonds were

seized and brought to Sheriff's Sale by holders of claims for wages and other prior liens. The company was put into liquidation and there was nothing realized from the Sheriff's Sale over the amount required to settle the wage claims, so that the company is out of business. There was not even enough realized to pay certain expenses we had incurred on behalf of the Bondholders."

McCue Bros. & Drummond, Inc. Incorporated under the laws of the State of New York and is engaged in the hat business with an office at 52 Broadway, N. Y. C. The attorney for the company informed us on September 25, 1939, that the amount the company owes to creditors exceeds the amount of assets, and therefore the stock has no value at this time. In view of the above we submit the preferred and common stock as worthless.

Medford Corporation. Organized in Delaware in November, 1932, and qualified to transact business in Oregon in Dec., 1932, and is in good standing at the present (Dec. 1938) with its license fees and annual reports current. Attorneys, Topliff & Fitts, 105 S. La Salle St., Chicago, Ill. According to last annual report filed June 23, 1938, the following were officers: Henry F. Chaney, 407 Pacific Bldg., Portland, Ore.; C. E. Siddall, 1010 208 S. La Salle St., Chicago; George R. Birkelund, 1010 208 S. La Salle St., Chicago. We received the following letter from Mr. Chaney dated Dec. 2, 1938. "I have yours of the 14th, I have heard of no sales of Medford stock recently. I think the last sales were around 18 or 20. The lumber market as you know this past year has been several dollars below 1937, the lumber production as a whole falling about four billion feet less than 1937. The Medford Corporation has lost money, though its current position is fairly good. In the last two years it has reduced the original loans from the banks from $350,000. to $150,000. has paid all taxes to date, and has paid for some badly needed new equipment and rehabilitation of the mill, which was not done in the very bad years from 1930 to 1935 or 1936 when we started it again full blast."

Medina Waterworks Co. Incorporated in New York on January 20, 1890, and was located at Medina, N. Y. A certificate of reorganization was filed on Feb. 1, 1900. The corporation was dissolved by Proclamation on Dec. 15, 1932. The Treasurer of the City of Medina, informed us on Feb. 17, 1939, that this company went out of business before 1904 and their securities are not obligations of the City. Therefore, the shares in our opinion are without value.

Memphis & Little Rock Railway Co. Chartered in 1853 as the Memphis & Little Rock Railroad. This company was sold in 1875 and became the Memphis & Little Rock Railway Company. The latter company was sold in 1877 for the benefit of the First Mortgage bondholders. It was reported in 1878 that all the First Mortgage bonds had been deposited and surrendered as the purchase price of the road. Therefore any outstanding bonds now have no value. The sale was confirmed by the U. S. District Court at Little Rock, Arkansas.

Memphis Water Company. We received the following letter from T. D. Snowden, National Bank of Commerce, Memphis, Tenn., dated March 29, 1939. "Yours of March 27th to the National Bank of Commerce, attention Mr. W. R. King, has been referred to me. This matter pertains to a bond held by one of your clients, said bond being a 7% First Mortgage obligation of the Memphis Water Company, due March 1, 1892, with September 1st, 1873, and subsequent coupons attached, trustees under this issue being F. S. Davis and T. R. Farnsworth. Upon investigation we find that the Memphis Water Company, an individually owned corporation, consolidated with the Artesian Water Company, a competitor and subsequently thereto was acquired by the City of Memphis in 1903, creating a municipally owned water department. We were able to contact the former secretary of the Memphis Water Company, who advised that all obligations of that company had been met at the time of the consolidation by the Artesian Water Company. We were likewise advised by the present secretary of the Memphis Artesian Water Department that all obligations of the Artesian Water Company had been paid at the time the city acquired that company. We are, however, asking the Comptroller of the City of Memphis to check his files to ascertain if a fund was created to take care of any outstanding indebtedness of the Memphis Water Company at the time of its consolidation. Mr. D. C. Miller, City Comptroller, advises us in order to obtain this information, it might be necessary to a small degree, to expend a sum of money, as these books have been for many years closed. Should your client wish us to

proceed further we will be glad to do so and I have advised Mr. Miller to withhold his investigation until further notice.

Mene Grande Oil Corporation. The following letter was sent to stockholders of Mene Grande Oil Corporation, dated New York, N. Y., July 29, 1935, and signed by Harold J. Wasson, President of Mego Corporation. "We beg to advise you that at the special meeting of the stockholders of your Corporation held July 15, 1935, there was approved and authority given for (1) the proposed sale of all the property and assets of your Corporation to a new corporation in consideration of the assumption by the latter of the formers liabilities and in further consideration of the new corporation giving certain rights of subscription for its capital stock to the stockholders of your Corporation, pursuant to an offer dated June 21, 1935, of a certain Syndicate, copy of which offer was annexed to the notice of said stockholders' meeting; and (2) the dissolution of your Corporation. The undersigned Corporation is the new corporation referred to above, which has been organized, under the laws of Delaware with an authorized capital stock of 30,000 shares of the par value of $1.00 each, by the aforesaid Syndicate, and pursuant to the terms of the aforesaid offer dated June 21, 1935, hereby offers to the stockholders of Mene Grande Oil Corporation the privilege of subscribing for and purchasing shares of the capital stock of the undersigned Corporation on the following terms: Subscription privilege, each stockholder of record of Mene Grande Oil Corporation at three o'clock P.M. (Eastern D.S.T.) on July 29, 1935, will be entitled to subscribe for one share of capital stock of Mego Corporation at the price of $1.00 per share for each share of capital stock of Mene Grande Oil Corporation then standing in his name on the books of the latter corporation. Subscription privilege will expire on August 29, 1935, at three o'clock P.M. (Eastern D.S.T.). Subscriptions may be for any number of full shares within the limitation above provided. Method of Subscribing: To make a subscription holders will be required to fill in and execute the subscription form accompanying this letter and deliver the subscription with the full amount of the subscription price to Mego Corporation, Room 546, 25 Broadway, N. Y. C., not later than August 29, 1935, at three o'clock (Eastern D.S.T.). Any subscription received thereafter will not be accepted. Payments; Payments of the subscription price will be accepted only if made in cash or by certified check in New York funds or by U. S. Money Order payable to the order of Mego Corporation. Issue of Stock: All stock fully paid for will be issued as of the date of such payment and the certificates for such stock will be delivered as soon after payment as practicable."

Mercantile Cooperative Bank. Formerly a savings and loan association, which was closed in 1899—Charles D. Robinson of Newburgh, N. Y., was receiver. At that time liquidations were not conducted by the Banking Department of New York, but were under the jurisdiction of the Supreme Court of the State. We have been referred to the County Clerk's office, County of Kings, Hall of Records Bldg., Brooklyn, N. Y. The Clerk's office informed us that their staff is inadequate to go into this voluminous record.

Merchants Fire Insurance Co. We received the following letter from Mr. Davis L. Shultes, Acting Senior Statistician, Insurance Department, State of New York, Albany, N. Y., dated Feb. 7, 1939. "We are returning herewith Certificates No. 103 for 25 shares, No. 104 for 10 shares and No. 1078 for 6 shares of the stock of the Merchants Fire Insurance Company. From these certificates we have been able to identify this company as one incorporated in 1819. Reports of this company made to the State Comptroller until the year 1843 show that Mr. Richards was President and Mr. Muller, Secretary, as indicated on the stock certificates. These reports, however, only run through the year 1843 and a thorough search of all the records available in this office does not reveal at what time or under what circumstances the company terminated its affairs. The Secretary of State has no record giving this information. The Insurance Department was not formed until 1859 and this company was not in existence at that time. We regret that we are unable to give you the information which you desire." We assume that the shares are worthless.

Metropolitan Wharf and Storage Company. It was reported some years ago that the Mortgage of this company was foreclosed and bid in by the bondholders committee. The old bonds received stock for their holdings. The property was again sold in 1924 and just enough was realized to pay overdue interest, leaving nothing for the stockholders who were the original bondholders.

Mexican International Trust Co., S. A. June 17, 1938. From: Department of National Economy (Secretaria de la Economia Nacional), Mexico, D. F. To: Messrs. Robert D. Fisher & Co., New York. In reply to your letter of April 26, 1938, requesting information on the Mexican International Trust Co., S. A., I give below the information which it has been possible to obtain, confidentially and without any responsibility for this Dependency of the Executive Power: The company in question was legally organized in this capital on January 1, 1915 for the purpose of continuing the business of the United States and Mexican Trust Co., S. A. The capital of this company was $100,000., represented by $50,000. preferred shares and $50.000. common shares, the latter also representing the business, etc. It is mentioned that the stock of this company was in the beginning held by certain persons residing in the U. S. A. but finally it was acquired by the late Mr. Samuel W. Rider, who was identified with the business of the company since its organization. It has been ascertained that this company has practically ceased to operate since the year 1920, since in the beginning it represented part of the interests of a well known and now deceased American capitalist by the name of Stillwell, which interests consisted of certain properties or fractional divisions in this city such as the San Angel Inn plantation and others, but since the said year 1920 the said Mr. Samuel W. Rider continued to maintain the organization of this company, despite the fact that losses were incurred, until 1928 when he died, and for an additional two years his son, S. Rider, continued to maintain the company in a latent fashion, that is to say, until 1930, when he preferred to liquidate the business, since no profit was reported. This company is entered in the Local Commercial Register, but anticipated dissolution or liquidation does not appear on margin of same.

Mexican National Gas Company. Incorporated in Delaware on Feb. 8, 1909, and became inoperative and void on April 1, 1935. The annual report filed for 1931 showed offices at Petroleum Securities Bldg., Los Angeles, Calif. President, E. L. Doheny, 8 Chester Place, Los Angeles; Vice-President, R. N. Miner, Washington, D. C.; Vice-President, J. M. Danziger, Los Angeles, Calif. We found that the company had bonds outstanding for which the Southern Trust Co. of Los Angeles, Calif., was the Trustee. We received the following letter from the Security First National Bank of Los Angeles, 6th and Spring St., Los Angeles, Calif., signed by Mr. C. C. Hogan and dated Oct. 24, 1939. "In reply to your letter of October 18, 1939 regarding the 6% Fifty-Year Mexico City First Mortgage Sinking Fund Gold Bonds of the Mexican National Gas Company, we regret to say that in our judgment there is no possibility of anything being realized on these bonds. Several years ago the bondholders were advised that the Mexican Government proposed to confiscate all of the physical properties of the company situated in Mexico City, including the gas plant, pipe lines, materials and supplies on account of non-payment of government taxes. The bondholders were given an opportunity to organize and protect the property if they so desired, but very few of them respondend, nor was any action taken to protect the security. Consequently, we understand, that the properties were confiscated or appropriated by the Mexican Government, leaving nothing in the way of security for the outstanding bonds."
Mexican National Oil Corp. Del. 1938.
Mexican Northwest Packing Co. We were unable to find anything on the 6% Cons. bonds due 1928 of the above company.
Mexican Oil & Coal Company, Inc. Incorporated in Delaware on May 5, 1930, and lost its charter on April 1, 1933. The last report filed in 1930 showed offices at 63 Wall St., N. Y. C., and the following officers: President, Herman Heidebroek, Park Central Hotel, New Cork City: Vice-President, Hilario Millan, Jr., 49 W. 44th St., N. Y. C.; Treasurer, John C. Griffin, Pearl River, N. J. We found no value to the stock and therefore believe the shares are worthless.
Mexican Pan-American Industries, Inc. Mass. 1939.
Mexican Plantation Company. Incorporated in New Jersey on July 27, 1899, and its charter was forfeited for non-payment of state taxes January 26, 1915; and has not been reinstated. Attorney: New Jersey Corporation Guarantee and Trust Company, Camden, N. J. President, Herman H. Berney, Camden, N. J.; Vice-President, Chas. A. Haslett, Camden, N. J.; Treasurer, Howard A. Keisen, Camden, N. J.; Directors, Owen B. French, Frank D. Weylman,

Millard Bumper Guard Co. Inc. Incorporated in New York on October 27, 1930, and was located in New York County. The company was to manufacture rubber bumpers under U. S. Patent No. 1,744,468. The attorneys were Wolf, Millard & Greene, 299 Broadway, New York City. The incorporators were Alexander Wolf, William J. Millard and Myers Greene. Mr. William J. Millard died in January 1939. Mr. Alexander Wolf of 299 Broadway informed us in December 1939 that he put up all the money to finance the venture and secure the patent, but they never were able to get anyone to manufacture the article. He states that the stock is entirely worthless.

Minneapolis & St. Louis Railroad Company. Incorporated in Iowa on July 1, 1916. The company was placed in receivership in 1923. In July, 1934, Howard S. Abbott, Special Master, ordered the sale of the company's properties to be held on September 5, 1934. The sale was adjourned from time to time. On February 27, 1935, Jesse H. Jones, announced that a plan had been agreed upon whereby the road would be absorbed by eight railroad companies which were prepared to pay $7,200,000. in cash and assume liability of outstanding equipment obligations to the extent of $1,018,000. The plan provided for the abandonment of more than 500 of the 1,515 miles of trackage then operated by the road. Another plan provided for the issuance of $6,000,000. of First Mortgage 4% bonds, and divide $12,000,000. of Income bonds among the bondholders other than the Merriam Junction & Albert Lea bonds. The plan was not approved by 1937. The funded debt of the company as of December 31, 1937, was as follows:

Long Term	$24,404,956.
Matured Unpaid	16,954,095.
Equipment	695,265.
Receiver's Certificates	604,520.
Notes to United States	2,007,000.
Total	$44,665,836.

If the $12,000,000. of Income bonds were divided among the holders of $41,359,051. of bonds, each $1,000. First and Refunding 4% bond due 1949 would receive about 28% in new income bonds. The Balance available for Fixed Charges for the period 1933 through 1937 was computed as follows:

	Available for Fixed Charges
1937	$577,026.
1936	798,966.
1935	170,296.
1934	101,130.
1933	352,954.
Average	$400,074.

The Plan which provided for the issuance of $6,000,000. of new 4% bonds would be used to retire Receivers Certificates, pay 80% on the Merriam Junction & Albert Lea bonds, and 75% of preferred claims. The remaining $2,743,000. would be used for court allowances, new equipment and working capital. If this plan had been approved in 1937 the fixed charges would have amounted to $240,000. on $6,000,000. at 4%. After deducting this amount from the average earnings available for fixed charges for the period 1933 through 1937 there would remain $160,074. available for the income bonds or about $13. per $1,000. bond. This would amount to less than 1½% on each bond. Under the circumstances as the bondholders were faced with the fact that they would only get not more than 33% in new income bonds for each $1,000. of bonds held in 1937, it is my opinion that at least 66⅔% of the par value of the bonds could be written off as worthless in 1937. This figure is very conservative because the market value of the new income bonds based on the average earnings available for fixed charges would not have warranted the bonds to sell in excess of $33. for each $333. of new income bonds.

Minneapolis, St. Paul, Rochester & Dubuque Electric Traction Company. Inc. Maine and filed its last report in 1915. The charter was suspended in 1921. The Minneapolis, Northfield & Southern Railway reported that this company was placed in receiver's hands in 1916 and the property was sold under foreclosure in 1918. Funds received from the sale were insufficient to pay preferred claims, leaving no equity for the stock. It was also reported that $135,000. was distributed among the holders of the company's collateral trust notes.

Missouri Pacific Railroad Company. Incorporated in Missouri on March 5, 1917. On March 31, 1933, the company filed a petition in bankruptcy. On July 25, 1933, a Trustee was appointed. The company's plan of reorganization submitted in September 1937 provided for the following for each $1000. First & Refunding 5% bond due 1981. $250. of First Series B bonds. $100. of General Mortgage Series A Income 4% bonds. $550. of General Mortgage Series B Conv. Income 5% bonds. $100. of Prior preferred stock. This plan proposed an initial capitalization as follows:

$16,474,000.	Equipment Trust (Undisturbed)
14,433,500.	Coll. Trust 3½% Bonds.
32,230,800.	First Series A 25 Year 3¾% Bonds.
125,136,300.	First Series B 4% Bonds.
33,061,000.	General Mortgage Income Series A 4% Bonds.
149,789,375.	General Mortgage Income Series B 5% Bonds.
$371,124,975.	Total.

The interest charges on the above debt excluding the Equipment Trust would amount to $15,731,188.25. The Stedman Plan filed with the ICC did not differ in any way with the company's plan in respect to the bonds. The amount available for Fixed Charges for the period 1933 through 1937 were as follows:

	Available for Fixed Charges	Times Earned
1937	$12,340,754.	.58%
1936	13,011,276.	.62%
1935	5,959,135.	.28%
1934	7,051,202.	.33%
1933	8,494,107.	.39%
Average $9,371,294.		

If the income of $9,371,294. were applied to the above funded debt in their order, the General Mortgage Series B Income bonds would earn 24% of their charges. Considering that the First & Refunding 5% bonds due 1981 earned 58% of its charges in 1937 and sold as high as 49¼ for the same year, the General Mortgage Series B Income bonds that would have earned 24% of its charges under the plan, should have been worth about 28 for the year 1937. After allowing par for the $250. of First Series B bonds and $100. for the General Mortgage Series A bonds, the $550. of General Mortgage Series B Income bonds were worth about $140. in 1937 or a total of $490. for the lot. Therefore, it is my opinion that according to the provisions of the above plans the holders of the First & Refunding 5% bonds due 1981 were faced with the definite knowledge in 1937 that they would lose at least 50% of their investment.

Moline Plow Company. Incorporated in Illinois in 1870 and reorganized as the Minneapolis-Moline Implement Company. The Chancery Court of Richmond, Va., ordered the following liquidating payments to be paid on the debenture bonds and first preferred stock. First Payment 17%; Second Payment 6%; Third Payment 3%; Final Payment 1.49% plus stock of the Moline Implement Co. or the equivalent of $50. per share. The Trustees were: Frank C. Wetmore; Arthur Reynolds; Jos. E. Blunt, Jr., and C. E. Mitchell. We received the following letter from W. C. Rich, Secretary of the Minneapolis Moline Power Implement Co., Minneapolis, Minn. dated Jan. 3, 1939. "We acknowledge receipt of your letter of Dec. 29, inquiring about the former Moline Plow Company and the present value of its stock. While we are not familiar with the affairs of the former Moline Plow Company, we are reliably informed that Moline Plow Company, Inc., a Virginia corporation, was dissolved in liquidation proceedings in Virginia in the year 1925 and securities senior to the second preferred stock participations received less than fifty cents on the dollar so the second preferred stock of that company and securities junior thereto are valueless."

Moon-Hopkins Billing Machine Company. Value of 230 shares of Capital Stock, par value $100. Incorporated in Missouri on February 4, 1907, and was dissolved on May 31, 1922. Mr. J. G. Moon was President at the time of the dissolution. I found no record of the company's operations nor any value to the stock. It is my opinion that the shares were worthless as of July 2, 1937, the date of the decedent's death.

Mora Company. We received the following letter from Mr. R. E. Macon, Asst. Sec'y., Lincoln Alliance Bank & Trust Co., Newark, New York, dated Feb. 17, 1939. "The Mora Company operated in Newark between 1907 and 1912. A petition in bankruptcy was filed in 1912 and there were insufficient assets to distribute to the stockholders. There are no remaining assets and the stock is worthless."

Nassau Bank of Lynbrook, N. Y. We received the following letter from the Banking Department, Albany, N. Y., dated August 24, 1939. "In reply to your letter of August 23, 1939, the Nassau Bank of Lynbrook, N. Y., is in process of voluntary liquidation, having sold the major por-

tion of its assets to The Lynbrook National Bank and Trust Company, Lynbrook, N. Y. It is suggested that you communicate with the latter institution for information as to the present status of the Nassau Bank." We received the following letter from the Lynbrook National Bank and Trust Company, Lynbrook, N. Y., dated Aug. 28, 1939. "We refer to your letter of August 25, 1939, relative to two shares of stock of the Nassau Bank of Lynbrook, which your client desires to sell. At the present time, we know of no place where this stock can be sold, as the bank has been in liquidation since the early part of 1932, and said liquidation has not yet been completed."

National American Company, Inc. The National American Company, Inc., was engaged in the investing business with an office at 475 Fifth Avenue, New York City. Its principal assets consisted of 55,132⅝ shares of stock of the General Surety Company; 33,475 shares of stock of the State Title & Mortgage Company; 1,000 shares of stock of the National American Securities Company, Inc.; 10 shares of stock of the Realty Agency Corporation; 400 shares of preferred and 40 shares of common stock of the Resker Holding Corporation; a Certificate of Indebtedness for $600 of the B. J. L. Holding Corporation, and a Participation in a Second Mortgage in the amount of $2,000 on the premises located at 647 East Tremont Avenue, New York City. The Insurance Department of the State of New York informed me on June 7, 1938, that the General Surety Company was placed in liquidation on January 6, 1933, and up to this date there have been two dividends paid to the claimants. A dividend of 4¼% to all claims allowed was paid on February 20, 1936, and a special distribution was made to policy-holders on July 30, 1936. The State Title and Mortgage Company was placed in liquidation on February 28, 1935, and the company is still in the process of liquidation. No dividends have yet been paid to any of the claimants. "Press reports of January 3, 1936, state that the trial of the minority stockholders' $18,000,000 damage suit filed in Brooklyn in 1933 against the company and its officials is scheduled to begin in 1936. The trial has been delayed, it was said, because of a series of preliminary examinations of some of the defendants. These examinations are now practically completed. The suit asks for an accounting and recovery of damages, the complaint alleging fraud, mismanagement of the company, and the personal use of funds of the company and its subsidiaries, incurring a loss to the investors of about $18,000,000." The attorneys, Parker, Chapin & Flattau, located at 285 Madison Avenue, who acted for the Trustee, in a letter dated September 16, 1936, addressed to B. A. Wechsler, 435½ No. Ogden Drive, Los Angeles, California, stated that . . . "Prior to the filing of the Petition in Bankruptcy a stockholders action had been instituted against certain of the directors of the company for an accounting. This action was recently compromised and the proceeds of the action are wholly inadequate for the payment of preferred claims against the estate. It does not appear that the preferred claims will be paid in full or that unsecured creditors will receive any dividends whatsoever. Moreover there does not appear to be any likelihood that there will be any assets available for distribution to the stockholders. On April 27, 1936, an offer of $60,000 was made in settlement of the above mentioned suit. The Trustee petitioned the court on June 25, 1936, and reported that the State of New York and the Superintendent of Banks had consented to the settlement. On July 29, 1936, the $60,000 was accepted. Parker, Chapin and Flattau, attorneys for the Trustee in Bankruptcy, located at 285 Madison Avenue, New York City, informed me on June 17, 1938, that the National American Company, Inc., filed a voluntary petition in bankruptcy in August of 1935. The estate was fully administered and the Trustee's accounting was filed in December of 1936. The accounting was approved and the Trustee was discharged in January of 1937. The assets available for distribution were sufficient to pay only a fractional share of the priority tax claim of the State of New York. There were no dividends available for distribution among general creditors or stockholders. Therefore, it is my opinion that the stock of the National American Company, Inc., could not have been declared worthless before 1936, for if a substantial amount had been collected in the $18,000,000 suit, there is every likelihood that something would have been realized by the stockholders. However, when this suit was settled for $60,000 on July 29, 1936, it was then known, and not before, that sufficient assets would not be realized to pay anything to the stockholders. Therefore, it is my opinion that the stock of the National American Company, Inc., first became definitely worthless on July 29, 1936, when it was known that no equity would remain for the stockholders in the final liquidation. This opinion is confirmed in the copy of the above mentioned letter addressed to Mr. B. A. Wechsler of Los Angeles, California.

"I have received your letter written in answer to my inquiry as to the listing of the National Mortgage and Investment Corporation in your publication on obsolete securities. I took this matter up with the Corporation Service Company in Wilmington which represents us in that State. I understand your information was taken from an official State publication, but the information contained in that publication is erroneous unless it be that the State permitted formation of another Corporation having an identical name with ours. The facts are that our Corporation was chartered in 1920, and has never missed a single tax payment by the due dates. There has never, therefore, been any question of reinstatement involved as far as my Corporation is concerned, and I would request that if your publication is to again contain a similar record as regards the National Mortgage and Investment Corporation that notation be included therein to the effect that "the above record does not apply to the National Mortgage and Investment Corporation located at 1312 New York Avenue, N. Murphy, located at 370 Lexington Avenue, N. Y. C., dated June 29, 1938. "I have your letter of June 21st, with reference to the National Products Company. I am sorry about the delay in replying to your letter, but I have been out of town. The National Company was a small company and derived its income entirely from commissions which were discontinued about ten years ago at which time the company was dissolved."

National Products Co. of America. Incorporated in Delaware on Feb. 21, 1931 and is out of existence having become inoperative and void April 1, 1934, and proclaimed by the Governor January, 1935, for non-payment of taxes. Certificate of Incorporation was filed by the United States Corp. Co. of Dover, Del. We cannot give you the officers, as the company failed to file any annual reports. New Whatcom, City of. We received the following letter from the Bellingham National Bank, Bellingham, Wash., dated Jan. 13, 1939: "Replying to your inquiry of January 4th relative to sundry street improvement warrants of the city of New Whatcom, I have inquired from our City Treasurer and find that all property covered by these old liens has apparently been sold for county taxes and all liens washed out. The warrants have shown up from time to time, but do not, in our opinion, have any value." In view of the fact that the City of New Whatcom lost its property to the County for taxes all equity for the warrants was wiped out. Therefore, we submit the warrants as worthless.

New York Investors, Inc. Incorporated in New York in 1901 as Realty Associates (of Brooklyn). The present title was adopted in 1929. On Dec. 2, 1938, Federal Court at Brooklyn, N. Y., declared company bankrupt and ordered the assets liquidated. Approximately 90% of the company's assets were pledged as security for $20,000,000 loan from the R. F. C. to the Prudence Co., Inc. These assets were purchased by the R. F. C. for $11,200,000 at sale held April 22, 1938. In view of the above we believe the stock of this company first became worthless in April, 1938. The stock was quite active in over-the-counter dealings before that time and actual sales took place on the N. Y. Stock Exchange up to April, 1938.

New York Ontario & Western Railway Company. In May, 1937, the company filed a petition to reorganize. Trustees were appointed on July 13, 1937. The Plan filed in 1937 proposed that each $1,000. First and Refunding 4% bond due 1992 would receive $250. in new Income 4½% bonds, and 8.335 shares of new 5% preferred stock. The company reported that income of $260,177. would be available for $98,667. of proposed fixed charges, and that there would remain $161,510. available for the contingent debt whose charges would amount to $225,000. per annum. It is, therefore, reasonable to assume that when the First and Refunding 4% bonds due 1992 earned 79% of its fixed charges in 1936 and sold as high as 57, the new income bonds would sell as high as 50 when its charges are earned 71%. Therefore, it is my opinion that the bondholders knew definitely in 1937 that at least 75% of their investment would be wiped out under the proposed plan of reorganization

New York Railways Corporation. Value of 5 shares of Preferred Stock. On June 3, 1936, the court approved the company's plan of reorganization. Prior lien bonds were assumed by the new company and the Income Bonds received new stock. The preferred stock received 1¼ option warrants to purchase common stock of the New York City Omnibus Corporation at the rate of 1¼ shares at $17.50 per share for each five shares held. The exchange can be made at the Commercial National Bank & Trust Company, New York City. The common stock of the New York City Omnibus Corporation sold on the New York Stock Exchange on Sept. 1, 1938, at an average price of $33.50 per share. As the estate was entitled to option warrants to purchase 1¼ shares at $17.50 per share on Sept. 2, 1938, the 5 shares of preferred stock had a fair market value of $20. as of Sept. 2, 1938.

New York Tampa Investment Co., Inc. Fla. 1936.

New York & Texas Land Co. (N. J.). Succeeded by the Texas Land Syndicate, located at 5 Mercer Street, Hackensack, N. J., in care of the Hackensack Trust Company.

New York Title Insurance Co. This company and the Lawyers Title Corp. were merged in 1938 to form the Lawyers Title Corporation of New York, with offices at 141 Broadway, New York City.

New York Title & Mortgage Co. Fla. 1936.

New York Title and Mortgage Corp. We received the following letter from the above corporation (in dissolution) located at 120 Broadway. N. Y. C., dated Dec. 14, 1938, and signed by Leslie W. Stout and Frederick T. Kelsey, Receivers in Dissolution. "Receipt is acknowledged of your inquiry of the 11th instant with reference to the stock of this Corporation. New York Title and Mortgage Corporation is in dissolution by vote of its stockholders, and on the 22nd day of December, 1937. Leslie W. Stout and Frederick T. Kelsey were appointed by the Chancery Court of Delaware to complete the dissolution proceedings. The stock transfer books were permanently closed on July 1, 1935. Consequently no further transfers of stock can be made. The only asset of New York Title and Mortgage Corporation is stock of the New York Title and Mortgage Company, which is held on the basis of one share of Company stock for each share of outstanding unstamped Corporation stock. Since claims of creditors which have been filed against the Company are now in process of being proven, it is not possible to determine at this time whether there will be any assets remaining for distribution to the stockholders after all other creditors of the Company have been satisfied in full, with interest. In November, 1938, the Internal Revenue Department declared the stock of both the Corporation and the Company to have become worthless for income tax purposes in 1935."

New York United Hotels, Inc. Del. 1939.

New York, Westchester & Boston Railroad Company. Incorporated in New York in 1915. On August 1, 1937, equity receivers were appointed for the company. On October 8, 1937, the appointments were made permanent. On December 17, 1937, Federal Judge John C. Knox ordered discontinuance of all operations of the company, a leased line of the New York, New Haven & Hartford Railroad Company, on December 31, 1937. The company's Port Chester branch was discontinued on November 1, 1937, so that under the new court order operations of the entire system were discontinued in 1937. Mr. Ralph Buell, counsel for the Receiver, and attorneys for the bondholders informed Judge Knox that the company was hopelessly insolvent and could not be operated at a profit even if the various communities served made good a tentative offer of tax reductions up to 50%. Mr. Buell further stated, it was reported on December 21, 1937, that the company's financial statement showed Assets with a Book Value of $35,093,000. and Liabilities of more than $80,000,000. of which $25,000,000. were Tax Claims. After allowing $25,000,000. for Taxes, there remained in 1937, $10,093,000. of book assets applicable to the First Mortgage 4½% bonds due 1946, of which about $22,000,000. were outstanding in 1937. In view of the above the bondholders knew definitely in 1937 that at least 50% of their investment was a total loss. It is therefore my opinion that at least 50% of the par value of the bonds were definitely worthless in 1937 when the court ordered the road to cease operations.

Niagara Falls United Office Bldg., Inc. Incorporated in New York and is located at Niagara Falls, N. Y. The company informed us as follows on Dec. 23, 1938: "Referring to your letter of the 16th instant in reference to the stock of this company wish to advise that during the depression the office building has been unable to meet the interest on its first mortgage at 5½%, as required, and is now going along with the mortgage on a lower rate which has been temporarily fixed and which can be met. However, there is an accumulation of back interest which has been unpaid. At the present time there are no earnings for the stock and it has very little value. Some sales have been made recently for tax purposes at very low prices."

Niblick Realty Company. Incorporated in New Jersey on May 18, 1910 and was dissolved by action of its stockholders on Dec. 6, 1922. The principal office of the company was located at the Englewood Golf Club, Englewood, N. J. President, George C. Austin, New York City; Treasurer, George S. Coe, Englewood, N. J.; Attorney, James A. C. Johnson, New York City; Secretary John Munro, New York City. We received the following letter from C. M. Sprague, Secretary and Treasurer of the Englewood Golf Club, dated Dec. 11, 1938. "Referring to your letter of 3rd inquiring about the value of the Niblick Realty Company stock, we have made inquiry of several of the older members of the present Englewood Golf Club, which took over the property of the Niblick Company, but can get little information in regard to the disposition of the stock, except that some of the stock was turned in in part payment for the Certificates of the Englewood Golf Club. We find a copy of the State's Certificate recording the dissolution under date of Dec. 6, 1922 of the Niblick Realty Co. This is about all the information we are able to give you. We assume, however, that the stock has no value now."

Butler, the surviving Trustee, who was an attorney, associated with the firm of Butler, Wyckoff & Reid, located at 20 Exchange Place, N. Y., and the firm advised us on August 16, 1938, that their clients consider these bonds of no value. We received the following letter from Mr. F. Wolfe, Vice-President of the Central Hanover Bank & Trust Co., 70 Broadway, N. Y. C., and dated Aug. 18, 1938. "Receipt is acknowledged of your letter of August 17, 1938, concerning Certificates of Equitable Interest in North Helena Land & Improvement Co., First Mortgage 7½% Gold Bonds. From information in our files, we believe the Certificates are without value as we understand a number of years ago the real estate in Helena, Montana, securing these Certificates was sold for taxes."

Northern Rail-Road Company of New York. We received the following letter from the Public Service Commission, Albany, N. Y., dated May 3, 1939, and signed by Francis E. Roberts, Secretary. "Your letter of April 24th, addressed to "Railroad Commission" has been received by this Commission, which succeeded the Railroad Commission in 1907. With reference to the Northern Rail-road Company of New York, the report of this company for 1859 to the State Engineer and Surveyor states that on October 21, 1856, this Road was sold upon a foreclosure of its second mortgage and was bid in by the Trustees for the benefit of those they represent. The sale was made subject to a first mortgage of $1,500,000. The original capital stock was wiped out by the sale, and the Road now rests on its bonded indebtedness, which is as follows:

First Mortgage	$1,500,000.
Less paid	5,100.
	$1,494,900.
Second Mortgage	3,077,000.

1864 was the last year this company made a report and in it was stated that no interest had been paid on the second mortgage since 1854. The 1865 report of the State Engineer and Surveyor contains the following statement under

Name State Date Charter Forfeited

the title of Ogdensburg and Lake Champlain (date of charter—1864) formerly Northern Railroad Company of New York. On the first day of August, 1865, this Road, with its equipments, was, by an order from the Supreme Court, and by agreement of parties, transferred from the Trustees of the second mortgage bonds of the Northern Rail-road Company to the Ogdensburg and Lake Champlain Railroad Company, an organization created by a law of the State passed April 8, 1864. The latter corporation had outstanding $1,500,000. of first mortgage bonds. The 1899 report of New York Railroad Commissioners states, under the heading of Ogdensburg & Lake Champlain Railroad—The property of the company was transferred by deed to it from Messrs. Batt and Lummis, Purchasing Committee, under date of December 1, 1898, and the Road has since been operated by the company. The records of this Commission indicate further that Ogdensburg and Lake Champlain Railroad Company was consolidated July 18, 1901, with the Rutland Railroad Company, the present operator of this railroad."

Ocean City Title and Trust Co., Ocean City, N. J. We received the following letter from Mr. E. O. Howell, Jr., Receiver, of the First National Bank, Ocean City, N. J., dated March 1, 1939.: "Replying to your letter of February 27, would advise that the First National Bank of Ocean City, N. J., assumed the deposit liabilities of the Ocean City Title and Trust Company. The Ocean City Title and Trust Company was dissolved and there were no assets for the Stockholders. The First National Bank of Ocean City, N. J., closed its doors on Nov. 17, 1932, and was placed in the hands of a Receiver. The stock of the above mentioned Banks therefore has no value."

Ocean County Electric Company. Incorporated in New Jersey on Oct. 27, 1915, and its charter was forfeited for non-payment of state taxes January 28, 1928; charter not reinstated. Its principal office was located at 304 Market St., Camden, N. J., and the New Jersey Corporation Guarantee and Trust Company was the registered agent. President, Edmund S. Fritz, Camden, N. J.; Vice-President, Eugene U. Gibbs, Camden, N. J.; Treasurer, George W. Beelman, Camden, N. J.; Secretary, Samuel Z. Witmer. We received the following letter from Mr. H. Collin Minton, Jr., Trenton, N. J., dated Oct. 10th, 1938. "The bond of Ocean County Electric Company held by your client is, in our opinion, of no value. The affairs of the Company were liquidated several years ago and no assets remained for the benefit of bondholders."

Ohio Electric Power Company. It was reported in the New York Times, Nov. 10, 1938, that holders of the above company's 7% and 6% preferred stock are being advised that they may now exchange their securities for preferred stock in the Marion Reserve Power Company, under the provisions of a recently consummated merger, on the following basis: For each share of Ohio Electric 7% preferred 1⅓ shares of Marion Reserve $5. preferred, and for each share of Ohio Electric 6% preferred 1¼ shares of Marion Reserve $5. preferred. The Manufacturers Trust Co., N. Y. City, is acting as transfer agent and will handle all exchanges.

Ohio Mid-Cities Corporation. Incorporated in Delaware on Sept. 2, 1924, and lost its charter in 1933. The last report filed in 1931 showed offices at Wichita Falls, Texas. President, D. S. Parshall, Wichita Falls, Texas; Treasurer, F. E. DeWaters, Elmira, N. Y. We received the following letter from Agnes W. DeWaters of Elmira, N. Y. "My husband passed away nearly two years ago so I will tell you all I know of Ohio Mid-Cities Corp. The depression forced the company into bankruptcy. Mr. DeWaters knew nothing about Mr. Parshall's business. The last few weeks before he died he spoke of him once or twice saying that if Mr. Parshall had prepared for a rainy day as he had advised him the company would have been safe but he went ahead and bought more and more land. Oil went from $2. bbl. to 5 cents. The company couldn't take it. Mr. DeWaters lost a great deal of money through the company. Am sorry but I do not know where Mr. Parshall is now." In view of the above we believe the shares are without value.

Ohio Petroleum Corporation. Incorporated in Virginia on July 25, 1912, and was located at Richmond, Va. The attorneys were Mumford, Hunton, Williams & Anderson of Richmond. President, J. N. Beckley, Cutler Bldg., Rochester, New York; Vice-President, G. C. Scott, Columbus, Ohio; Treasurer, W. R. Beckley, Rochester, N. Y.; Directors, T. F. Shields, New York City, B. DeMossin, New York City. The company filed its last report in 1915 and lost its charter on May 31, 1918. Mr. W. R. Beckley, located at Granite Bldg., Rochester, N. Y., informed us as follows on Oct. 26, 1938. "Your letter of Oct. 24th, addressed to J. N. Beckley, in reference to Ohio Petroleum Corporation stock, has come to my attention and I wish to advise that Mr. Beckley died in 1933. To the best of my knowledge and belief the Ohio Petroleum stock is of absolutely no value. A good many years ago this com-

pany had leases and did considerable drilling for oil, but no oil in paying quantities was found, and as the company was then without funds the leases held by the company were allowed to lapse. Just when this condition occurred I am not in a position to state, but I know that it was prior to 1914."

Oklahoma Company. Company was incorporated in Delaware. We received the following letter from the First National Bank and Trust Company, Tulsa, Okla., signed by Mr. M. M. Lawellin, and dated Oct. 26, 1939. "In reply to your letter of October 20, we have to inform you that this bank acted as depositary under the terms of a voting trust agreement dated March 28, 1930, between the stockholders of the Oklahoma Company (Delaware) and R. H. Smith, George J. Biles and Lloyd H. Smith, voting trustees. As such depositary, we accepted common stock certificates issued by the Oklahoma Company and issued voting certificates in lieu thereof. This relationship was terminated under date of February 14, 1931, when the voting trustees elected the Oklahoma Company of 1925 New York Central Building, New York City, as successor depositary. Information in our files indicates that the assets of the Oklahoma Company were sold at a receiver's sale by direction of the Court on August 1, 1932. Its properties were purchased by certain of its bondholders, the consideration, we were told, being less than the amount of the outstanding bonds. The bondholders organized a new company which was known as the Oklahoma Oil Corporation, with headquarters at Okmulgee, Oklahoma. Under the circumstances, it appears that the stock of the Oklahoma Company has no value."

Oklahoma Producing & Refining Company. We received the following letter from the Pure Oil Company, 35 East Wacker Drive, Chicago, Ill., dated September 23, 1938, and signed by Arlington C. Harvey, Counsel. "In reply to your letter of September 16th wish to advise that there were two Oklahoma Producing & Refining Companies. One was Oklahoma Producing & Refining Company, a Delaware corporation, and the other was Oklahoma Producing & Refining Corporation of America, a Maryland corporation. Please note carefully the difference in names. In February, 1920, Oklahoma Producing & Refining Company was dissolved and for each share in the company there was distributed 1¼ shares in Oklahoma Producing & Refining Corporation, and $2.30 in cash. The Pure Oil Company had nothing whatever to do with this matter. In 1923 and 1924, ten shares of Oklahoma Producing & Refining Corporation were exchanged for one share of Pure Oil Common, but there was no cash payment in connection with this and the matter was not in court in any way. At the time of the dissolution of Oklahoma Producing & Refining Company in February, 1920, approximately $400,000.00 was retained by the liquidating directors to cover taxes, etc., and later James M. Satterfield was appointed Receiver. His attorney was J. I. Boyce, 3063 DuPont Building, Wilmington, Delaware. I understand that when the Receiver filed his final account, there was about $300,000.00 in the hands of the Court and that since that time about $100,000.00 has been distributed. I understand that there is about $200,000.00 on deposit with the Chancellor of the State of Delaware, Dover, Delaware, and that you should write to him with respect to obtaining further distribution. Also, please note that The Pure Oil Company had nothing whatever to do with the dissolution of Oklahoma Producing & Refining Company in February, 1920. In 1928, The Pure Oil Company received 9½ cents per share on all the stock that we owned in Oklahoma Producing & Refining Company, and we supposed that distribution was made to each shareholder. The Exchange of 1920 between Oklahoma Producing & Refining Company and Oklahoma Producing & Refining Corporation shares was handled by the Guaranty Trust Company, 140 Broadway, New York City. The stock of Oklahoma Producing & Refining Company which was turned in in the exchange of 1920, is either in the possession of Guaranty Trust Company or the Bankers Trust Company. We have the stock of Oklahoma Producing & Refining Corporation which was exchanged for Pure Oil Common in 1923 and 1924. If I can be of further service to you, please advise."

Osann, Frederick, Company. Incorporated in New York and was dissolved on August 23, 1914. Mr. Frederick Osann, located at 95 Liberty St., N. Y. C., informed us on August 30, 1938, that the company owns some property in Brooklyn, N. Y., which the company values at $35,000. The rent from said property is sufficient to cover repairs and charges. When real estate values improve, and the company is able to dispose of the property, a liquidating dividend will be paid on the stock.

Owen-Oregon Lumber Company. Incorporated in Delaware, Feb. 28, 1924, and duly qualified to transact business in Oregon on May 22nd of the same year, and withdrew May 25, 1936. The attorney who forwarded the qualification papers to this office was Porter J. Neff of Medford, Oregon. According to the last report filed June 28, 1935, the following were officers: President, A. R. Owen, Owen, Wisconsin; Secretary, H. S. Lovejoy, Janesville, Wisconsin; Treasurer, Geo. E. Foster of Waussau, Wisconsin. Company operated a large sawmill at Medford, Oregon, which is now operated by the Medford Corporation. We received the following letter from E. C. Gaenslen, of the Medford Corporation, 208 S. La Salle St., Chicago. "We wish to inform you that as far as we know, the common stock of Owen-Oregon Lumber Company has no value. In the reorganization of this company the bondholders received approximately one share of common stock of the Medford Corporation for each $100. principal amount of old bonds. Some minor fractions were issued to compensate for unpaid interest up to the date of receivership. Stockholders of Owen-Oregon Lumber Company were afforded an option to repurchase the original holdings of Owen-Oregon Lumber Company as a price represented by par plus accrued interest on the original bonds. This option expired in the latter part of 1934. With the expiration of this option it appears that all interest of the common stockholders of Owen-Oregon Lumber Company was extinguished."
Owen Properties, Inc. Fla. 1936.
Owen, R. M., & Company. We received the following letter from W. W. Trench, Secretary of the General Electric Co., 1 River Road, Schenectady, N. Y., dated Oct. 27, 1938. "This will reply to your letter of Oct. 24th in regard to the R. M. Owen & Company and the Owen Magnetic Company. Our records show that all of the assets of the R. M. Owen & Company were acquired by the Entz Motor Patent Corp. in the year 1917 and that the latter company was dissolved in January, 1922, when it paid par on its preferred stock and nothing on its common stock. We have no record of an Owen Magnetic Company, but we do have record of the Owen Magnetic Car Company which was formed to market Owen cars. We understand that that company was absorbed by the Entz **Motor Patent Corporation before the latter com-**

pany was dissolved. At no time did the General Electric Company have controlling interest in any of these companies, and we do not know if stock now outstanding in any of the companies has value." We received the following letter from R. M. Owen, 315 West 68th St., New York City, dated Nov. 15, 1938: "In reply to your inquiry regarding the stock of Remowen Company and the Owen Magnetic Corporation; these companies have been discontinued for the last ten years and the charters forfeited. This also applies to the Entz Motor Patent Corporation. There was no distribution on the stock of these companies." Mr. Owen informed us that the R. M. Owen Company and Owen Magnetic Corp. stockholders did not receive any preferred stock of the Entz Motor Patent Corp. Therefore the stocks of both the above companies have no value.

P. & W. Creditors Corp. We received the following letter from White & Case, 14 Wall St., N. Y. C., dated August 19, 1938. "Your letter of June 29th to Phoenix Securities Corp. inquiring with respect to stock of P. & W. Creditors Corp. has been turned over to us for reply. We assume that you refer to participation certificates which were issued by P. & W. Creditors Corporation to creditors of Prince & Whitely. These certificates have no value. They were issued to indicate the interest of the creditors in the assets turned over to the corporation. Under the plan of composition all creditors were to receive 25c on the dollar, except several large creditors who agreed to defer payment on their claims, aggregating approximately $4,000,000, until after other creditors had received 25c on the dollar. The deferring creditors were to then be paid 25c on the dollar from the liquidation of the assets. All of the assets have now been liquidated and after 25c on the dollar was paid to creditors other than the deferring creditors, the amount remaining was not sufficient to pay 25c on the dollar to the deferring creditors, upon whose claims there is still a deficiency with respect to that payment. The certificates were issued to evidence the interest of the creditors in any surplus that might be realized from a liquidation of the assets after paying the 25% to all creditors, including deferring creditors. The certificates were also guaranteed by Mr. Hoyt who expected to reestablish himself and make some payment on the certificates. However, he died insolvent shortly after the certificates were issued."

Palmer, R. T., Company. Incorporated in Connecticut in 1893 under a Special Charter granted by the General Assembly. The company filed a preliminary certificate of dissolution on July 2, 1904. The company never took the trouble to file a final certificate of dissolution. Apparently the company did not have sufficient funds to complete a legal dissolution. We found no record of the company's operations. We believe the shares are absolutely worthless.

Panhandle Producing & Refining Co., Wichita Falls, Texas. The company informed us as follows on February 17, 1940. Under the plan of reorganization of this company the old common stock is to be exchanged for new common two shares of old, and 35 shares of new comstock on the basis of one share of new for mon stock for each share of old preferred stock. Copy of our Circular of July 21, 1938 is enclosed. According to the certified list furnished us by the Transfer Agents, The Marine Midland Trust Company, 120 Broadway, New York, under date of March 28, 1939, there were outstanding 47,434 shares of old common in the hands of 546 holders and 3,004 shares of old preferred stock in the hands of 84 stockholders, which had not been exchanged. That is the last report we have had. We shall have a new certified statement the latter part of March this year, preceding our annual meeting, and if it would be of interest to you will be glad to give you the figures when this certified list is received.

Park Bathing Beach Co. of Great Neck Estates, Inc. We received the following letter from McKnight Niesley & McKnight, 70 Middle Neck Road, Great Neck, L. I., New York, signed by H. Stewart McKnight, and dated August 11, 1938. "The stock of the Park Bathing Beach Co. of Great Neck Estates has no market value. The property, consisting of about 3,500 square feet with a bathing pavilion, was purchased to give the stockholders, residents of Great Neck Estates, bathing facilities. The stock has only a value to those residing in the Estates who desire this privilege. This privilege is no longer of much value, as the Village has created a park on the waterfront where all residents of the Estates now have bathing facilities. The company has leased the property to the Great Neck Sea Scouts at a rental of $1.00 per year and maintenance, to assist this organization. I might find a purchaser at $10.00 who is interested in helping the Scouts."

Penn Seaboard Steel Corporation. Incorporated Dec. 6, 1915, and was located at Philadelphia, Penna. On July 30, 1927, receivers were appointed. In Sept. 1928 the Tacony plant, held for sale at $750,000 was sold to Girard Smelting & Refining Company, Ontario. October 5, 1929,

the New Castle plant was sold for about $160,000 to H. A. Robinson of Philadelphia. According to Moody's Supplements, on Feb. 7, 1931, the company had sold its Baldt plant at New Castle to the Intercontinental Pipe & Mining Company. There were outstanding $467,700 of 8% cum. pfd. stock of the Tacony Steel Company that had preference as to assets and dividends. As of Dec. 31, 1929, about 68% dividends on this issue remained unpaid. On Sept. 25, 1929, 20 shares of preferred stock of Tacony Steel Corp. were sold at auction at $11. per share. In view of the fact that the company had not disposed of its remaining property until Feb. 7, 1931, we are of the opinion that the stock was not deductible as a loss until then. We were advised that the assets of this company have been liquidated and the cash realized was insufficient to pay the general creditors leaving no equity for the capital stock which is without value. Therefore, we submit the shares as worthless.

Penn-Tex Oil & Potash Company. Incorporated in Delaware on Oct. 16, 1925, and lost its charter in 1932. The last report filed for the year 1929 showed offices at Crane, Texas. Mr. W. H. Witt, formerly Treasurer of the company, located at 910 G Street, N.W., Wash., D. C., informed us on June 10, 1938, that the company is out of existence. The only assets the company ever had were their leases for gas, oil and potash rights on property in Crane County, Texas. Due to non-payment of rentals in 1932, these leases were forfeited and the company died a natural death. The shares are without value.

People's Gas Light Company of the City of Albany. We received the following letter from the New York Power & Light Corporation, Albany, N. Y., dated April 18, 1939. "This is in reply to your letter of April 15th, regarding the value of stock of People's Gas Light Company of the City of Albany. From deeds, abstracts and other documents in our files it appears that the People's Gas Light Company of the City of Albany was organized on or about February 6, 1872. By action commenced in the Supreme Court, Albany County, by William A. Young as Trustee, a trust mortgage made and executed by the People's Gas Light Company of the City of Albany to William A. Young as Trustee was foreclosed and Thomas Sayre was appointed referee and directed to sell the mortgaged premises. By deed dated October 7, 1879, Thomas Sayre as referee conveyed the property of the People's Gas Light Company of the City of Albany to George A. Wolverton, John A. Livingston and George A. Stedman who, together with Cyrus A. Healey, on February 17, 1880, formed a corporation under the name of People's Gas Company of Albany. Thereafter by deed dated Feb. 24, 1880, and recorded April 27, 1880 in Book 324 of Deeds at page 459 in the Albany County Clerk's office George A. Wolverton and others conveyed the property formerly of People's Gas Light Company of the City of Albany to People's Gas Company of Albany. By deed dated Sept. 4, 1886, People's Gas Company of Albany conveyed its assets to Municipal Gas Company of the City of Albany which later consolidated with other corporations forming New York Power & Light Corporation. It would therefore, seem that the stock of Peoples Gas Light Company of the City of Albany is without value."

Peoples Public Service Corporation. Incorporated in Delaware on May 12, 1928, and is no longer in existence, having become inoperative and void on April 1, 1932. The last report filed in 1929, showed offices at Little Rock, Arkansas. In August, 1931, this company was referred to as the bankrupt subsidiary of the Consumers Utility Company. The Referee in Bankruptcy, District Court of the United States, Little Rock, Arkansas, informed us on March 13, 1940, that the Consumers Utility Company was in bankruptcy and the estate administered, which paid a very small per cent on the dollar of its claims. It is his information that the Peoples Public Service Corporation was a holding company and had no assets. Therefore the shares are worthless.

Peoples Real Estate Tontine. Incorporated in New York and was located at 70 William St., New York City, in 1893 and 71 Broadway, New York City, in 1901. President, Paul Fuller; Secretary, Charles F. Adams; Treasurer, Benj. P. Mann. In 1908 it was reported that the company had moved to Brooklyn. Coudert Brothers, attorneys, located at 2 Rector St., New York City, informed us as follows on Oct. 18, 1939. "Replying to yours of Oct. 6th, inquiring in regard to stock of Peoples Real Estate Tontine and certificate of Tontine Year Fund, so far as we know this stock has been worthless for years. Mr. Paul Fuller who according to the statement of your letter was President of the company up to 1908 died in 1916 and we have no further information regarding it." Mr. Fuller was a member of the firm of Coudert Brothers. It is our opinion that the certificates have no value.

Philadelphia & Reading Railroad Company. The Reading Company, located at Reading Terminal, Phila., Pa. informed us as follows on January 12, 1940: ". . . relative to value of Third Preference Income Mortgage bonds of the Philadelphia & Reading Railroad Company. These bonds have no value whatever, owing to

Name State Date Charter Forfeited

the fact that the property of the Philadelphia & Reading Railroad Company was sold in September, 1896, under proceeding in foreclosure of its General Mortgage dated January 3, 1888. The proceeds of the sale were barely sufficient to meet the overdue interest on the outstanding General Mortgage bonds leaving only a small sum to be applied on account of the principal of the issue. All subsequent issues of bonds of the Philadelphia & Reading Railroad Company, including the Third Preference Income Mortgage bonds, were rendered valueless. In the plan for the reorganization of the properties belonging to the Philadelphia & Reading Railroad Company, a provision was made whereby the holders of the General and Third Preference Income Mortgage bonds were given an opportunity to participate in the reorganization plan upon the payment of an assessment, and the deposit of their bonds under the plan. The time for making the payment of the assessment expired in November, 1896."

Piedmont Mt. Airy Guano Company. The Mercantile Trust Company of Baltimore, Maryland, informed us as follows on December 26, 1937, "With reference to the Piedmont Mt. Airy Guano Company stock, this company has been in liquidation for several years and the only assets now held are two farms in Southern Maryland. The prospects of selling them are not good. I think you can consider the Preferred Stock practically worthless and I would estimate that at some future date, probably 25¢ to 50¢ per share would be about the maximum distribution. The common stock has no value whatsoever."

Pierce-Arrow Motor Corporation. Company on April 11, 1938, was ordered liquidated by Federal Judge Knight. Martin C. Ewald, secretary-treasurer, estimated total assets have a book value of $2,768,822. and a realizable value of $1,197,771. Against this are total liabilities of $1,892,745. Judge Knight said there would be no dividends or reimbursements for stockholders or general creditors. Marine Trust Company of Buffalo and the Federal Reserve Bank, the only creditors who will collect, are entitled to $1,317,000. Formed by George N. Pierce in 1870 and later incorporated as George N. Pierce & Co., Pierce-Arrow originally made bird cages and later became one of the big bicycle manufacturers of the 1890's. Then it became one of the foremost makers of quality automobiles. It was reported recently that Postmaster-General Farley had been offered the presidency in the event of recapitalization.

Pittsburgh, Shawmut & Northern Railroad Company. Value of C/D for $332,500. of First and Refunding 4% Bonds due 1952. Incorporated on August 1, 1899, in New York and Pennsylvania and is located at St. Mary's, Penna. On August 1, 1905, a receiver was appointed, and it is still being operated by the receiver, pending reorganization. The company showed a net loss of $1,015,582. in 1931 and $1,881,521. in 1936. The company defaulted in interest on its funded debt of $14,491,600. in 1905, and has failed to earn sufficient since that time to meet its current expenses. The company, as of Dec. 31, 1926, showed assets of $3,758,037. as appraised by the receiver against which there were current liabilities of $3,758,037. In view of the fact that the company cannot earn sufficient to pay its current expenses, we do not believe the bonds have any present value. The receiver's certificates are quoted at the present at 12%. However, in the event of a reorganization some provision may be made for the bonds on an assessment basis.*

Pittsburgh United Corporation. We received the following letter from the Peoples Pittsburgh Trust Company, dated Oct. 19, 1938, and signed by Gwilym A. Price, Vice-President in charge of Trusts, at Pittsburgh, Penn. "Upon presentation at our office, on and after July 11, 1938, for each share of preferred stock we are issuing one share United States Steel Common Stock. It is expected that a further distribution will be made at a later date."

Pittsburgh-Wyoming Oil Company. Incorporated under the laws of the State of Delaware on February 17, 1919, and is no longer in existence, having become inoperative and void April 1, 1929, and proclaimed by the Governor January, 1930, for non-payment of taxes. Certificate of Incorporation was filed by the Corporation Guarantee & Trust Co., 927 Market St., Wilmington, Del. The last annual report filed for the year 1925 shows the following: President, Tom B. Willison, Pittsburgh, Pa.; Vice-President, F. J. Brittingham, Pittsburgh, Pa.; Treasurer, F. G., Willison, Pittsburgh, Pa.; Secretary, R. R. Werle, Pittsburgh, Pa.; Directors, same as above and E. H. Fisher, 230 Adeline Ave., Pittsburgh, Penna. The last known address of the company was Farmers Bank Bldg., Pittsburgh, Penna. Letters addressed to Mr. E. H. Fisher have not been answered nor returned. We believe the stock is worthless.

Platt Music Company Building Bonds. The American National Bank & Trust Company of Chicago, Illinois, reported as follows on March 12, 1940. We originaly acted as depositary for the bondholders' committee that worked on the reorganization of the above mentioned issue. An offer was made to purchase the property, which was accepted by the majority of the depositing bondholders and a payment was made by us in connection with our outstanding certificates on the basis of $27.65 for each $1,000. bond. On referring to our files, we find that in February, 1935, the committee's notice of this sale stated that undeposited bonds should be forwarded to Mr. Leigh M. Battson, 541 South Spring Street, Los Angeles, California, who was making the payment in connection with such securities. Mr. J. E. Benton, Trustee, 607 South Hill Street, Los Angeles, Calif., reported as follows on March 22, 1940: From information made available to us, we learn that Platt Music Company Building First Mortgage bond No. 561 was deposited with the First Mortgage Bondholders' Committee, since dissolved, and a certificate of deposit issued therefor. According to the Committee's printed letter, dated March 30, 1935, copy of which is enclosed, the said certificate (the holder thereof not having accepted a certain offer relative to the property and the bonds) was entitled to receive a sum, set forth therein, upon surrender of the certificate; upon such payment, the bond would be endorsed recording the same, and the bond returned to the holder. Whether the client had received the distribution to which she was entitled could be determined by referring to the bond and the endorsement thereon, if any. If, after reviewing the matter the client still holds a certificate of deposit representing bond No. 561, we would suggest that she proceed according to the instructions contained in the enclosed letter and she will receive the money to which she is entitled. Mr. Naida Z. Griffin of Bowes Brothers & Company, 519 California Street, San Francisco, Calif., reported as follows on March 11, 1940: Replying to your letter of March 2nd, 1940, reference to $1,000. Platt Music Company Building 6% First Leasehold bond maturing January 15, 1943, we find that these bonds defaulted in 1932, the lease forfeited, and the company was reorganized October 1934, as the Eight Thirty Four So. Broadway Building Corporation. However, we suggest that you write to the Eight Thirty Four So. Broadway Bldg. Corp., Union Bank Building, Los Angeles, California, to verify this information.

Porto Alegre, City of. Established in 1742 and is the capital and first city of the State of Rio Grande do Sol, Brazil. On November 20, 1937 it was announced that service on the debt of this city would be temporarily suspended. Therefore, it is my opinion that the holders of the 7½% bonds due 1966 knew definitely in 1937 that at least 50% of their investment was worthless when service was suspended. This amount is conservative according to the high and low sales of these bonds for the period 1933 through 1937 as follows:

	High	Low
1937	31	10
1936	25¾	15
1935	22	12
1934	25	16⅝
1933	30½	8¾

Progressive Oil Co. of Coalinga (Ariz.). Incorporated in Arizona on Sept. 4, 1912, and has failed to file reports since its inception. The charter was revoked on March 20, 1928. We searched our oil books back to 1912 and found no record of this company's operations. In view of the fact that the company never filed a report, it is our opinion that the company was short-lived and that the stock is without value.

Provident Pledge Company. Incorporated in California on November 23, 1911 and dissolved on March 15, 1918. The Articles were filed by Arthur Wright, Currier Bldg., Los Angeles, Calif. We received the following letter from Loyd Wright, Board of Trade Bldg., Los Angeles, Calif. "This will acknowledge receipt of your letter of April 27th, 1939, addressed to Mr. Arthur Wright, Currier Bldg., Los Angeles. Mr. Arthur Wright, my brother, has been deceased for fifteen years and as far as I know the Provident Pledge Company has been entirely defunct for over ten years. I am sorry that I cannot give you any definite information on the subject." We found no value to the stock and therefore believe the shares are worthless.

Publishing Company of the Oranges and Maplewood. Incorporated under the laws of the State of New Jersey on June 21, 1926 and was dissolved on February 25, 1931. Principal office at time of dissolution was 525 Main St., East Orange, N. J. Mr. Stanley L. Gedne, Jr. was the agent. President, Arthur T. Muir; Vice-President, Jay R. Monroe; Treasurer, Edward C. Balch, Jr. We received the following letter from C. Wallace Vail, attorney for the Trustees, 60 Park Place, Newark, N. J. dated January, 1939: "The North Jersey Publishing Company is the successor by reason of a consolidation of the Publishing Company of the Oranges and Maplewood, with some other publishing company. It took place a long while ago, and I am not familiar with the details, as it has been unnecessary to study them in connection with the reorganization of the presently existing company." We received another letter from Mr. C. Wallace Vail dated January 16th, 1939: "North Jersey Publishing Co., No. 1865-B. You did not state in your letter to me of January 14, 1939, the name of your client, and I have no way of checking the list to determine whether he is a known holder of a 7% bond in the above named company. These bonds, of course, are not registered, and we cannot definitely determine who are the holders thereof, but know who holds most of them. The stock is of no value as the corporation is insolvent, and cannot be made solvent by a reorganization without the investment, as provided in the Plan, of additional capital. The holder of the bond, described in your letter, is entitled to receive a dividend of 5% upon the face value of the bond, provided of course, the Plan is accepted by at least two-thirds of the amount of all creditors, including bond holders affected by the Plan. In the event that there are not sufficient acceptances filed, of course the Plan will fail; the result will be liquidation. It is my opinion that upon liquidation, the entire assets of the debtor will be insufficient to pay costs of administration and Trustees' certificates of indebtedness, issued for the purpose of securing monies with which to operate the business by the Trustees for the purpose of preserving the good will. Inclosed herewith is a form of acceptance of the Plan for execution by your client, if he chooses so to do. The acceptances should be filed before the 23rd, inst."

Queen Royalty Company. We received the following letter from W. Lee Cook & Co., 320 S. 5th St., Louisville, Ky. dated April 4, 1939. "In looking thru our files we find a letter from you under date of Jan. 20, 1937 making inquiry relative to the value of some stock in the Queen Royalty Co., Louisville, Ky. The company is a very small royalty affair owning fractions in two leases of 1.64 of ⅛ royalty and paid in 1930 distribution of 3% and none since and at this time has cash on hand of about 1%—this accumulated since 1930. We know of a party who bought several hundred shares last year paying $1.00 per hundred shares. If your party is interested we might get a buyer for the stock at this price. This would be $7.00 for the 700 shares."

R x Company. Value of 29 Shares of Capital Stock. Incorporated under the laws of the State of New Jersey on January 3, 1916 as the Rex Company, and changed its name to the above on January 19, 1933. The principal office of the company was located at 503 Main Street, Boonton, New Jersey. The following were the names and addresses of the last known officers and directors of the company and the amount of shares held by each:

Name	Address	Shares Held
Pres. H. Arbuckle	Boonton, N. J.	38
V.-P. R. S. Hitchcock	Boonton, N. J.	38
Treas. N. D. La Hart	Boonton, N. J.	10
Sec'y B. E. Coleman	Boonton, N. J.	20
Dir. Chas. E. Estler	Boonton, N. J.	38

Mr. J. W. Heaney of 503 Main Street, Boonton, New Jersey, informed me on April 8, 1940, that

Name State Date Charter Forfeited

this corporation owned a drugstore at 503 Main Street, Boonton, New Jersey. Mr. Heaney stated that he purchased the store and contents for $10,000. of which $2,800. was paid in cash when title was transferred. This money was paid, I understand, to Mr. Hitchcock and Mr. Estler, the controlling stockholders. Mr. Heaney further stated that he owed about $5,200. up to June 9, 1939. The arrangement was to pay $50. per month to reduce the original amount. Mr. Heaney stated that he has made no payments since the deaths of the controlling stockholders. I have consulted Dr. H. Arbuckle of Boonton, New Jersey, a stockholder of the corporation, and he informed me on April 7, 1940, that when the books of the corporation were turned over to the controlling stockholders all the debts of the corporation were paid. Dr. Arbuckle further stated that he has received no part of the down payment of $2,800. nor any part of the additional $2,000. that was paid into the corporation by Mr. Heaney at $50. per month. Therefore, I am assuming that no distributions were made to the stockholders up to June 9, 1939. Therefore, as there were 144 shares of stock outstanding the shares had a fair value of $69.44 per share or a total of $2,013.76 for 29 shares, of which $33.33 per share represents cash held by the corporation, as of June 9, 1939, the date of the decedent's death.

The Balance Sheet of the company for the year ending December 31, 1937, showed Total Assets of $32,300.99.; $19,868.50 represents Organization Expense. On the Liability side the Accounts Payable amount to $466.96, and unclaimed Dividends on Class "A" stock amount to $859.27. In the Capital Stock and Surplus there is a Deficit of $64,731.81. It would appear that the only value that exists at this time are the unclaimed dividends on the Class "A" stock.

As nearly as I can remember this company went out of business some twenty to twenty-five years ago. I recall that Redmond & Company at one time handled an issue of this company's stock, perhaps they can give you some additional information relative thereto."

Realty Ownership Corporation. Incorporated in New York on Oct. 4, 1934 and has not been dissolved. We received the following letter from Orville C. Sanborn, attorney and former director, located at 61 Broadway, N. Y. C. and dated Dec. 16, 1938: "Your inquiry of Dec. 1, 1938 addressed to Messrs. Fletcher & Brown, has been forwarded to the writer for reply. The above corporation was organized for the purpose of endeavoring to work out a reorganization of Westchester First National Corporation,

Name State Date Charter Forfeited

pursuant to representations made by directors and stockholders of the latter corporation that such a reorganization was feasible. However, after the expenditure of considerable time and money in checking and ascertaining the affairs of Westchester First National Corporation, it was ascertained that its principal asset consisting of an apartment house at Bronxville, New York, was under foreclosure, and that it was possible to accomplish nothing of practical value with respect to certain assets held in various banks loans in Westchester County. Also, other assets appeared to be intangible and without actual value. Therefore, nothing was done in the matter, and the stock of Realty Ownership Corporation is entirely without value."

Reinforced Paper Bottle Corp. Incorporated in Delaware and is located at 500 Fifth Avenue, New York City. The corporation holds patents for the manufacture of a paper milk bottle and various paper containers and for the machinery covering same. The future of the corporation depends entirely upon the potential earning power. The Balance Sheet of the corporation dated March 31, 1938, lists the following:

ASSETS

Cash	$ 438.74
Accounts Receivable	200,032.47
Notes Receivable	4,715.07
Patent Account	1,033,248.85
Machines and Machinery	227,175.64
Development Account	1,877,267.64
	$3,342,878.41

LIABILITIES

Accounts Payable	$ 1,404.59
Accounts Payable	380.00
Notes Payable	624,685.44
Surplus	78,068.38
Stock	2,638,340.00
	$3,342.878.41

The company refused us an earning statement. We found no market for the stock at any price. Company owned controlling interest in Safety Service Milk Bottle Corp., located at 250 W. 54th St., N. Y. C. In view of the fact that the company's Cash and Receivables are less than one-third of the Accounts Payable and Notes Payable the company's condition appears precarious and its future is problematical. We believe that we must have much better times before milk companies will go to the expense of installing new machinery for this paper milk container. Under the circumstances, and for the fact that the company's principal assets represents Patent Account, which is in the development stage, we do not believe the 63 shares of Class B stock and 59 shares of Class A stock are worth more than $10. for the lot at this time. Long article in N. Y. Times Oct. 5, 1939, $1,000,000 in frauds charged to woman —Mrs. Lydia B. Koch—Investigated by Atty. Gen. Bennett—With Edgar S. Hamilton—a N. Y. atty. Mrs. Koch was arrested Oct. 5, 1923 in Buffalo for mail fraud. Mrs. Koch fined $1,000.00.

Reserve Petroleum Company. Incorporated under the laws of the State of Delaware on October 24, 1916, as Gilliland Oil & Gas Co. and filed an amendment July 11, 1928, changing its name to that of the above by which name it was known. Certificate of Incorporation was filed by the Corporation Trust Co., 100 W. 10th St., Wilmington, Del. Consent to Dissolution was filed on Nov. 7, 1935. The following were names and addresses of the officers and directors at the time of filing Consent to Dissolution: President, Fred Phillips, Tulsa, Okla.; Vice-Presidents, W. M. Irish, III, Dallas, Texas, Charles F. Richards, Wilmington, Del., W. F. Maxwell, Tulsa, Okla.; Secretary, Hunter L. Johnson, Tulsa, Okla.; Assistant Secretaries, E. A. Watson, Wilmington, Del., Robert H. Richards, Wilmington, Del., Gladys I. Fox, Tulsa, Okla. Last known address was Philtower Bldg., Tulsa, Okla. We received the following letter from Robert H. Richards, of Richards, Layton & Finger, 4072 Dupont Bldg., Wilmington, Del., dated Oct. 12, 1938. "In reply to your letter of Oct. 11, I beg to advise that Reserve Petroleum Company was dissolved under the laws of Delaware, in the latter part of 1935 and shortly thereafter a receiver in dissolution was appointed. The Receiver has completely wound up the affairs of the company and after paying the debts has distributed what was left to the first preferred stockholders. The amount distributable to stockholders was very much less than sufficient to satisfy the requirements of the first preferred stockholders and nothing was available for distribution to the second preferred stockholders or the common stockholders. Neither the second preferred stock nor the common stock of Reserve Petroleum Company is of any value whatsoever.

Name State Date Charter Forfeited

Rochester Concrete Building Material Company. Incorporated in New York on Feb. 17, 1906, and was located at Rochester, N. Y. The company lost its charter by Proclamation on March 13, 1926. We found no value to the stock and therefore believe the shares are without value.

Rochester Finance Corp. Fla. 1936.

Rochester & Kettle Falls Land Co. Incorporated in New York and operated previous to 1893. The company was a complete failure and all the real estate went for taxes due to depression in 1893 and bad management. We found no value to the stock in 1908 for inheritance tax.

Rochester Railway. See New York State Railways.

Rochester Rotary Washer Company. Incorporated in New York on Dec. 13, 1905, and was located at Rochester, N. Y. A certificate of dissolution was filed on Sept. 8, 1924. Mr. Henry H. Stebbins, Jr., a former director of the company, located at 10 Gibbs Street, Rochester, N. Y., informed us on Dec. 21, 1938, that the assets of this corporation have been liquidated, the last dividend having been paid on or about July 8, 1935.

Rochester Silver Corporation. Mr. Fred A. Sawyer, former secretary of said company advises that the said company was liquidated some ten or more years ago (1928) and that the stock of said company has no value.

Rochester Sterling Groceries. Incorporated in New York on Nov. 14, 1917, and was located at Rochester, N. Y. A certificate of dissolution was filed on April 16, 1921. We found no value to the stock and therefore believe the shares are worthless.

Rochester Turkish Baths. Incorporated in New York in 1906 and was dissolved by Proclamation in 1928. Mr. Homer Knapp, a former director of the company, located at 1462 E. Main Street, Rochester, N. Y., informed us as follows on Oct. 3, 1938: "Received your letter of Sept. 27th, in reference to the Rochester Turkish Baths. The man who formed the Turkish Bath Co., as I understand it, sold some stock and was reasonably sure that he could sell enough to build a building. They had plans and specifications and did let the work. Owing to not being able to sell the stock as they expected, after the building was partially completed one of the Contractors who was not able to get his money, filed a lien on the property on the advice of his attorney. Another contractor also filed a lien on same. That left me without any security and I liened it myself, and the building was tied up for a long time. Finally it was adjusted and put up for sale and those that were interested, bought same and made arrangements for completion of building. They then formed a company and completed same and ran it themselves for some months. They were at last fortunate to trade the place off for other property divided up among owners as their interest appeared. Since that time I haven't any personal knowledge as to who owns it or in what shape the property is in now. From this you can draw your own conclusions that the stock had no value after the liens were filed."

Rochester Valve Company. Value of stock dated 1905. Incorporated in New York and was dissolved by Proclamation on March 31, 1926. We found no value to the stock nor any record of the company's operations and therefore believe the shares are without value.

Rock Island Company. Incorporated in New Jersey on July 31, 1902, as a holding company. Capital stock authorized and issued common $96,000,000; preferred $54,000,000. Entire assets consisted of the $145,000,000 capital stock

of the Chicago, Rock Island & Pacific Railroad Co., which company in turn owned a large majority of the capital stock of the old Chicago, Rock Island & Pacific Railway Company. As the holders of the four p. C. Collateral trust bonds of the Railroad Company foreclosed upon the collateral securing their bonds (which consisted of the capital stock of the Chicago, Rock Island & Pacific Railway Company), the Rock Island Company was left with comparatively no assets. Consequently it was decided to dissolve the company, and on April 10, 1916, an order to that effect was issued by the Court of Chancery in New Jersey effective the following day. Charles D. Parker, Prudential Building, Newark, N. J., was appointed receiver in 1915. He wound up the business and distributed such assets as he could collect. Both classes of stock are absolutely worthless. The Chicago, Rock Island & Pacific Railway Company located at 25 Broad St., N. Y. C., confirmed to us on Dec. 15, 1938, that the stock is worthless.

Rockford & Interurban Railway. We received the following letter from Mr. J. W. Campbell, Asst. Secretary of the First Wisconsin Trust Company, Milwaukee, Wis., dated Feb. 4, 1939. "We acknowledge your letter of Feb. 2nd, inquiring as to the present status of Certificates of Deposit for Rockford and Interurban Railway Company First Mortgage 5% Gold Bond. The bonds represented by the Certificates of Deposit in question were sold by the Bondholders Protective Committee and the proceeds amounting to $235 per $1,000 bond were distributed to the certificate holders. The Certificates of Deposit were endorsed in respect of such sale and the payment referred to. We would therefore not regard the Certificates of Deposit as having any value."

Rooke Automatic Register Co. The Better Business Bureau of New York City informed us on July 5, 1938, as follows "The Providence Bureau states that they have been informed that the Rooke Automatic Register Company, a Maine corporation, was dissolved as of January 30, 1928. They further state their local directories fail to disclose the names of A. E. Maine, President, or George F. Rooke, Treasurer. Files of the Providence Bureau, as well as this Bureau, fail to disclose any data as to the possible value of this stock, or the present whereabouts of the officers given in your letter.".

Rossville Commercial Alcohol Corp. This corporation was reorganized as the Rossville Alcohol & Chemical Corporation. Each $1,000. Conv. 6% Debenture bond due 1949 of the Rossville Commercial Alcohol Corp. received from the City Bank Farmers Trust Co. of New York City, 24 shares of preferred and 10 shares of common stock of the Rossville Alcohol & Chemical Corp. and $18. in cash. The stockholders of the Rossville Commercial received the right to purchase common stock of the Rossville Alcohol & Chemical at $5.50 up to April, 1932, when this right expired. Therefore, it is our opinion that all stockholders who did not exercise this right, should have taken the loss in 1932, when the shares first became worthless.

Saguenay Pulp & Power Company. Company in liquidation. Larue & Trudel, Chartered Accountants, 132 St. James St., W. Montreal, Canada, sent out the following information. In June, 1927, the Saguenay Pulp & Power Company was put into voluntary liquidation. The only assets of the company were then represented by a certificate of 7,850 common shares of the Quebec Pulp & Paper Mills, Limited. Through a compromise and arrangement made by the Quebec Pulp & Paper Mills, Ltd., Saguenay Pulp and Power Co. in liquidation received $66,725.00 and 3,532½ non-cumulative 7% redeemable preferred shares of Quebec Pulp & Paper Corp. in exchange for the 7,850 common shares of Quebec Pulp & Paper Mills, Limited, in liquidation. In June, 1928, the shareholders of Saguenay Pulp & Power Co., in liquidation, authorized the then liquidator to sell those shares at a price of $40.00 per share and this authorization was ratified and confirmed by the Court. These shares were then sold under the Court's sanction. In October, 1930, after payment of claims against the liquidation, fees of the liquidator and incidental expenses a first and final dividend of $198,100. was declared representing a dividend of .283¢ per share on the 700,000 outstanding $5.00 preferred shares of the company. This dividend was paid to the shareholders who had surrendered their certificates but at the end of August, 1938, an amount of approximately $10,000. still remained to be distributed to holders of preferred stock who had not surrendered their certificates. In June, 1931, Quebec Pulp & Paper Mills, Limited, in liquidation, issued unexpectedly a second dividend sheet and Saguenay Pulp & Power Co. as original owner of 7,850 shares of Quebec Pulp & Paper Mills, Limited, in liquidation, received through this second dividend an amount of $3,925.00 and 337 55/100 preferred shares of Quebec Pulp & Paper Corp. In June, 1932, Mr. Maurice Chartre was appointed liquidator in replacement of Mr. Eugene Trudel, former liquidator who died in 1931. Owing to numerous enquiries which the liquidator continued to receive from shareholders who had not yet surrendered their certificates and received the original dividend to which they were entitled, it was found advisable not to close the liquidation for some time. The Quebec Pulp & Paper Corp. shares received as part payment of a second dividend from Quebec Pulp & Paper Mills, Ltd., in liquidation, having appreciated in value in the last months of 1937, it was decided, after consulting the committee of preferred and common stockholders of Saguenay Pulp & Power Co. to realize the 337 55/100 shares of Quebec Pulp & Paper Corp. The necessary authorization was secured from the Superior Court to that effect in February, 1938, and the shares were finally disposed of in August, 1938, at a price of $8.00 per share. As all the assets of the Saguenay Pulp & Power Co. have now been realized, and as the liquidator has on hand for distribution to the preferred shareholders a sum of $7,000. as shown on the notice attached hereto, a second and final dividend of 0.01¢ per share will be payable on Nov. 9, 1938. The dividend checks will be mailed to the shareholders who have deposited their stock certificates. Shareholders who have not done so should surrender their certificates at once to the undersigned, in order that they may receive any dividend to which they may be entitled. Your attention is specially drawn to the fact that under the provisions of the Treasury Act the liquidator is bound to deposit with the Provincial Treasurer all dividends unclaimed after a period of thirty days after the expiring of the delays for contestation of the final dividend sheet.

St. Andrews Bay Lumber Company. Incorporated in Delaware on May 20, 1919, and is no longer in existence having become inoperative and void April 1, 1935, and proclaimed by the Governor, January, 1936, for non-payment of taxes. Certificate of Incorporation was filed by the Corporation Trust Co., Wilmington, Del. Company had offices in 1933 at Millville, Fla. The last annual report filed for 1933 showed the following: President, H. B. Price, 17 Battery Pl., N. Y. C.; Vice-President, W. C. Sherman, Panama City, Fla.; Secretary, M. M. Glasgow, Hicoria, Fla.; Vice-President, J. B. Pruyn, 17 Battery Pl., N. Y. C. We received the following letter from Mr. J. B. Pruyn, dated January 24, 1939. "I have been out of town for some days and now have your letter of the 17th before me concerning the common stock of the St. Andrews Bay Lumber Company. I am sorry to advise you that to the best of my knowledge it is worthless. Ahead of it is a bond issue and some preferred stock. besides a number of claims. I am confident that the aggregate of this indebtedness is considerable in excess of any assets the company may have."

Saskatchewan Co-operative Creameries Limited. The Saskatchewan Co-Operative Creamery Association Limited, located at Regina, Saskatchewan, reported on Feb. 9, 1940, that the assets of the subject company were taken over by their Association in April 1939. At the time of the transfer the Liabilities of the Saskatchewan Co-operative Creameries Limited were $3,126,543.27, while the assets were only $1,757,332.11. There were only two preferred creditors of the company, and they, of course, did not realize the amount of their claims. The shareholders at the time the company was taken over did not have any equity in their shares.

Sauquoit Spinning Company. The Standard Coosa-Thatcher Company, located at Chattanooga, Tenn., informed us on August 15, 1938, as follows: "Replying to your letter of August 12th, regarding preferred and common stock of the Sauquoit Spinning Company, we can only inform you that we absorbed the old Sauquoit Company (1930) several years ago. That we paid them a small sum for the stock, and assumed the bonds. The old ownership was partly in Utica, New York, and a Colonel Hood, prominent attorney of Gadsden, Alabama, had a good deal to do with the matter. That is about all the information we can give you."

Savannah River Lumber Company. The Savannah River Lumber Corporation, located at Savannah, Ga., informed us on April 5, 1937, as follows: "We have your letter on April 2, asking for a report on the present status of the Savannah River Lumber Company, and we wish to advise you that the Savannah River Lumber Company was adjudicated a bankrupt on Nov. 2, 1931. On July 28, 1936, the Company's assets were purchased by the creditors and a reorganization effected. The claims of the creditors amounted to approximately four times the admitted assets of the bankrupt and the status of the old company's affairs was such that both the Preperred and Common stock were worthless. As a result, neither the preferred nor common stockholders were represented in the reorganized company."

Schulte Retail Stores Corporation. It was reported in the New York Times on Oct. 5, 1939, as follows: Schulte Committees Urge Assent to Plan; Chairman of Two Groups Advise 8% Preferred Holders. A joint letter was mailed yesterday to holders of the 8% cumulative $100. par preferred stock of the Schulte Retail Stores Corporation by the McRoberts & Morris stockholders' committees, announcing that the plans of reorganization of this company, of the Schulco Company, Inc., and of Huyler's of Delaware, Inc., have been approved by the Federal Court here "as feasible and fair and equitable to the various classes of creditors and security holders of each company." The letter said that an important provision in the Schulte plan relates to the settlement for $350,000. of the United States Government's transferee tax claims, which aggregated $4,091,210 with interest. It adds that the City of New York may make claims against the company for unpaid sales taxes of about $275,000. Under the plan, the holders of each share of Schulte 8% preferred will receive three and a quarter common shares of the new Schulte Company. "A total of 677,670 shares of such new common stock is expected to be outstanding upon consummation of the plan, of which 281,118 are to be issued to the holders of the old preferred stock," the letter said. "In addition, authorized common stock aggregating 1,475,000 shares will be reserved for conversion of new preferred stock."
Schulte-United, Inc. Fla. 1936.
Schultz Brewery Company of Elizabeth, N. J. It was reported at Newark, N. J., on May 17, 1939, that Federal Judge Guy L. Fake has signed an order directing that assets of the Schultz Brewery Co. of Elizabeth be offered for public sale on May 25. The company, which moved from Union City to Elizabeth recently to take over the Seeber Brewing Co., filed a petition in bankruptcy in July, 1938. In its petition last week asking the Federal Court to order sale of its assets the company said it could not pay back money it had borrowed and could not meet bills accumulated since last September. Judge Fake ordered proceeds of the public sale to be turned over to three trustees, John R. Hardin, Jr., and Emanuel P. Scheck of Newark, and John W. Griggs, 2nd, of Paterson, who are to report to the judge the day after the sale.

Securities Allied Corporation. (Press Report). Acceptance of a $1,500,000. settlement offer made on behalf of defendants in a minority stockholders' suit against former officers and directors of the Securities Allied Corporation and the Atlas Corporation, the majority stockholder, was approved yesterday by Supreme Court Justice Philip J. McCook. The settlement terminates litigation which had been before the courts almost continuously since 1934. Of the settlement, $358,000 will be paid to attorneys for the plaintiffs as fees and reimbursement for expenditures, and the balance will be returned to the trustees who are liquidating Securities Allied, which was dissolved on Dec. 4, 1933. The Atlas Corporation, as owner of 97 per cent of the common stock of Securities Allied, is to get most of the funds returned to the trustees. Of the total fees allowed, $300,000 goes to former Judge Alfred J. Talley and his law firm, Talley & Lamb, which did most of the work for the plaintiffs. The balance is to be divided among several other law firms representing individual plaintiffs and the accountants for the plantiffs. Although not formally included in the settlement, several of the defendants agreed separately to buy for $27. a share Securities Allied stock held by the plaintiffs and others who had not surrendered it to the liquidating trustees. The liquidating value of the shares had been fixed previously at $15. each. Notice of this offer was given Justice McCook before he approved the settlement. Suits brought by four separate stockholders were involved. After the actions were instituted, they were consolidated into one suit and tried together three times. The first trial was declared a mistrial and the second ended in a dismissal of the complaint which was reversed by the Appellate Division and the third trial ordered. This third trial was in progress before Justice McCook when the settlement was made. The individual plaintiffs were James J. Donovan, Louis Konigsberg, Francis M. Frawley and Alexander Ludwig. The complaints charged the defendants with wasting, diverting or misappropriating $14,000,000. to $50,000,000. of Securities Allied's funds and asked for an accounting and restitution by those alleged to be responsible. They recited a number of transactions as resulting in huge losses to Securities Allied almost from the time of its establishment in 1929 under the name of Chatham Phenix Allied Corporation, under the auspices of Chatham and Phenix National Bank and the Chatham Phenix Corporation. In the complaints, the transactions were divided into two periods, the first covering the time the company was controlled by officials associated with the banking groups and the second the time it was under control of the Atlas Corporation. The settlement was examined by George Frankenthaler as referee by appointment of Justice McCook. He recommended acceptance. Some of the charges he said were groundless, other speculative and still others liable to attack by the defendants. The evidence, he said, justified the payment of the settlement and the termination of the litigation.

Service Oil Corporation. Incorporated in Louisiana in 1920 and was located at El Paso, Texas, in 1921 ("Petroleum Register" 1921). President, J. A. D. Smith; Vice-President, W. C. Best; Treasurer, Wilson C. Porterfield. Properties—Leases in the Homer and Bull Bayou fields of Louisiana. We found no record of the company in our 1922 "Petroleum Register." It is therefore our opinion that the leases were forfeited when the company failed to strike oil. We found no value to the stock and therefore believe the shares are without value. (May 1939.)

711 Fifth Avenue, Inc. Value of 60 shares of Class "A" Stock, par value $1.00. These shares were quoted about the date of death at $1.00 per share, and was informed that only $1.00 per share could have been obtained at that time. Therefore, I submit $1.00 per share or $60. as a fair value for 60 shares of Class "A" stock as of July 25, 1938, the date of the decedent's death.

Silica Gel Corporation. We received the following letter from the Davison Chemical Corporation, Baltimore, Md., signed by M. C. Roop, Secretary and dated January 21, 1939: "In reply to your letter of January 20, 1939, you are advised that The Silica Gel Corporation was placed in receivership on April 22, 1933. The company remained in receivership until September, 1935, when the assets were sold on the Court House steps for $250,000.00. After lengthy litigation in the United States District Court in Baltimore, Maryland, the Davison Chemical Company was granted an approved claim against the Receivership Estate of $3,615,107.98. The final distribution to creditors was made on May 28, 1936, under the direction of the United States District Court. The creditors received 6.5% on their claims in liquidation. The assets of The Silica Gel Corporation were purchased by the Trustees of The Davison Chemical Company. The Silica Gel Corporation has ceased to exist. As you will see from the above, the assets were insufficient to pay the creditors' claims and consequently, there was nothing available for stockholders. Under the circumstances, this stock is worthless and the U. S. Department of Revenue advised us that it was a deductible loss during the calendar year 1935."
Silica Gel Corp., The. Md. 1939.
Silica Gel Products Corporation. Incorporated in Maryland. The Davison Chemical Corporation, located at Baltimore, Md., informed us as follows on Jan. 7, 1939: "In reply to your letter of January 6, 1939, you are advised that the Silica Gel Products Corporation was placed in receivership in 1936, and its assets were sold on the Court House steps for $1,000.00 in October, 1936, to The Davison Chemical Corporation. The liabilities amounted to $67,156.74. The entire amount received from the sale of the assets was used to defray the expenses of the receivership, and what little balance was left was paid to the State of Maryland on account of taxes. The common and preferred stocks of The Silica Gel Products Corporation are valueless, but we have not received a ruling from the Department of Internal Revenue relative to the year in which they became worthless."

South Brooklyn & Bergen Street Railroad Company. The following letter was received from the Transit Commission of the State of New York, located at 270 Madison Avenue, New York City, dated March 22, 1940: "The South Brooklyn and Bergen Street Railroad Company (incorporated January 22, 1863), and the Brooklyn and Canarise Railroad Company (incorporated January 18, 1865), were incorporated July 18, 1865, as a consolidation, under the name of Brooklyn and Canarsie Railroad Company. In foreclosure proceeding brought by the Trustee for bonds of the South Brooklyn and Bergen Street Railroad Company in 1867, it was alleged that the consolidation of the two companies was effected on July 18, 1865, but no copy of the agreement was found on file in the register's office of Kings County. In the foreclosure suit brought by Orrin Ballard, trustee, against the South Brooklyn and Bergen Street Railroad Company, the deed recites a decree of January 30, 1868, and a sale on February 14, 1868, for the sum of $30,-

000. It would appear from this deed that the railroad had not been constructed further east than the intersection of Bergen Street and Classon Avenue, and that only the constructed portion of the road was sold under the foreclosure proceedings referred to. The Brooklyn and Canarsie Railroad Company (consolidated) retained after the foreclosure all the rights derived from the South Brooklyn and Bergen Street Railroad Company east and south of the terminus of the then constructed road on Bergen Street to a point near Classon Avenue. It appears that if these rights had not already been forfeited through non-user they soon were forfeited under the self-executing forfeiture clause of the railroad law, and that the new consolidated company lost its corporate existence and remaining rights by the operation of that section of the law. The Brooklyn and Canarsie Railroad Company never reported to the State Engineer and Surveyor, but under date of Sept. 30, 1868, in a letter signed by A. G. Jayne, addressed to the State Engineer, the following statement was made: 'There is no Brooklyn and Canarsie Railroad Company at present for it has ceased to exist.' The route of South Brooklyn and Bergen Street Railroad Company has been operated by the Nassau Electric Railroad Company, which on July 1, 1929, was merged into the Brooklyn and Queens Transit Corporation. The above information was obtained from old documents, and represents all the information regarding the South Brooklyn and Bergen Railroad Company available at this office. It is suggested that you communicate with the Brooklyn and Queens Transit Corporation to find out whether they have any additional information concerning this company."

South Brooklyn & Bergen Street Railroad Company. The Brooklyn-Manhattan Transit Corporation, Brooklyn, N. Y., reported as follows on March 20, 1940: "Replying to your inquiry of March 18th, our records show that South Brooklyn & Bergen Street Railroad Company was sold under foreclosure in 1868, and succeeded by South Brooklyn & Park Railroad Company, which was sold under foreclosure in 1877, and was succeeded by South Brooklyn & Central Railroad Company. This company was merged with the Atlantic Avenue Railroad Company in 1893 and that company was merged with Nassau Electric Railroad Company in 1899. It is our understanding that the bonds of South Brooklyn & Bergen Street Railroad Company have no value."

South Brooklyn & Bergen Street RR. The Public Service Commission of the State of New York reports that the 1868 report on railroads of the State Engineer contains the following: "65 Liberty Street, New York, December 28, 1868. Dear Sir:—Your notice to the 'South Brooklyn and Bergen Street Railroad Company' has just been put into my hands. The road has recently changed hands, having passed through a foreclosure sale, and is now individual property, having neither stock, bonds or outstanding debts. Yours, very truly, S. W. Dunscomb. S. H. Sweet, Esq." This report confirms the opinion of the Broklyn-Manhattan Transit Corporation that the bonds of the above road have no value whatsoever.

Southern Corporation. The following letter was received from L. A. Peters, for the liquidating trustees, Shoreham Building, Wash., D. C. dated Jan 13, 1939. "I have your letter of January 4th, asking for information concerning the remaining assets of Southern Corporation and the probable date of final distribution. It is hoped that the remaining assets of the company will be

Name State Date Charter Forfeited

distributed some time within the next six months. The final distribution is awaiting determination of certain litigation in Wilmington brought by a stockholder owning 100 shares of stock, seeking the appointment of a receiver. The remaining assets of the company for distribution consist of cash which is hoped will be sufficient to pay a dividend of approximately 20 cents per share and certain stock in The Fortinberry Company (distributors of lock-strip automobile tags) which will be distributed in kind." Example of stock presented for collection: Company made a distribution of $.85 per share and instead of returning the stock to the original stockholder they gave a receipt for the stock. The certificate which they returned is stamped showing that $1.15 has been paid making a total of $2.00 per share.

We received the following letter from Remington Rand Inc., 465 Washington St., Buffalo, N. Y., dated Aug. 5, 1938, and signed by Mr. J. A. Simson, Secretary. "Please be advised that Remington Rand Inc., although a stockholder of the Spool-O-Wire Fastener Corp., is not interested in this corporation in any other respects. It is our understanding that the company has gone out of existence and that the holdings of its stock are worthless. I might suggest that for further information you write Mr. William Maync, care of McKesson Spirit Co. Inc., 40 E. 30th St., N. Y. C."

Spreckels Commercial Company. We received the following letter from Mr. P. C. Kelley, Vice-President of the Security Trust & Savings Bank, San Diego, Calif., dated Nov. 18, 1938. "This Bank was trustee for an issue of $500,000 principal amount Spreckels Commercial Company First Mortgage Serial 6% Gold Bonds dated Feb. 1, 1928. These bonds defaulted in the payment of principal and interest, which was due on February 1, 1931, after $30,000.00 principal amount of bonds previously matured had been paid. Foreclosure proceedings under the issue were instituted and the properties held as security were sold on February 15, 1932, the net proceeds of the Trustee's Sale resulting in a distribution of $275.88 to holders of each $1,000. bond. All of the bonds outstanding, with the exception of one $500. bond, were surrendered for stamping and payment of proportionate share of proceeds of sale. We have been unable to locate the holder of $500.00 Bond No. D-27, and the Trustee is holding $137.96 for payment to the holder of this bond, payment to be made upon surrender of the bond with February 1, 1931 and seq. coupons attached."
Spreckels Sugar Corporation. Company assumed bonds of Federal Sugar Refining Company. The Irving Trust Company of New York City, receivers, informed us on Oct. 9, 1939, that the expenses of receivership and income taxes will not be settled in full, and that the general creditors of which the bondholders were a part, would realize nothing. Therefore the bonds and stock are worthless of both Spreckels and Federal Sugar Corporation.

Staten Island Gas Light Company. We received the following letter from the New York Public Service Commission, Albany, N. Y., dated Oct. 2, 1939. "Answering your inquiry of September 29, with reference to Staten Island Gas Light Company, please be advised that this commission has no record of this company. Inquiry at the office of the Secretary of State indicates that this company was incorporated in 1884, and no certificate of dissolution has ever been filed." Apparently the bonds were issued and secured by a Franchise. According to the above letter the company never functioned and therefore believe the bonds are worthless. These bonds were also reported as worthless in 1911.

Straus, S. W., Investing Corp. (Del.). Mr. Morgan S. Kaufman, receiver, located at 527 Fifth Ave., New York City informed us that the stockholders will not realize anything in liquidation, and that all classes of stock are absolutely worthless. The charter of the company was forfeited in January, 1936. We received the following letter dated Oct. 14, 1938, signed by Gertrude C. McMahon for Morgan S. Kaufman and Lambert J. Foulk, Receivers of S. W. Straus & Co. "In reply to your letter of recent date inquiring as to the status of S. W. Strauss Investing Corporation, we wish to advise you that the liquidation of the receivership estate was not completed until March of this year, when the remaining assets of the estate were sold. As a result of such final liquidation, it is not certain that no funds ~~of the~~ receivership estate will be available for the payment of a dividend to stockholders. At December 31, 1937, the book value of the remaining assets of the estate exceeded the amount of the liabilities of the corporation. For that reason the receivers do not feel that they are in a position to state that the stock became worthless, insofar as the receivership estate is concerned, during or prior to 1937."

Tennessee Electric Power Company. Tennessee Electric Plans Dissolution: Stockholders of Tennessee Electric Power Company have been notified of a special meeting to be held at Baltimore on May 26, to vote on the plan for liquidation and dissolution of the corporation. While no solicitation of proxies for the meeting will be made, stockholders were advised that they were free to attend the meeting and to vote on the plan. Under the terms of the plan holders of the Tennessee Electric Power Company preferred stock will receive $100. per share plus unpaid dividends. The company will also distribute to the holders of its common stock $14.42 per share in cash. Commonwealth & Southern Corporation, through the newly organized Tennessee Utilities Corporation, owns 422,261.35 shares of the outstanding 425,000 shares of Tennessee Electric Power common stock.

Tennessee Public Service Co. It was reported in the N. Y. Times, Feb. 23, 1939 that the preferred stockholders of the Tennessee Public Service Co. would receive $88.86 a share in liquidation of the utility bought last Sept. by T. V. A. and the city of Knoxville. Approximately 85% of the 50,000 shares of preferred stock was held by the National Power & Light Co. holding company for Tennessee Public Service and a subsidiary of the Electric Bond & Share Corp. The remaining 15% is held largely by residents of Eastern Tennessee. The outstanding bonds of the utility amounting to $7,000,000 were retired at 97.5. Only a few months before the sale of the utility the preferred stock with a par of 100 was selling for less than 60.

Texas American Oil Co. of Fort Worth. Organized under a Trust Agreement in 1919 and was located at Fort Worth, Texas. The company's property consisted of wild-cat leases. The company is not listed in the 1921 "Petroleum Register" and therefore believe that when the company failed to strike oil it forfeited the leases and went out of existence. The Certificates of Interest issued by this company are, in our opinion, without value.

Texas South Coast Company. Incorporated in Delaware on June 24, 1926, and is out of existence, having become inoperative in 1930. Texas United Oil Company. Incorporated in Texas and was located at Dallas, Texas in 1921. President, Wm. S. Pratt; Vice-President, C. L. Sullivan; Vice-President, H. M. Gilliam; Treasurer, Wm. H. Fowler. Properties, 1038 acres in several counties in Texas. This company was one of the many Texas "wildcat" companies which sprang up in Texas during the boom. It had a capitalization of $5,000,000 par value stock $1. At one time a merger was proposed with Lang Oil & Texas United Oil but it never actually took place. In December, 1920, the Texas United went into the hands of a receiver; stockholders were then asked to contribute eight cents on each share of stock receiving therefore two year, 6% notes. The property later emerged from receivership, and Mr. Aldred S. Wright was president of the new company. We understand that only those stockholders who put up the eight cents per share could obtain the new certificates. The last offerings made were on Feb. 20, 1924 by J. D. Witt & Co., Los Angeles, 350 at market. Under the circumstances, we believe the old shares are without value. The reorganized company, apparently was not successful, as we found no record of its operations in the "Petroleum Register."

Thompson, R. E., & Co., Ltd. Incorporated in Delaware on Oct. 22, 1924 and is no longer in existence having become inoperative and void March 16, 1927. The company apparently was short-lived as it failed to file any annual reports. We found no value to the stock and therefore believe the shares are without value.

Tiffin and Inter Urban Consolidated Railway Company. We received the following letter from the Manufacturers Trust Co., 55 Broad St., New York City signed by F. G. Rudolph, Corporate Trust Dept. and dated June 3, 1939. "We have your letter of June 1, 1939, regarding a First Mortgage 6% Bond (Gold) due March 1, 1914 of the Tiffin and Inter Urban Consolidated Railway Company. The records of the Atlantic Trust Company indicates that there was some $300,000. par value of these bonds issued under an Indenture dated March 5, 1894 and that the bonds were primarily issued for the payment of property purchased from the Tiffin Street Railway Company, The Tiffin Electric Street Railway Company and the Tiffin & Fostoria Electric Railroad Company. On December 13, 1900 the Atlantic Trust Company learned that this mortgage had been foreclosed and that if they communicated with the Commercial Bank, Tiffin, Ohio, they could be enlightened in the matter. A reply to an inquiry made of the Commercial Bank, dated Dec. 19, 1900, stated that the property was sold by the Sheriff some years since, and no proceeds were available for the holders of bonds because of the cost, taxes and labor. The records of the Atlantic Trust Company also disclose that no funds were ever deposited with them for payment to holders of bonds of this issue."

Toledo & Ohio Central Extension RR. Value of First Gen. Mtge. 5% Bonds due 1911. The New York Central System, located at 466 Lexington Avenue, New York City, informed us as follows on April 19, 1940: "Pursuant to an old agreement with the holders of The Toledo & Ohio Central Extension Railroad Company 5% First Mortgage bonds due November 1, 1938, Nos. 1 to 300, inclusive. The Toledo & Ohio Central Railway Company, whose properties were subsequently leased to The New York Central Railroad Company has (conditioned upon coupons appertaining to 256 of such bonds being presented), purchased said coupons as they became due, at the rate of $15. each, but neither the Toledo & Ohio Central nor its lessee is in any way responsible for the principal, and the said bonds are not an obligation of either company. From available information we find that the properties of the Toledo & Ohio Central Extension Railroad Company were sold under proceedings to foreclose its mortgages and in 1900 were conveyed to the Marietta, Columbus and Cleveland Railroad Company. In 1916 such properties were again sold at judicial sale and were bid in in the interest of the Black Diamond Coal Company, which company conveyed that part of the road from Palos to the Black Diamond Mine (Lathrop, Ohio), some sixteen miles, to Federal Valley Railway Company. The rest of the road was dismantled. We are not aware of any distribution and know of no source from which the holders of the bonds described above could expect to realize anything on the principal at maturity." From our own records we found that the First Mortgage 5% bonds due 1938 only received about 19% on the principal of their bonds as a result of foreclosure sale, leaving no equity for the 5% bonds due 1911 which are without value. Unstamped First 5% bonds due 1938 should be presented to the Irving Trust Company of New York City for collection.

Toledo & Ohio Central Ry. Acquired control of the following: Bailey Run Sugar Creek & Athens Ry.; Middleport & Northeastern Ry.; Kanawaha & West Virginia RR.; Kanawaha & Michigan Ry.; and Zanesville & Western Ry.

Townsend Securities Corporation of Delaware (Del.). Incorporated in Delaware on April 30, 1929, and lost its charter on April 1, 1935, and was Proclaimed by the Governor in January, 1936. Mr. James H. Kirkpatrick, former treasurer of the company, and an attorney at law, located at 115 Broadway, New York City, informed us as follows on Sept. 28, 1938: "Replying to your letter of September 20th, I beg to advise that the stock of this company is absolutely worthless. All the property that it ever had, except a small cash account and which was barely sufficient for the administration of the company, consisted of an option to purchase the stock of an aeroplane company at a price, and an agreement to pay commissions on sales effected by it in the stock of the same company at another price. Both of these expired on April 30, 1933, prior to which time the stock in the aeroplane company never reached a market value sufficient to make either the option or commission agreement of any value whatsoever. There was a relatively small action against W. W. Townsend & Company, Inc., which in a way was parent of this company, but W. W. Townsend & Company, Inc., went into bankruptcy and the small amount realized on the claim by the Townsend Securities Corporation was expended in the administration of that company." It would appear from the above that the loss on the stock should have been taken in the year 1933 when the option expired.

2480 Broadway Corporation. Value of $100 First Mortgage 6½% Bond. The Continental Bank & Trust Company of New York City, Trustee for the above issue of bonds, informed me as follows on December 15, 1939: "The property securing these bonds was sold at foreclosure and holders of undeposited bonds are entitled to receive their pro rata share of the net proceeds of the sale plus their pro rata share of funds on deposit with the Trustee. Distributions were made at the rate of $681.64 per $1,000. bond and $2.00 per $1,000. bond. Our records indicate that both of these payments have been collected on your client's bond No. 1364. There is no likelihood that any further payments will be made on account of either principal or interest as the property has been sold and all

moneys made available to non-depositors." In view of the above, I submit the $100. bond as worthless as of August 24, 1939, the date of the decedent's death.

Twenty-Ninth Street Properties, Inc. Fla. 1936.

2100 Walnut Street Company. Value of C/D Representing $100. 6½% Bond. Property was acquired by Walnut Apartments Corporation in November 1936. In November 1937 funds were available at the Continental Bank & Trust Company of New York City to make distribution to depositors of $47. per $100. bond. Non-depositors received $39.09 per $100. bond. The Continental Bank & Trust Company of New York City, Trustee for the above bond issue, informed me on December 15, 1939, that the decedent collected the distribution of $47. on December 15, 1937. Hanson & Hanson, brokers of New York City, informed me that the stamped certificates were worth 8 flat about the date of death. Therefore, I submit 8 flat or $3.00 as a fair value for the C/D representing a $100. bond as of August 24, 1939, the date of the decedent's death.

2 East 61st Street Corporation. Value of $400. 5% Income Debenture Bond due 1957. Value of 1 Share of Class "A" and 4 Shares of Class "B" stock. These bonds were quoted flat about the date of death at ⅛. Mr. Hanlon of Beekman, Bogue, Stephens & Black, attorneys for the Fulton Trust Company of New York, Trustees of the above bonds, located at 15 Broad Street, New York City, informed me that the Income Bondholders would not realize anything from the foreclosure, but may realize something out of the bankruptcy. However, the settlement depends upon the outcome of certain litigation. Any funds that may be obtained for the bonds would be deposited with the Manufacturers Trust Co., N. Y. C., and would suggest that you place your name on file there in order that you will be informed if any funds are available. In view of the above, I submit ⅛ flat, or 50 cents as a fair value for the $400. of bonds and no value for the stock as of August 24, 1939, the date of the decedent's death.

Union Land and Cattle Company. We received the following letter from the Crocker First National Bank, San Francisco, Calif., dated Dec. 12, 1939, and signed by J. H. Eastman, Asst. Trust Officer. "This is in response to your inquiry concerning Union Land and Cattle Company First Mortgage 6% Serial Gold Bonds, for which our predecessor, First Federal Trust Co., was the Trustee. All outstanding bonds of this issue were paid off in full. The records we examined in checking the redemption of the bonds seem to indicate that while the bond issue was paid off in full no equity remained for the stockholders." Letter from Mr. Eastman, Dec. 27, 1939, as follows—"The Corporation for whose bonds our predecessor, First Federal Trust Co. acted as Trustee was known as Union Land and Cattle Co. It was organized under the laws of Nevada and had its principal place of business in Reno in that State. The trust indenture under which the bonds were issued was executed in 1916."

United American Shares Corp. Name changed to United American Utilities Inc., in March, 1930, a Delaware corporation. On March 3, 1933, Chancellor Wolcott, Wilmington, Del., appointed receivers for the company on allegations of insolvency. As of March 20, 1936, the company was still in receiver's hands. In January, 1937, the receivers sold at auction all remaining assets of the company except equipment. The estate was liquidated and distribution was made to creditors on June 11, 1937. Each $1,000. bond received $7.99 with March 1, 1933 and subsequent coupons attached, payable at the City Bank Farmers Trust Co., New York City. On April 3, 1934, the reorganization committee of the United American Utilities, Inc., declared operative the plan of reorganization dated Oct. 25, 1933. The plan was approved by the Chancery Court of Delaware on Dec. 6, 1933. Holders of the United American Utilities, Inc., Class A first series stock, received 1.4 shares of Class A common stock of Community Gas & Power Co., for each share held. For each 4 shares of common stock of United American received 3 shares of Class A common stock of Community Gas & Power. The Public Utilities Management Corp., located at 60 Wall St., New York City, informed us that the right to exchange United American stock for Community Gas & Power stock expired in Nov. 1936. Therefore any stock not exchanged by Nov. 1936, first became worthless at that time.

United American Utilities Inc. Incorporated under the laws of the State of Delaware. Receivers were appointed for the company in 1933. Under plan dated April, 1934, each $1,000. 6% Conv. Deb. bond received 60 shares of Class A stock of Community Gas & Power Co. Each share of Class A stock of First Series received 1.4 shares of A stock of Community. Each 4 shares of common stock received three shares of A and one of B of Community.

United States Capital Corporation. Incorporated in Delaware on June 29, 1928, and lost its charter in 1935, which was proclaimed by the Governor in 1937. We received the following letter from the Better Business Bureau of Boston, dated June 28, 1938. "As the result of our communicating with the U. S. Capital Corporation some months ago, we were informed by D. C. Lewis, Asst. Treasurer, that the company with headquarters in the office of an attorney at 10 State St., Boston, has been inactive in recent years. He advised that the company for a number of years had been merely 'marking time' in order to see what could be done to sell subsidiary organizations. In a letter dated October 1, 1936, D. C. Lewis is said to have advised stockholders of U. S. Capital Corporation as follows: 'Since January 1, 1933, the officers and directors of the corporation felt that due to the depression and the tightening of the money market that it was impossible for them to do any promotional work or to refinance any of the various corporations offered to them as subsidiaries. They felt that all efforts to do business should be curtailed and the personnel was reduced to two persons. There have been no dividends paid due to the lack of funds, no audits have been made nor any statements issued. An effort is being made to sell the interests of the U. S. Capital Corporation in its various subsidiary organizations and should the sales be made there will probably be some return made in the form of dividends. There has been little or no effort to secure any new business due to the fact that the new Security Laws and the Utility Acts were so strict that the expenses did not warrant a venture in this line. Until the two above Government Regulations have been well clarified before the Supreme Court, the corporation will make no effort to enter any line of business. As soon as we have anything promising and definite a circular letter will be mailed to every stockholder. I trust that the above gives you some idea of what we have been doing and should there be any other questions that you should have to ask, your letter will receive a prompt reply."

U. S. Mortgage & Loan Company. Incorporated in Florida. Mr. Francis B. McGarry, a former officer of the company, located at West Palm Beach, Fla., in care of the Palm Beach Guardian Co., informed us as follows on Dec. 17, 1938: "Your letter of Dec. 12th, addressed to Benson, McGarry & Sullivan, Miami, Fla., regarding the Dibble Estate holding ten shares of stock in the U. S. Mortgage & Loan Co., has been referred to the writer for attention, inasmuch as the writer was at one time Vice-President and General Manager of the U. S. Mortgage & Loan Co., in Palm Beach. This stock has no value. The company has been in liquidation for a number of years and a few dividends have been paid on the bonds but the assets will not liquidate to give any equity for the stock."

Universal Nut & Bolt Lock Co. Incorporated under the laws of Kentucky on October 25, 1911, with the following stockholders: Geo. B. Martin, Cincinnati, Ohio; E. F. Brock, Cincinnati, Ohio; E. Elston, Cincinnati, Ohio. As far as the State records go the company is still alive although they have had no communication since October 1912 when they designated Geo. B. Martin, Newport, Ky., and also amended their Articles by increasing the Capital stock from $50,000. to $75,000. The Department of Revenue in Kentucky, does not have the company listed for taxes. We were informed that sometimes they die from one cause or another and do not contact the office of Secretary of State at all. Letters addressed to Geo. B. Martin at Newport, Ky., were returned. We found no value to the stock and therefore believe the shares are without value.

Vasco Products Company, Brentwood, Maryland. The Prince Georges Bank & Trust Company of Mt. Rainier, Maryland, informed us as follows on April 22, 1940: "Replying to your inquiry of April 19, 1940, directed to our Hyattsville office regarding the present status of the Vasco Products Company of Brentwood, Maryland, we wish to advise that the only information we have concerning this company is that they are still situated in Brentwood, Maryland, and have apparently reduced their volume of business to a low minimum. The only employee we know that they maintain at the present time is Mrs. Helena Brandhoff, who is in charge of their office at Brentwood."

Ver Planck Estate. The following letter was received from Janet G. Avery (Mrs. Edward S.) located at 70 E. 96th St., N. Y. C., dated Sept. 25, 1939: "Sorry to be so slow in answering your letter of Sept 7th regarding Ver Planck Estate. I was away at that time and since my return have been trying to get the information you wanted. Mr. Avery and Mr. Henderson who were officers of the company at that time are both dead. I talked with a friend of Mr. Avery's who knew something of my husband's affairs and he tells me as the company was

Waring Hat Manufacturing Corp. Incorporated in Delaware in 1920 and was located at Yonkers, N. Y. On July 14, 1924 the receivers in equity were appointed. White & Case, attorneys for the creditors informed us as follows on Oct. 19, 1938. "This is to acknowledge your letter of Oct. 14th, inquiring as to what disposition was made for the bonds of Waring Hat Manufacturing Corporation when the property was sold. Our files indicate that $5,207.95 was paid by the purchaser to E. Bright Wilson, Special Master, some time about June 23, 1925, and that this sum was apparently paid on account of bonds which were not surrendered by the purchaser on foreclosure in part payment of the purchase price. Inquiry of the Special Master (E. Bright Wilson, Munsey Bldg., Wash., D. C.) will no doubt disclose what disposition was made of the $5,207.94." The company is no longer in existence, having become inoperative and void March 16, 1927 and proclaimed by the Governor January 1928 for non-payment of taxes. In view of the above we believe the stock to be without value.

Waterloo, Cedar Falls & Northern Railway Company. We received the following letter from the Protective Committee for the First Mortgage Bondholders of the above company, 1933 Fidelity-Philadelphia Trust Bldg, Phila., Pa. dated July 24, 1939 and signed by the Chairman, E. V. Kane. "Your inquiry of the 17th inst., addressed to the Waterloo, Cedar Falls & Northern Rairoad Co., Waterloo, Iowa, has been referred to me. In reply I beg to state that the last quotations on the Waterloo, Cedar Falls & Northern Railway Company First Mortgage 5's, certificates of deposit, were 5 bid—7 asked. I understand that Messrs. Herbert H. Blizzard & Co., 123 So. Broad St., Phila., Pa. who specialize in these securities, usually have a market for them. You may be interested to know that 95% of the entire outstanding issue of first mortgage bonds are deposited with the Protective Committee and are represented by certificates of deposit."

Weiss Engineering Corp. Incorporated in New Jersey and lost its charter in the beginning of 1934 for nonpayment of taxes, however, later in the year the charter was reinstated. We received the following letter from the company located at 1050 Ocean Avenue, Brooklyn, N. Y. signed by Carl W. Weiss, President, and dated June 15, 1939. "In answer to your letter of June 14, would say that there have been transfers of small lots of Weiss Engineering Corporation stock, but we have no knowledge of an established value. The charter was reinstated about the time you mention." Company receives royalties from the Bendix Corp. and before that from General Motors Corp. Attorney: Kobbe, Thatcher, Frederick & Hoar, 61 Broadway, New York City.

West Side Construction Company. Incorporated in New Jersey on May 9, 1892, and was dissolved by action of its stockholders on Jan. 24, 1900. President, R. Somers Hayes, New York City; Vice-President, George C. Clark, New York City. This company built the Metropolitan West Side Elevated Railroad and received $5,000,000 in First Mortgage bonds and $12,412,100 of stock of that company. Against these assets the company owed $1,500,000. The bonds were offered to the stockholders at $300 for each $1,000. bond, said $300 was to be applied to pay off the $1,500,000 debt. On January 20, 1897, a receiver was appointed for the Metropolitan West Side Elevated Railroad. The property was sold on Jan. 4, 1899, for $6,000,000. The distribution on the Metropolitan bonds amounted to $404.19½ per bond. On Sept. 9, 1899, the company paid a dividend of $4. per share. The previous payment was $7. in March, 1898. A final dividend of $1.25 per share was paid in July, 1900, by the company at 32 Nassau Street, N. Y. C. Apparently all of these dividends were mailed to the stockholders of record.

O. Muhlfeld; L. W. Stoddard; Thomas White, all of New York City. We received the following letter from John A. Mckenna, 50 Church Street, New York City, dated April 21, 1939. "I have your letter of April 17, 1939 inquiring with reference to the present status of White Oil Corporation and the value of its stock, shares of which are owned by one of your clients. Please be advised that pursuant to Plan and Agreement for the Readjustment and Reorganization of White Oil Corporation, dated September 15, 1923, a new corporation was formed by the name of United Central Oil Corporation, to which latter corporation the property and assets of White Oil Corporation were conveyed. The holders of common stock of White Oil Corporation were entitled to receive one (1) share of common stock of United Central Oil Corporation in exchange for each five (5) shares of common stock of White Oil Corporation. If your client was a registered holder of common stock of White Oil Corporation on or about September 15, 1923, he should have received copy of printed circular letter dated September 15, 1923 which was addressed to the stockholders of White Oil Corporation, informing the said stockholders as to the provisions of the plan for readjustment and reorganization, as aforesaid. The United Central Oil Corporation was incorporated under the laws of the State of Delaware on December 24, 1923. An amendment was made to the certificate of incorporation of United Central Oil Corporation on May 13, 1925 changing the corporate title from United Central Oil Corporation to Crown Central Petroleum Corporation. Shares of common stock of Crown Central Petroleum Corporation were issuable in exchange for shares of common stock of United Central Oil Corporation on a share for share basis. The present address of the Crown Central Petroleum Corporation is 'American Building, Baltimore, Md.' and we would suggest that you communicate with Mr. James T. Bowles, Secretary, at said address with reference to any corporate changes subsequent to May 1925, and as to the present status of your client's stockholdings in the White Oil Corporation." See report on Crown Central Petroleum Corp. for basis of exchange of stock. The new stock is listed on the New York Curb. Send White stock to the Chase National Bank, New York City, for exchange.

Williamsville, Greenville & St. Louis Railway. We received the folowing letter from James J. O'Connor, Clerk, United States District Court, Eastern District of Missouri, St. Louis, Mo., dated Oct. 17, 1938. "Referring to your letter of Sept. 30th, 1938, I have to advise that the record in Equity No. 4211, Alfred H. Woodman, et al. vs. Williamsville, Greenville and St. Louis Railway, was that on November 10, 1914, foreclosure sale of the defendants' property was made to purchaser, James K. Cochran for the sum of $50,475., which sale was confirmed on November 27, 1914. Later purchaser assigned his interest to the Ozark Valley Railway Company. The report of the Special Master in this case shows that funds available were distributed ratably to the holders of first mortgage bonds who had made proof of claim under the order of Court. There are no funds left in the custody of the Court in this case. A brief extract from Poor's Manual has been furnished to me by Mr. Thomas T. Railey of the Missouri Pacific Railway Company and same to you for whatever interest it may be to you. Line of Road: Williamsville to Cascade, Mo., 35 miles. Chartered January 24, 1894, in the State of Missouri. Receivership proceedings instituted in the U. S. District Court at St. Louis on Sept. 5, 1913. R. E. Slowey of Greenville, Mo., appointed Receiver. Property sold under foreclosure sale on Nov. 10, 1914, at Greenville, Mo., to James Cochran, Pana, Ill. Sale approved by Court Nov. 27, 1914. The property acquired by The Ozark Valley Railway Company, a Kansas Corporation, incorporated Dec. 1914 and new company took over operation as an electric line on Jan. 22, 1915. Poor's Manual for 1920 shows under heading The Ozark Valley 'Road Abandoned.' No further information is given."

Wilmer & Vincent Corporation. Incorporated in Delaware and is located at 1776 Broadway, New York City. The company informed us as follows on January 16, 1940: ". . . Sales of stock during the past year, with which we have been familiar, have been at one dollar to one dollar and twenty-five cents per share, which is not in any way a measure of its book value. The company is at the present time not earning at a rate which provides anything for account of dividends on this stock."

Wilmington & Reading Railroad Co. On page 90 of the Commercial & Financial Chronicle dated January 27, 1877, it states that this company was reorganized as the Wilmington & Northern Railroad. The capital stock of the new company was fixed at $1,500,000. the amount of the 1st Mortgage bonds, which were exchanged on a par for par basis, according to the Circuit Court of U. S. for the Eastern District of Penna. The Wilmington and Northern was subsequently reorganized as the Philadelphia & Reading. There was no provision made for the Second Mortgage bonds, which in our opinion are without value.

Wisconsin Central Rail-Road Company. First Mortgage 8% Conv. bond dated Feb. 5, 1857, due Feb. 5, 1877. We received the following letter from the Wisconsin Central Railway Company, First National-Soo Line Bldg., Minneapolis, Minn., dated June 1, 1938, and signed by H. H. Ginz, Treasurer and Auditor for the Receiver. "The following information is being supplied in connection with your letter of May 26th in which you ask to be informed as to who holds funds that are payable on the abovementioned bond, as described by you, and which you now hold. Chapter 62 of the Private and Local Laws of Wisconsin, 1853, entitled 'An Act to Incorporate the Wisconsin Central Railroad Company,' approved March 4, 1853, empowered the said company to locate and construct a railroad with one or more railways or tracks from Portage city, by way of the village of Columbus in Columbia county, and the village of Whitewater in Walworth county, to the village of Genoa in Walworth county,' the last mentioned village being near the Illinois state line. The above mentioned company bore no relation whatever to the present Wisconsin Central Railway Company which had its origin in charters granted in 1866 to the Portage and Superior Railroad Company and the Winnebago and Lake Superior Railroad Company which contemplated the construction of lines from Portage to Stevens Point and Neenah to Stevens Point and a joint line thence to Superior via Bayfield. These two companies were consolidated in 1869 and incorporated under the name of Portage, Winnebago and Superior Railroad Company, which company was consolidated with the Portage, Stevens Point and Superior Railroad Company and incorporated in 1871 as the Wisconsin Central Railroad Company (a predecessor of the present Wisconsin Central Railway Co.) after that style and title had been abandoned in 1869 by the company which had been incorporated under Chapter 62 of the laws of 1853. Thus it does not appear that the bond which you hold constitutes a liability of the present Wisconsin Central Railway Company, nor does it appear that it might have been turned in for new securities of the present company under the exchange arrangement in 1899 to which you refer; and I am not therefore in position to advise you with respect to funds which might be available for its redemption."

Wisconsin Glass Company of Milwaukee. Incorporated in Wisconsin on Aug. 14, 1880, as the Chase Valley Glass Company No. 2 of Milwaukee. It appears that the company reorganized in 1889 and gave creditors stock. The company lost its charter on March 1, 1907. No annual report of this company was ever filed. We wrote to Lake, Milwaukee County, Wis., where this company was formerly located and could find no record of the company. The shares in our opinion have no value.
